The Mayor: The best one in the United States. And every city now that is trying to talk about a pension fund comes to the City and County of San Francisco to get it's organization before they start theirs. So he goes out on half pay and over $4,000 in cash. And the pension fund still goes on, and everybody is taken care of, and it is looked after, it is taken care of, it is watched, its investments are watched, every detail of it is watched and John Rogers here is the president of it, and it is operated by employees that are above reproach. Now, just think on what pension Mr. Zemansky is going out, with over $4,000 in cash and with $200 a month for the balance of his life. "Well, done good and faithful servant," we hope you will live long and be as prosperous as your heart desires and be in good health. (Applause.)

MAYOR'S VETO.

June 14, 1929.

Honorable Board of Supervisors, City and County of San Francisco, City Hall, San Francisco, California.

Gentlemen: I am returning you herewith, without my approval, Resolution No. 30947 (New Series), by reason of protests from various individuals and associations directly concerned who have been very active in sending objections to my office against the granting of this permit to maintain and operate an automobile parking station on the north side of McAllister street, 35 feet east of Hyde street; and for the further reason that there is to be erected in the near future across the street from said proposed parking station a Federal office building, and I do not think we should jeopardize any objections which might be raised by Federal authorities that the parking station, if permitted to go there, was not there when the property was tendered to the Government for the Federal Building thereon.

Permit me to call your attention to the fact that on April 11, 1928, I returned to you a similar resolution, then numbered 28762 (New Series), granting a parking station upon said premises, and the same objection exists today as existed then, and I see no need of disturb-

ing a peaceful neighborhood by the injection therein of a parking station which was disapproved of over a year ago.

Very respectfully yours,

JAMES ROLPH, JR., Mayor.

(Encl. returning Resolution No. 30947, New Series.)

Resolution No. 30947 (New Series):

Resolved, That Mark M. Willever and D. H. Brasfield be and are hereby granted permission, revocable at will of the Board of Supervisors, to maintain and operate an automobile parking station on the north side of McAllister street, 35 feet east of Hyde street.

The rights granted under this resolution shall be exercised within six months, otherwise said permit shall become null and void.

Question: Shall the resolution pass notwithstanding the objections of his Honor the Mayor.

Report of Finance Committee on Naming Fiscal Agent in New York.

Your Finance Committee, to which was referred ordinance (herewith set forth in full) designating the Bank of America of New York as the fiscal agent of the City and County of San Francisco in the State of New York, refers same back to the Board, without recommendation, for action by the Board.

Bill No. ————, Ordinance No. ———— (New Series), as follows:

Designating "The Bank of America" of New York as the fiscal agent of the City and County of San Francisco, in the State of New York, for the purpose of providing payment in the City of New York of coupons, for the redemption of bonds of the City and County of San Francisco, and providing for interest on funds on deposit with fiscal agent.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. The Bank of America of New York, having its principal place of business at 44 Wall street, New York City, State of New York, from and after the date of the passage of this ordinance is hereby designated as the fiscal agent for the City and County of San Francisco in the City of New York.

Section 2. The Treasurer of the City and County of San Francisco shall hereafter deposit with The Bank of America of New York, at least thirty (30) days previous to the periods of payment of interest and principal, a sum sufficient to meet the outstanding obligations of the City and County of San Francisco which shall become due in the said City of New York on the first day of the following month.

Section 3. The said The Bank of America of New York shall act as fiscal agent for the City and County of San Francisco without any expense or charge whatsoever to the said City and County of San Francisco, provided, however, that if a bond should be exacted by the Treasurer of the City and County of San Francisco upon making any deposit with The Bank of America of New York, the premium on said bond shall be paid by the City and County of San Francisco.

Section 4. The designation and appointment of The Bank of America of New York as the fiscal agent of the City and County of San Francisco is made, provided the said fiscal agent shall pay into the Treasury of the City and County of San Francisco, monthly, at the rate of two per cent (2 per cent) per annum on all daily balances of funds deposited with the said fiscal agent.

Section 5. This ordinance shall take effect immediately.

UNFINISHED BUSINESS.

Granting Spur Track Permit on Sixteenth Street to Richfield Oil Company of California.

On recommendation of Streets Committee.

Bill No. 8957, Ordinance No. 8469 (New Series), as follows:

Granting permission, revocable at will of the Board of Supervisors, to Richfield Oil Company of California, a corporation, to construct, maintain and operate a spur track connecting with Southern Pacific and A. T. & S. F. Railway companies' joint track in Sixteenth street as hereinafter described.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. Permission, revocable at will of the Board of Supervisors, is hereby granted to Richfield Oil Company of California, a corporation, to construct, maintain and operate a spur track from the joint track of said Southern Pacific and A. T. & S. F. Railway companies in Sixteenth street, in the City and County of San Francisco, the center line of said proposed track being particularly described as follows:

Beginning at a point in the center line of an existing Southern Pacific Company and Atchison, Topeka & Santa Fe Railway Company joint track in Sixteenth street, distant westerly 110 feet, more or less, from the westerly line of Carolina street, and distant northerly 46.6 feet from the southerly line of Sixteenth street; thence in a southeasterly direction through a switch turnout to the right and curving to the right, crossing Sixteenth street and Carolina street to a point

in Carolina street, distant westerly 10 feet from the easterly line of Carolina street, and distant southerly 102 feet, more or less, from the southerly line of Sixteenth street; thence southerly parallel to and distant westerly 10 feet from the easterly line of Carolina street a distance of 198 feet, more or less, to end of track.

Said permission is granted subject to the provisions of Ordinance No. 69 (New Series) of the Board of Supervisors, approved October 12, 1906, and the provisions and conditions of Section 8 thereof are hereby specifically contained in the permit hereby granted and shall be construed as a part hereof as completely as though the same were written in this ordinance.

Provided that said spur track shall be laid with girder rail under the supervision and to the lines and grades as furnished by the City Engineer's office and that any and all expense connected with the installation of the track, restoration of the pavement, and any additional requirements for the surface drainage to be paid for by the Richfield Oil Company of California.

Section 2. This ordinance shall take effect immediately.

Granting Spur Track Permit for Southern Pacific Company and Atchison, Topeka and Santa Fe Railway Company on Sixteenth Street.

Also, Bill No. 8958, Ordinance No. 8470 (New Series), as follows:

Granting permission, revocable at will of the Board of Supervisors, to Southern Pacific Company, a corporation, and The Atchison, Topeka and Santa Fe Railyay Company, a corporation, to shift a portion of a railroad track upon and across a portion of Sixteenth street and across De Haro street to the location hereinafter described.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. Permission, revocable at will of the Board of Supervisors, is hereby granted to Southern Pacific Company, a corporation, and The Atchison, Topeka and Santa Fe Railway Company, a corporation, to shift the location of a railroad track now located upon, along and across a portion of Sixteenth street and across De Haro street, in the City and County of San Francisco, and covered by Ordinances Nos. 1632 and 1699 of the City and County of San Francisco, passed by the Board of Supervisors October 2, 1905, and December 11, 1905, respectively, from its present location to the location, the center line of which is particularly described as follows, and shown by dashed red line on the blueprint map attached to and made a part of the application of Southern Pacific Company and The Atchison, Topeka and Santa Fe Railway Company:

Beginning at a point in the center line of an existing Southern Pacific Company and The Atchison, Topeka and Santa Fe Railway Company joint track in Sixteenth street, said point being distant easterly seventy (70) feet, more or less, from the easterly line of De Haro street and distant northerly 46.6 feet from the southerly line of Sixteenth street; thence in a westerly direction through a turnout to the left and curving to the left and right to a point in the center line of an existing Southern Pacific Company and The Atchison, Topeka and Santa Fe Railway Company spur track in Sixteenth street, said point being distant northerly 18 feet, more or less, from the southerly line of Sixteenth street, along the northerly prolongation of the westerly line of De Haro street.

Said permission is granted subject to the provisions of Ordinance No. 69 (New Series) of the Board of Supervisors, approved October 12, 1906, and the provisions and conditions of Section 8 thereof are hereby specifically contained in the permit hereby granted, and shall be con-

strued as a part hereof as completely as though the same were written in this ordinance.

Provided that said track in its new location shall be laid with girder rail, under the supervision and to the lines and grades as furnished by the City Engineer's office, and that any and all expense connected with the shifting of the track, restoration of the pavement and any additional requirements for the surface drainage, is to be paid by Southern Pacific Company and The Atchison, Topeka and Santa Fe Railway Company.

Rereferred.

The following matter was *rereferred to the Polile Committee*, on motion of Supervisor McSheehy by the following vote:

Prohibiting Passenger Motor Vehicles Without Full Liability Insurance.

Bill No. ————, Ordinance No. ———— (New Series), as follows:

Prohibiting the driving and operation of motor vehicles for the carrying of passengers for hire, unless there shall be in full force

a policy of liability insurance, or a bond, and providing a penalty for any violation thereof.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. It shall be unlawful for any person, firm or corporation to drive or operate, or permit to be driven or operated, any motor vehicle along or upon any public street or highway in the City and County of San Francisco, State of California, for the carriage of passengers for hire, unless such person, firm or corporation shall have given and there shall be in full force and effect, and on file with, and approved by, the Board of Police Commissioners of said City and County of San Francisco, at all times during which such motor vehicle is being so driven or operated, or permitted to be driven or operated, for each such vehicle, a policy or liability insurance in such form as the Board of Police Commissioners may deem proper, executed by a responsible and solvent corporation authorized to conduct an insurance business under the laws of the State of California and conditioned to indemnify such person, firm or corporation against any judgments which may be rendered against such person, firm or corporation for damages on account of injuries to property or person, including both passengers and the public, occasioned by the operation of any such motor vehicle, in the following sums:

(a) For the injury or death of any one person in any one accident, $5,000.00;

(b) For the injury or death of two or more persons in any one acident, $10,000.00; and in the event any such vehicle shall have a seating capacity of more than seven persons, said policy shall be in the amount of $20,000.00;

(c) For the injury or destruction of property in any one accident, $1,000.00;

No such policy shall be rejected by the Board of Police Commissioners, unless said commission shall in writing assign its reason for such rejection, and no liability insurance corporation shall be rejected as an insurer which is authorized by the State of California to write such policies, provided such authorization has not been revoked.

Section 2. In lieu of the aforesaid policy of liability insurance, such person, firm or corporation may file with, and have approved by, said Board of Police Commissioners a bond in such form as the Board of Police Commissioners may deem proper, executed by a responsible and solvent corporation authorized to conduct a bonding insurance business under the laws of the State of California, or by two personal securities whose qualifications shall be as hereinafter prescribed, which bond shall be conditioned for the payment of all final judgments which may be rendered against any such person, firm or corporation for damages on account of injuries to property or person, including both passengers and the public, occasioned by the operation of any such motor vehicle within the limits prescribed by paragraphs a, b and c, of Section (1) hereof, and which bond shall be in an amount graduated according to the number of motor vehicles owned or offered for hire according to the following scale:

(a) Where such person, firm or corporation owns or offers for hire only one motor vehicle, said bond shall be in the sum of $10,000.00;

(b) Where such person, firm or corporation owns or offers for hire more than one but less than six motor vehicles, said bond shall be in the sum of $20,000.00;

(c) Where such person, firm or corporation owns or offers for hire more than five but less than eleven motor vehicles, said bond shall be in the sum of $30,000.00;

(d) Where such person, firm or corporation owns or offers for hire more than ten but less than twenty-six motor vehicles, said bond shall be in the sum of $40,000.00;

(e) Where such person, firm or corporation owns or offers for hire

more than twenty-five but less than fifty-one motor vehicles, said bond shall be in the sum of $60,000.00;

(f) Where such person, firm or corporation owns or offers for hire fifty or more motor vehicles, said bond shall be in the sum of $100,000.00.

No such bond shall be rejected by the Board of Police Commissioners unless said Commissioners shall in writing assign its reason for such rejection, and no bonding insurance corporation shall be rejected as an insurer which is authorized by the State of California to write such bonds, provided such authorization has not been revoked.

In the event the bond hereinabove provided for is executed by two or more personal sureties, there shall be attached to such bond the statement in writing of each such personal surety, duly sworn to and acknowledged before a notary public, setting forth that he or she owns in fee simple certain described real estate in the City and County of San Francisco, and its location and legal description, together with its assessed value on the roll of the Assessor of the City and County of San Francisco, which assessed value over and above any and all encumbrances, exemptions and claims of every kind and description shall be at least two times the penalty of said bond, and such bond for the full amount thereof shall by its terms be a lien for the benefit of the beneficiary in said bond on such real estate so scheduled, and shall be recorded in the office of the Recorder of the City and County of San Francisco, and said bond shall further provide that suit may be brought in any court of competent jurisdiction upon said bond by any person, firm or corporation suffering any loss or damage as hereinabove set forth. If at any time in the judgment of the Board of Police Commissioners said bond is not sufficient for any cause, said Commissioners may require the owner of such motor vehicle who filed the same to replace said bond with another good and sufficient bond or insurance policy in accordance with the provisions of this ordinance.

Section 3. In the event that such person, firm or corporation files either a policy of insurance or a bond of a corporation authorized to conduct a bonding insurance business under the laws of the State of California, or a personal bond, the said policy or bond shall contain a provision that the same cannot be cancelled by the corporation issuing it, or by the personal sureties thereon, or either of them, without giving thirty (30) days' notice in writing of such cancellation to the Secretary of the Board of Police Commissioners. Before a policy or bond of any insurance corporation shall be accepted by the Board of Police Commissioners there shall be filed with said policy or bond a receipt of the corporation issuing the same, showing that the premium thereon for at least a period of three (3) months of the term thereof has been fully paid. If at any time said policy of insurance or bond be cancelled by the issuing corporation, or by the personal sureties, or either of them, or the authority of said issuing corporation to do business in the State of California be revoked, it shall be unlawful for any person, firm or corporation to operate such motor vehicle until a bond or insurance policy meeting the requirements of this ordinance shall have been filed with the Board of Police Commissioners.

In the event of the return unsatisfied of any execution issued on any final judgment, or on any judgment from which an appeal may be taken without bond, rendered against any such person, firm or corporation in any suit for damages on account of injury to person or property occasioned by the operation of any such motor vehicle, such person, firm or corporation shall within ten (10) days after the return of such execution unsatisfied (provided said judgment is still unpaid), increase the amount of his policy of insurance or of his bond by the amount of such judgment, and failing so to do shall forthwith cease the operation of motor vehicles in San Francisco until such

additional bond or insurance policy is deposited or said judgment is paid.

Section 4. All policies or bonds shall contain a provision for a continuing liability thereunder up to the full amount of the penalty thereof, notwithstanding any recovery thereon.

Section 5. The provisions of this ordinance shall not be applicable to any "jitney bus" as the same is defined by Ordinance No. 3212 (New Series) of the City and County of San Francisco, State of California, approved April 29, 1915, nor to any sightseeing or interurban bus as the same is defined by Ordinance No. 5118 (New Series) of the City and County of San Francisco, State of California, approved April 6, 1920.

Section 6. In the event that any part or provision of this ordinance is unlawful or invalid for any reason whatsoever, said unlawful or invalid provision shall in nowise affect the remaining provisions of this ordinance.

Section 7. Any person, firm or corporation violating any of the provisions of this ordinance shall be guilty of a misdemeanor, and, upon conviction thereof, shall be punished by a fine, not to exceed five hundred ($500.00) dollars, or by imprisonment in the county jail for a period not to exceed six months, or by both such fine and imprisonment.

Section 8. This ordinance shall take effect immediately.

Ordered *filed.*

Relative to Army Dirigible Base in San Mateo County.

The following resolution was presented and read by the Clerk:

To the Honorable James Rolph, Jr., Mayor of San Francisco, and the Honorable Board of Supervisors of the City and County of San Francisco:

Whereas, there has been offered to the United States War Department a free gift of 350 acres of hard, dry land on Brewer's Island in San Mateo County as a site for the United States Army Air Base, which site can be used for such purpose immediately following its acceptance, and requiring no dredging or filling operations nor necessitating delay in which to accumulate funds from local sources to purchase other proposed sites located elsewhere; and

Whereas, it is well known that San Mateo County possesses all climatic advantages, especially for the safe carrying on of aviation activities; that its proximity to San Francisco and surrounding communities containing over one million population, with exceptional foreign and domestic market advantages, unusual highway, bridge

and deep water communication and ample rail facilities in the immediate vicinity; and

Whereas, we believe that there is no site anywhere else in the San Francisco Bay area that can at all compare with the one herein mentioned for military, strategic and aviation purposes; and

Whereas, this site meets all the requirements of Army specifications; now, therefore, be it

Resolved, That we, the duly elected, qualified and acting Board of Supervisors of the County of San Mateo, State of California, do hereby call upon the Mayor and Board of Supervisors of the City and County of San Francisco to aid and assist us in the presentation of these facts to the Congressional representatives of both counties and to reiterate the advantages herein outlined to the United States Secretary of War and his assistants, in whose hands the selection of this Army Air Base rests; and be it further

Resolved, That the closely interwoven interests of both counties located upon the peninsula demand the united action of both Boards of Supervisors in this matter, and we therefore request that you take such affirmative action sponsoring this proposed site in the immediate future, as the time of selection is close at hand.

THE HONORABLE BOARD OF SUPERVISORS OF THE COUNTY OF SAN MATEO, STATE OF CALIFORNIA.
C. V. THOMPSON (Chairman).
MANUEL FRANCIS.
J. W. POOLE.
ROSALIE M. BROWN.
T. L. HICKEY.

Dated at Redwood City, June 27, 1929.

Privilege of the Floor.

Supervisors T. L. Hickey, John W. Poole and Rosalie M. Brown of San Mateo County spoke on the resolution, asking San Francisco's cooperation.

The San Mateo Supervisors were accompanied by Judge McGrath of San Mateo, president of the Peninsula Industrial Conference, who also addressed the Board, and declared that the proposed air base site of 350 acres has been offered free to the county for transfer to the Government by the Schilling Estate. It is a dry, hard land, in use many years as farm land, and said to be ideally suited for an air base. If the Government needs more land the San Mateo delegation said it would be obtained.

Approved.

Whereupon, the foregoing resolution was *approved* by the following vote:

Ayes—Supervisors Andriano, Havenner, Kent, McGovern, Marks, Schmidt, Stanton, Suhr, Todd, Toner—10.

No—Supervisor Colman—1.

Absent—Supervisors Deasy, Gallagher, Hayden, McSheehy, Powers, Roncovieri, Shannon—7.

Motions.

Supervisor Marks, seconded by Supervisor Schmidt, moved the resolution, as presented by the Supervisors of San Mateo County, requesting aid and assistance in placing the advantages of the San Mateo site for the proposed Army Air Base before our Congressional representatives be approved, and that the Clerk of this Board draft an appropriate resolution approving the San Mateo County site and place it in the hands of our representatives in Washington, urging their support of the site on the peninsula.

Ayes—Supervisors Andriano, Havenner, Kent, McGovern, Marks, Schmidt, Stanton, Suhr, Todd, Toner—10.

No—Supervisor Colman—1.

Absent—Supervisors Deasy, Gallagher, Hayden, McSheehy, Powers, Roncovieri, Shannon—7.

Supervisor Kent moved that the Mayor be authorized to appoint a committee of twenty-five citizens to organize and make the chief object of their activity a campaign directed to the Army officials and Secretary of War requesting their favorable consideration of the San Mateo County site for air base.

Ayes—Supervisors Andriano, Havenner, Kent, McGovern, Marks, Schmidt, Stanton, Suhr, Todd, Toner—10.

No—Supervisor Colman—1.

Absent—Supervisors Deasy, Gallagher, Hayden, McSheehy, Powers, Roncovieri, Shannon—7.

Subsequently the following resolution was *adopted*:

Resolution No. 31103 (New Series), as follows:

Resolved, That the resolutions adopted by the San Mateo County Board of Supervisors relative to the offer to the United States War Department of a gift of 350 acres of land on Brewer's Island, in San Mateo County, as a site for the United States Army Air Base be approved; and be it

Further Resolved, That the Board of Supervisors of the City and County of San Francisco join with the Supervisors of San Mateo County in approving said site and pledges its aid and support in urging the Secretary of War and his assistants to select this proposed site as the one best suited in the San Francisco Bay area for an Army Air Base; and be it

Further Resolved, That copies of this resolution be sent to the Secretary of War, United States Senators Hiram W. Johnson and Samuel M. Shortridge, Congressmen Richard J. Welch and Arthur M. Free and Congresswoman Florence P. Kahn.

Adopted by the Board of Supervisors July 1, 1929.

Ayes—Supervisors Andriano, Havenner, Kent, McGovern, Marks, Schmidt, Stanton, Suhr, Todd, Toner—10.

No—Supervisor Colman—1.

Absent—Supervisors Deasy, Gallagher, Hayden, McSheehy, Powers, Roncovieri, Shannon—7.

Boy Scouts' European Trip.

Supervisor Colman called attention to the selection of six local Boy Scouts for a trip to Europe. He requested that the Mayor be asked to convey to them the felicitations of our citizens, commending them on their selection as representatives of San Francisco, and extending the best wishes of the Board of Supervisors.

So ordered.

San Francisco's Official Slogan.

Supervisor Havenner suggested and Supervisor Colman moved that the national advertising slogan of Californians, Inc., "It is Cool in San Francisco," receive official approval.

So ordered.

Free Bathing at Fleishhacker Pool.

Supervisor Todd moved that the Education, Parks and Playgrounds Committee give consideration to the matter of permitting free bathing for children at the Fleishhacker Pool.

So ordered.

Hotel and Restaurant Garbage.

Supervisor Todd moved that 2:30 o'clock next Monday be fixed for a hearing of the matter of the collection of garbage from restaurants and hotels for hog feed.

So ordered.

Death of Wm. T. Sesnon.

Supervisor Toner moved that when this Board adjourns it does so out of respect to the memory of Wm. T. Sesnon, recently deceased, and that the Clerk be directed to prepare suitable resolutions of condolence to be presented to the bereaved family as a token of esteem and respect from this Board of Supervisors.

Motion *carried* by rising vote.

ADJOURNMENT.

There being no further business, the Board at the hour of 6:15 p. m. adjourned.

J. S. DUNNIGAN, Clerk.

Approved by the Board of Supervisors July 22, 1929.

Pursuant to Resolution No. 3402 (New Series) of the Board of Supervisors of the City and County of San Francisco, I, John S. Dunnigan, hereby certify that the foregoing is a true and correct copy of the Journal of Proceedings of said Board of the date thereon stated and approved as above recited.

California Tax Appraisal Bureau.

The Clerk called attention to a blanket application of 110 property owners for reductions of assessments, as submitted by the California Tax Appraisal Bureau, in which Messrs. H. A. Mason, Matfeldt and Devereaux, former employees of the Stafford Bureau, are interested.

Subject matter *referred to the Joint Committee on Judiciary and Finance.*

The Clerk was directed to subpoena the persons above mentioned to appear at next meeting.

On motion of Supervisor Andriano those requesting reductions were to be asked to make separate applications.

RECESS.

Whereupon, the Board of Equalization recessed until Friday, at 10 a. m.

REASSEMBLED.

The Board of Supervisors reconvened and the following matters were taken up:

Action Deferred.

The following matters were, on motion, *laid over two weeks*:

New Garage Ordinance.

Bill No. ———, Ordinance No. ——— (New Series), as follows:

Governing the construction, equipment, maintenance and operation of public, commercial and private garages; regulating and providing for the storage and use of gasoline in connection with public, commercial and private garages; duties of the Fire Marshal; penalty for violation; repealing Ordinance No. 746 (New Series) and all ordinances or parts of ordinances in so far as they conflict with this ordinance.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. Whenever used in this ordinance, the following terms and words are defined as herein specified and shall be deemed and construed to have the meaning ascribed to them in this section.

(a) An "automobile" shall mean any self-propelling vehicle.

(b) "Gasoline" shall mean and include any product of petroleum flashing below the temperature of 110 degrees Fahrenheit. The Fire Marshal of the City and County of San Francisco shall determine such flashing point.

(c) A "commercial garage" is a building wherein three or more automobiles, designed, used or maintained for the transportation of property and operated by the owner or owners thereof, are kept or stored, and where no charge is made for the storage and keeping of same.

(d) A "public garage" shall mean any building, structure or part thereof wherein three or more automobiles are kept or stored by the public, or wherein automobiles stored or kept are rented out to and hired by the public, and where a charge is made for the storing or keeping of three or more automobiles.

Nothing in the above definitions (c) and (d) shall operate against providing automobile storage in flats or dwellings for occupants only, not exceeding four hundred (400) square feet in area for each flat or dwelling. In apartment house buildings, nothing in definitions (c) and (d) shall operate against providing storage space for occupants only, of two hundred (200) square feet for each apartment within the building, providing that the spaces in which automobiles are stored are erected in strict accordance with the State Housing Act of 1923 and amendments thereto. Nothing in said definitions shall operate against an owner having greater space than herein defined, provided that where the garage exceeds the area mentiond, the construction of the garage shall be fireproof as defined under the ordinance for class "A" and "B" construction.

(e) Any other building, structure or part thereof, wherein one or more automobiles are kept or stored, except those establishments which are specifically regulated by any other ordinance, shall be deemed to be a "private garage."

Application for Permit.

Section 2. (a) It shall be unlawful for any person, firm or corporation to establish, conduct, maintain or operate a public or commercial garage without first obtaining a permit therefor from the Board of Supervisors of the City and County of San Francisco. Every such permit shall contain the name of the person, firm or corporation to whom the same is issued and the location of the premises upon which such public or commercial garage is to be located.

(b) Every application for a permit to establish, conduct, maintain or operate a public or commercial garage shall, before action is taken thereon by the Board of Supervisors, be referred to the Fire Marshal

and the Board of Public Works for investigation and report. No such permit shall be granted unless applicant agrees to comply in all respects with the requirements of this ordinance; provided, further, that in the event any person, firm or corporation engaged in the business of a public or commercial garage in a building which in any manner does not conform to the provisions of this ordinance, shall vacate the premises, or discontinue such business, then, and in that event, it shall be unlawful for any person, firm or corporation to subsequently establish, conduct, maintain, or operate the said premises as a public or commercial garage, unless such premises shall be made to comply with all the requirements of this ordinance.

(c) When application is made to the Board of Supervisors by any person, firm or corporation to establish, conduct, maintain or operate a public or commercial garage, said applicant shall cause to be posted conspicuously on the premises intended to be occupied by the public or commercial garage a notice to the effect that application has been made to the Board of Supervisors for such permit. Said notice to be conspicuously posted within twenty-four (24) hours after the filing of the application and shall be kept posted for a period of not less than seven (7) days. It shall be the duty of the applicant to see or keep said sign conspicuously posted for the said period of seven (7) days.

(d) A permit to establish, conduct, maintain or operate a public or commercial garage is not transferable without the consent of the Board of Supervisors.

(e) No permit shall be granted to conduct, operate or maintain any public or commercial garage within the boundaries of two hundred (200) feet of any school, church, theatre, or hospital; said measurement to be taken from the front entrance of said garage to the front entrance of said school, church, theatre or hospital; nor shall any permit be issued to hereafter construct, erect, maintain or operate a public or commercial garage within fifty (50) feet of the property line of any school, church, theatre or hospital building.

Construction.

Section 3. (a) Every building, structure or part thereof hereafter erected, altered or changed so as to be occupied, conducted, maintained or operated as a public or commercial garage shall be of class "A", "B" or "C" construction (as defined in the Building Law of the City and County of San Francisco), provided said building or structure is not more than one (1) story in height, and if more than one story in height, it shall be of either class "A" or "B" construction. The roof of such class "C" building or structure shall be of metal supported on steel or timer trusses. The floors of all garages shall be concrete construction or steel frame with concrete construction.

(b) A public or commercial garage shall not be maintained in any building that is occupied in any part for any other purpose than that necessary for the operation of a public or commercial garage, unless said building is of class "A" or "B" construction throughout. The portion occupied as a public or commercial garage shall have no entrance, exit, or other opening of any kind whatsoever into other portions of the building not so occupied, unless said opening or openings are located as required by the Board of Public Works. Such openings shall be protected with a full Underwriter's Automatic Fire Door on inclined tracks with fusible links, or an approved Underwriter's Automatic Rolling Steel Shutter, fusible links, on both sides of the opening in the wall. Any screen door required in the opening shall be equal to a full kalamein or hollow metal construction. Walls separating such portion occupied as a public or commercial garage and the remainder of the building shall be of brick, stone, or reinforced concrete. The floors which constitute the ceilings of such garage shall be of reinforced concrete slabs, not less than four (4) inches thick, supported by concrete fireproofed carrying units of the frame. These slabs shall be not less than six (6) inches thick, where they constitute the floor of the public assembly room and the ceiling of the garage. All such

slabs shall be reinformed so as to develop their full strength to resist upward pressures, and the ceilings of all garages under places of public assembly shall be equipped with an automatic sprinkler system as provided in all ordinances of the City and County of San Francisco in reference thereto.

(c) Every space in a building hereafter erected in which automobiles or other motor vehicles are placed or stored shall be provided with ventilation as follows:

When the total space on any floor to be used for such purposes is 4000 square feet or less, such space shall be provided with ventilation outlets in the walls thereof.

The total areas of such ventilating outlets shall be as follows:

For a space of 1000 square feet or less, 200 square inches. For each additional space of 200 square feet over 1000 square feet this area shall be increased 50 square inches until the total area becomes 525 square inches, which shall be the maximum required for a space of not more than 4000 square feet.

The top of the ventilating outlets shall be not more than 18 inches above the floor. Such outlets shall be protected with galvanized wire rods not less than ⅜ inch in diameter so as to provide opening of ½-inch mesh.

Protections of ornamental design may be used provided they are galvanized and have a strength equal to that of the rods. All protections shall be firmly anchored in or secured to their supports. All ventilating outlets shall lead directly to a free and unobstructed circulation of air; but shall not lead into inner courts.

All natural ventilating outlets shall be arranged so that there will be at least one outlet in each of two opposite walls of said garage and not less than one-half of the total area of outlets required shall be provided in each of such walls. The free circulation of air between ventilating outlets shall be maintained.

When such space has a floor area of over 4000 square feet a mechanical exhaust ventilation system shall be provided. This system shall consist of power driven exhaust fan or fans of the positive centrifugal type and shall have sufficient capacity to exhaust a quantity of air equal to not less than six times the cubic contents of such space each hour. This mechanical exhaust shall be drawn from a point not more than 18 inches above the floor line and shall be evenly distributed over the entire area in which automobiles are stored. The fan discharge shall be taken to a point above the roof of the building or to the outer air at a point not less than 20 feet from any window in the building or any adjoining building.

(d) An automobile repair shop, tire vulcanizing shop, battery shop and automobile painting shop, may be maintained in a public or commercial garage provided they are separated from the automobile storage section of the public or commercial garage by partitions of concrete, brick or terra cotta title, which shall extend from the floor to the ceiling, or floor to the roof above; provided, however, that no battery shop or automobile painting shop shall be maintained in any public or commercial garage located under a place of public assembly or basement of any building occupied by a public or commercial garage. All openings in said partitions shall be located as directed by the Board of Public Works and the protection to such openings shall consist of an approved Underwriter's Automatic Fire Door on inclined tracks with fusible links or an approved Underwriter's Automatic Rolling Steel Shutter with fusible links, in addition to the temporary protection for opening or closing, which must be constructed of plates and angles, and if glazed, wire glass only shall be used. All such shops shall be conducted, maintained and operated as required by all ordinances governing such establishments.

(e) All private garages with a floor area in excess of four hundred (400) square feet shall be constructed as provided in this ordinance for public or commercial garages, if built independent of any building that is used as living quarters.

Storage of Gasoline.

Section 4. Whenever the word "approved" shall hereafter appear in this ordinance, it shall mean approved by the Fire Marshal.

(a) Permission must be received from the Fire Marshal before storing or keeping gasoline in or for any public or commercial garage, but in no event shall the quantity exceed the maximum prescribed in this section.

(b) Not more than one approved five (5) gallon can of gasoline and approved portable filling tanks containing not more than fifty (50) gallons of gasoline each may be stored or kept inside of any public or commercial garage, except such gasoline which is contained in the reservoir of automobiles stored therein. Not more than one (1) approved portable filing tank shall be allowed on any one floor of a public or commercial garage.

(c) Additional gasoline may be stored or kept for a public or commercial garage in approved tanks, outside the walls of the building and buried underground. Not more than four (4) such tanks containing not more than five hundred (500) gallons of gasoline each, making two thousand (2000) gallons in the aggregate, shall be allowed to be stored or kept for any one public or commercial garage. All such tanks shall be constructed of galvanized steel at least number twelve (12) gauge in thickness, or iron not less than three-sixteenths (3/16) of an inch in thickness. All tanks shall be coated on the outside with tar, asphaltum or other suitable rust-resisting compound.

(d) A permit shall be required from the Fire Marshal to store or keep gasoline in excess of five (5) gallons in or for any private garage. The Fire Marshal shall determine the amount of gasoline, if any, that may be stored, but in no event shall the quantity exceed the maximum allowed for a public or commercial garage. Said gasoline shall be stored or kept as required for a public or commercial garage.

Tanks, Pipes and Pumps.

Section 5. All underground gasoline storage tanks, pipes and appurtenances used in connection with a public, commercial or private garage shall be installed as follows, unless otherwise required by the Fire Marshal:

(a) All underground tanks shall be placed outside the building, under the sidewalk, close to the curb line.

(b) The top of each such tank shall be at least four feet below the sidewalk and the space between the top of the tank and sidewak shall be filled with earth.

(c) No such tank shall be connected with another so that gasoline can flow or be pumped from one underground tank to another.

(d) All such tanks shall set on a firm foundation and, where water is encountered, tanks shall be enclosed in an approved watertight reinforced concrete vault.

(e) Where two or more tanks are installed, there shall be an approved brick or concrete dividing wall between each tank not less than twelve (12) inches in thickness or three (3) feet of earth.

(f) Each tank shall have a separate filling pipe extending up to the sidewalk or grade, capped with a screw cap, which must be screwed up tight at all times except when filling, and shall be covered with a metal plate flush with the sidewalk or grade.

(g) Each such tank shall have a separate one (1) inch vent pipe extending out of the top of the tank to a height of not less than twelve (12) feet and capped with a double return bend equipped with a non-corrodible wire screen of thirty (30) mesh. The lower end of vent pipe shall not extend through the top into the tank for a distance of more than one (1) inch. Vent pipe shall be on the outside of the building and terminate not less than three (3) feet, measured horizontally and vertically, from any window or other building opening.

(h) Each such tank shall have at least one suction pipe. Two or more tanks may be connected with one pump, provided the suction pipes siamese at the pump with valves to close each suction pipe.

(i) All pipes shall lead out of the extreme top of each tank; and shall be at least twelve (12) inches underground or enclosed in concrete. Said pipes shall have a fall toward the tank.

(j) All pipes and fittings shall be standard, full weight galvanized iron, or equivalent, and shall be put together with litharage and glycerine.

(k) Tanks and pipes shall not be covered until an inspection has been made by the Fire Marshal and permission so to do has been granted by said officer. The Fire Marshal shall be notified when the work is ready for inspection.

(l) Gasoline shall be taken from such tanks only by means of an approved pump, which shall be installed in an approved location, not below the first floor. No gravity, siphon or pressure system shall be used for taking gasoline from any tank.

(m) The Fire Marshal shall have the right at any time to take, or demand to be taken, a test for leaks on any tank, pipes or appurtenances, and, if found to be defective, shall demand that they be repaired or replaced.

Safety Regulations.

Section 6. The following safety regulations shall govern the operation and maintenance of public, commercial and private garages.

(a) Each underground tank shall be filled with gasoline only through pipe or hose connected to a tank truck, leading through continuous metal fittings or connections, properly grounded to and into the filling pipe of such underground tank.

(b) The reservoir of an automobile shall be filled with gasoline only through an approved hose connected to a pump on a portable filling tank or underground tank.

(c) Wherever possible, portable filling tanks shall always be kept near the entrance of garage when not in use.

(d) No gasoline shall be allowed to be kept or conveyed in open receptacles inside a garage.

(e) No smoking shall be allowed inside of any garage and notices to that effect shall be conspicuously posted as required by the Fire Marshal.

(f) All inflammable waste and rubbish shall be kept at all times in metal receptacles fitted with a tight cover until removed from the premises.

(g) Sawdust shall not be kept and sawdust or other flammable material shall not be used for the purpose of absorbing oil, grease or gasoline. Oil and grease shall not be allowed to accumulate on the floor of any garage. Gasoline shall not be used for cleaning the engine of any automobile.

(h) All lights on an automobile shall be extinguished before filling reservoir with gasoline and the engine of said automobile shall not be in motion.

(i) No gasoline, grease, oil or flammable liquids of any kind shall be allowed to flow or be placed into the drainage system.

(j) No tank truck, empty or otherwise, used for the transportation of flammable liquids shall be admitted inside any garage, unless the garage is used exclusively for the keeping of such vehicles.

(k) The heating of any garage shall be accomplished only by an approved steam or hot water system.

(l) Gasoline shall not be kept or stored below the first floor of any garage, except that which is contained in the reservoirs of automobiles stored therein.

(m) No system of artificial lighting other than incandescent electric lamps shall be installed. All portable lights shall be equipped with keyless sockets and lamp guards. All electric switches, sockets and plugs shall be at least four feet above the floor. All electric wiring shall be installed as required by the Department of Electricity.

(n) All electric motors or devices capable of emitting an exposed spark shall be located at least four feet above the floor.

(o) All lockers shall be constructed entirely of incombustible material and no gasoline, oils or other flammable liquid shall be kept therein.

(p) At least one (1) approved fire extinguisher containing not less than two and one-half (2½) gallons of chemical, if of the soda and acid or foam type, or not less than one quart if of the carbon tetra-chloride type, shall be provided for every one thousand (1000) square feet of floor area or fraction thereof, which shall be installed and located as required by the Fire Marshal. Not more than one-half of the total number of such fire extinguishers may be of the carbon tetra-chloride type. All extinguishers of the carbon tetra-chloride type must be kept filled with the proper fluid at all times. All extinguishers of the soda and acid or foam type must be properly recharged not less than once each year and date of such recharging shown on tag attached thereto. Near each such fire extinguisher there shall be maintained an approved bucket of clean dry sand. In addition to the buckets of sand, every public and commercial garage shall maintain on each floor, an approved barrel of clean dry sand. All of the above containers of sand shall have painted thereon in an approved manner, the words: "Sand—For Fire Use."

(q) No stove, forge, torch, furnace, heating apparatus, flame, fire or other apparatus, device or equipment which the Fire Marshal shall deem to be hazardous, shall be maintained or kept unless approved by the Fire Marshal.

(r) All automobiles shall be spaced in an approved manner so as to allow members of the Fire Department or other persons to easily reach any automobile or any part of the premises in case of fire.

(s) No portion of any garage shall be used for the storage or keeping of goods, merchandise or any flammable material, except the necessary automobile parts, accessories and supplies.

(t) All waste oil shall be kept in an approved tank located outside the walls of the building, under the sidewalk and close to the curb line. Such tank shall be equipped with approved suction, filling and vent pipes. No such waste oil shall be kept in cans or drums above ground.

Duties of the Fire Marshal.

Section 7. (a) It shall be the duty of the Fire Marshal of the City and County of San Francisco to see that the provisions of this ordinance are complied with, except the supervision of building construction and alteration, and for that purpose shall have access at all times to any and all public, commercial and private garages.

(b) In the event that any person, firm or corporation to whom a permit has been granted by the Board of Supervisors to establish, conduct, maintain or operate a public or commercial garage shall violate, cause or permit to be violated any of the provisions of this ordinance (which are for the public safety), it shall be the duty of the Fire Marshal to notify said person, firm or corporation in writing to appear before the Board of Supervisors of the City and County of San Francisco within five (5) days after the service of said notice to then and there show cause why the permit which has been granted to establish, conduct, maintain or operate a public or commercial garage shall not be revoked.

(c) If the said person, firm or corporation on whom said notice was served by the Fire Marshal to appear before the Board of Supervisors fails or refuses to appear before the said Board of Supervisors it shall be the duty of the said Board of Supervisors to notify in writing said person, firm or corporation to whom a permit has been issued that said permit, through failure or neglect to appear before the Board of Supervisors, is revoked. Said person, firm or corporation on whom notice was served by the Fire Marshal and who failed, refused or neglected to appear before said Board of Supervisors, is hereafter liable to the penalty imposed by this ordinance, if said person, firm or corporation shall continue to conduct, maintain or

operate such public or commercial garage after being notified in writing that the permit issued by the Board of Supervisors has been revoked.

(d) The Fire Marshal shall have the right to revoke any permit that has been issued for the storage of gasoline for violation of any of the provisions of this ordinance.

Penalty.

Section 8. When any person, firm or corporation violates or refuses to comply with any of the provisions of this ordinance (which are for the public safety) said person, firm or corporation shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a fine not exceeding five hundred ($500) dollars, or by imprisonment in the County Jail for not more than six months, or by both such fine and imprisonment. Each such person, firm or corporation shall be deemed guilty of a separate offense for each day such violation shall continue and shall be subject to the penalty imposed by this ordinance for each and every such separate offense.

Section 9. Ordinance No. 746 (New Series) and all ordinances or parts of ordinances in so far as they conflict with this ordinance are hereby repealed.

Section 10. This ordinance shall take effect immediately.

Action Deferred.

Report of Finance Committee on Naming Fiscal Agent in New York.

Your Finance Committee, to which was referred ordinance (herewith set forth in full) designating the Bank of America of New York as the fiscal agent of the City and County of San Francisco in the State of New York, refers same back to the Board, without recommendation, for action by the Board.

Bill No. ————, Ordinance No. ———— (New Series), as follows:

Designating "The Bank of America" of New York as the fiscal agent of the City and County of San Francisco, in the State of New York, for the purpose of providing payment in the City of New York of coupons, for the redemption of bonds of the City and County of San Francisco, and providing for interest on funds on deposit with fiscal agent.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. The Bank of America of New York, having its principal place of business at 44 Wall street, New York City, State of New York, from and after the date of the passage of this ordinance is hereby designated as the fiscal agent for the City and County of San Francisco in the City of New York.

Section 2. The Treasurer of the City and County of San Francisco shall hereafter deposit with The Bank of America of New York, at least thirty (30) days previous to the periods of payment of interest and principal, a sum sufficient to meet the outstanding obligations of the City and County of San Francisco which shall become due in the said City of New York on the first day of the following month.

Section 3. The said The Bank of America of New York shall act as fiscal agent for the City and County of San Francisco without any expense or charge whatsoever to the said City and County of San Francisco, provided, however, that if a bond should be exacted by the Treasurer of the City and County of San Francisco upon making any deposit with The Bank of America of New York, the premium on said bond shall be paid by the City and County of San Francisco.

Section 4. The designation and appointment of The Bank of America of New York as the fiscal agent of the City and County of San Francisco is made, provided the said fiscal agent shall pay into the Treas-

ury of the City and County of San Francisco, monthly, at the rate of two per cent (2 per cent) per annum on all daily balances of funds deposited with the said fiscal agent.

Section 5. This ordinance shall take effect immediately.

MAYOR'S VETO.

Automobile Parking Station, McAllister Street, East of Hyde.

The following matter was taken up:

June 14, 1929.

Honorable Board of Supervisors, City and County of San Francisco, City Hall, San Francisco, California—

Gentlemen: I am returning you herewith, without my approval, Resolution No. 30947 (New Series), by reason of protests from various individuals and associations directly concerned who have been very active in sending objections to my office against the granting of this permit to maintain and operate an automobile parking station on the north side of McAllister street, 35 feet east of Hyde street; and for the further reason that there is to be erected in the near future across the street from said proposed parking station a Federal office building, and I do not think we should jeopardize any objections which might be raised by Federal authorities that the parking station, if permitted to go there, was not there when the property was tendered to the Government for the Federal building thereon.

Permit me to call your attention to the fact that on April 11, 1928, I returned to you a similar resolution, then numbered 28762 (New Series), granting a parking station upon said premises, and the same objection exists today as existed then, and I see no need of disturbing a peaceful neighborhood by the injection therein of a parking station which was disapproved of over a year ago.

Very respectfully yours,

JAMES ROLPH, JR., Mayor.

(Encl. returning Resolution No. 30947, New Series.)

June 17, 1929—*Over one week.*

June 24, 1929—*Over one week.*

July 1, 1929—*Over one week.*

Resolution No. 30947 (New Series):

Resolved, That Mark M. Willever and D. H. Brasfield be and are hereby granted permission, revocable at will of the Board of Supervisors, to maintain and operate an automobile parking station on the north side of McAllister street, 35 feet east of Hyde street.

The rights granted under this resolution shall be exercised within six months, otherwise said permit shall become null and void.

May 20, 1929—*Over one week.*

Question: Shall the resolution pass notwithstanding the objections of his Honor the Mayor?

Communication.

The following was presented by Supervisor McSheehy and read by the Clerk:

July 5, 1929.

Hon. James B. McSheehy, Member of the Board of Supervisors, City Hall, San Francisco.

Dear Mr. McSheehy: May I request your calling attention to the Board of Supervisors of a mistake that I feel his Honor the Mayor made in vetoing Resolution No. 30947 (New Series) for the reason that a federal building would be erected across the street from the lot that I am asking a permit for? I have a lease for but one year on this lot, and from that term on I will be under a monthly rental.

This parking station would be a great convenience to the President and Pantages theatres. I also call your attention to the fact that a number of fraternal halls are located on Golden Gate avenue immediately adjacent to the rear of the parking station. I am sure that if

your Board should examine this location it would see the great necessity of it and what a convenience it would mean to the motoring public. The permit we are asking for is a revocable one, and I can assure you that we will enter no protests of any kind in case the City requests us to vacate this parking station with the usual thirty days' notice.

Rumors have been spread that we contemplated renting this station to others. This is entirely erroneous. We will run the station ourselves. If we are not asking too much, may we ask your help and vote in overriding the mistake made by his Honor the Mayor?

Respectfully,
MARK M. WILLEVER.
D. H. BRASFIELD.

City Attorney to Procure Withdrawal of Resignation of John J. Dailey, Special Counsel.

Supervisor Havenner presented:

Resolution No. ———— (New Series), as follows:

Whereas, the City Attorney did, under date of July 1, 1929, officially advise this Board of the decisions of the Railroad Commission in the two valuation proceedings affecting the properties of the Pacific Gas and Electric Company and the Great Western Power Company of California, which decisions were rendered subsequent to the time John J. Dailey tendered his resignation as Special Counsel in said cases; and

Whereas, the City Attorney did, in said communication, recommend to this Board that he be authorized to secure the withdrawal of said resignation and continue the employment of said John J. Dailey as Special Counsel in said cases; therefore be it

Resolved, That the City Attorney be and he is hereby authorized and directed to procure the withdrawal of the resignation of said John J. Dailey as Special Counsel for the City in said two valuation pro-

ceedings and to continue his employment as such Special Counsel from month to month during the pendency of said cases or until the further order of this Board in the premises, upon the same basis of compensation he has heretofore received as such Special Counsel, and his compensation as such Special Counsel is hereby directed to be paid from the General Fund.

Referred to the Public Utilities and Finance Committees jointly.

ADJOURNMENT.

There being no further business, the Board at 6 p. m. adjourned.

J. S. DUNNIGAN, Clerk.

Approved by the Board of Supervisors July 29, 1929.

163a. California Tax Appraisal Bureau, 110 applicants, represented by Mr. Politzer, attorney

California Tax Appraisement Bureau.

The following gentlemen appeared pursuant to subpoenas issued by the Clerk on motion of Supervisor Marks, made at last meeting:

H. A. Mason was duly sworn and testified as to his relations with the California Tax Appraisement Bureau and the applications filed in the name of 110 property owners for reduction of assessments.

H. Devereaux, building appraiser for the California Tax Appraisement Bureau, was also duly sworn and testified as to his connections with the bureau.

C. L. Mattfeldt, land appraiser for the California Tax Appraisement Bureau, was also duly sworn and testified as to his connections with the California Tax Appraisement Bureau and the methods employed in arriving at values.

Jerome Politzer, attorney representing the applicants for reductions filed by the California Tax Appraisement Bureau, was also heard. He offered a typewritten document in evidence, containing, he said, all the information and material and figures in support of the applications filed July 8, 1929, and July 11, 1929, and asked that it be stipulated that such evidence be accepted in lieu of oral presentation of his case for reduction of assessment.

Motion.

Supervisor Andriano moved to continue matter until next meeting. In the meantime the offer made by Mr. Politzer was referred to the City Attorney as to the proper action for this Board to take in the matted.

So ordered.

H. J. Boyd, special deputy in the Assessor's office, was duly sworn and was interrogated by Supervisor McSheehy as to his qualifications and as to the manner in which he checked the Stafford appraisal; also as to circular distributed over the name of H. J. Boyd and entitled "The McSheehy Appraisal" at the last election.

RECESS.

Whereupon, on motion of Supervisor Andriano, the Board of Equalization took a recess until Monday, July 15, 1929, at 10 a. m.

J. S. DUNNIGAN, Clerk.

Report of Finance Committee on Naming Fiscal Agent in N. Y.

Your Finance Committee, to which was referred Ordinance (herewith set forth in full) designating the Bank of America of New York as the fiscal agent of the City and County of San Francisco in the State of New York, refers same back to the Board, without recommendation, for action by the Board.

Bill No. ————, Ordinance No. ———— (New Series), as follows:

Designating "The Bank of America" of New York as the fiscal agent of the City and County of San Francisco, in the State of New York, for the purpose of providing payment in the City of New York of coupons, for the redemption of bonds of the City and County of San Francisco, and providing for interest on funds on deposit with fiscal agent.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. The Bank of America of New York, having its principal place of business at 44 Wall street, New York City, State of New York, from and after the date of the passage of this ordinance is hereby designated as the fiscal agent for the City and County of San Francisco in the City of New York.

Section 2. The Treasurer of the City and County of San Francisco shall hereafter deposit with The Bank of America of New York, at least thirty (30) days previous to the periods of payment of interest and principal, a sum sufficient to meet the outstanding obligations of the City and County of San Francisco which shall become due in the said City of New York on the first day of the following month.

Section 3. The said The Bank of America of New York shall act as fiscal agent for the City and County of San Francisco without any expense or charge whatsoever to the said City and County of San Francisco, provided, however, that if a bond should be exacted by the Treasurer of the City and County of San Francisco upon making any deposit with The Bank of America of New York, the premium on said bond shall be paid by the City and County of San Francisco.

Section 4. The designation and appointment of The Bank of America of New York as the fiscal agent of the City and County of San Francisco is made, provided the said fiscal agent shall pay into the Treasury of the City and County of San Francisco, monthly, at the rate of two per cent (2 per cent) per annum on all daily balances of funds deposited with the said fiscal agent.

Section 5. This ordinance shall take effect immediately.

SPECIAL ORDER—2:30 P. M.

Consideration of report of Health Committee relative to gathering garbage from hotels and restaurants for hog feed.

Privilege of the Floor.

Dion Holm, Assistant City Attorney, advised, in accordance with the request of the Health Committee, that the City may take over the wet garbage and dispose of it. He cited a decision of the United States Supreme Court (No. 199) in support of this opinion.

John J. Eppinger, representing the San Francisco Restaurant Men's Association and the Northern California Hotel Men's Association, was heard on behalf of the restaurant men and the hotel men.

Chauncey Tramutolo, attorney, was heard in behalf of the hog raisers' organization.

Action Deferred.

Whereupon, on motion of Supervisor Toner, the subject matter was continued until next Monday, Special Order at 2:30 p. m., the City Attorney to bring in proper legislation at that time.

PRESENTATION OF PROPOSALS.

Endorsing Application of Great Northern Railway Company and Western Pacific Railroad Company to Connect Systems.

Resolution No. ———— (New Series), as follows:

Whereas, the Great Northern Railway Company and the Western Pacific Railroad Company desire to connect their two systems by constructing a railroad from Klamath Falls, Oregon, to Keddie, California, a distance of two hundred miles, and have made application to the Interstate Commerce Commission for permission so to do as in the public interest; and

Whereas, the building of such connection will give the Great Northern an entrance into this State and to this City and give to the State and to the City the transportation facilities and services of anoher transcontinental system and in particular will establish a second and independent line between this State and the northwestern part of the United States and Canada; and

Whereas, it is to the interest of the State that it be connected closely and by independent lines with all parts of the United States, and there is at the present time but one line connecting the State with the states to the north and with Canada; and

Whereas, it is directly and immediately to the interest of this City that it be connected closely and by independent lines with all parts of the United States;

Resolved, That in the judgment of this Board the public interest requires that the Great Northern Railway Company and the Western Pacific Railroad Company be granted the right to connect their railroad systems as they are seeking permission to do and that the City and County Attorney be and he is hereby authorized and instructed to intervene in the matter of said application to the Interstate Commerce Commission on behalf of the City to favor the granting of such application and to take such steps as he may deem advisable in that behalf.

Extension of Thirty Days' Time to J. P. Holland to Complete the Improvement of Laguna Honda Boulevard.

On recommendation of Streets Committee.

Resolution No. 31136 (New Series), as follows:

Resolved, That J. P. Holland is hereby granted an extension of thirty days' time from and after June 8, 1929, within which to complete the improvement of Laguna Honda boulevard between Lawton and Plaza streets, under public contract.

This extension of time is granted upon the recommendation of the Board of Public Works for the reason that the contractor has been delayed by bad footing conditions at south end of job.

Intention to Change Grades on Donner Avenue and Egbert Avenue.

Also, Resolution No. 31138 (New Series), as follows:

Resolved, That it is the intention of the Board of Supervisors to change and establish grades on the following named streets, at the points hereinafter specified and at the elevations above city base, as herein-

after stated, in accordance with Resolution No. 106828 (Second Series) of the Board of Public Works adopted June 17, 1929, and written recommendation of said Board filed June 19, 1929, to-wit:

Donner Avenue.

On a line at right angles to the southwesterly line of, 260.04 feet southeasterly from Phelps street, 37.25 feet.

Phelps street, southeasterly line, 40 feet. (The same being the present official grade.)

Egbert Avenue.

On a line at right angles to the southwsterly line of, 362.85 feet southeasterly from Phelps street, 38.50 feet.

200 feet southeasterly from Phelps street, 40.41 feet.

150 feet southeasterly from Phelps street, 41.27 feet.

100 feet southeasterly from Phelps street, 42.66 feet.

(Vertical curve passing through the last three described points.)

Phelps street, southeasterly line, 46 feet. (The same being the present official grade.)

On Donner avenue between Phelps street and a line at right angles to the southwesterly line of, 260.04 feet southeasterly from Phelps street, and on Egbert avenue between Phelps street and a line at right angles to the southwesterly line of, 362.85 feet southeasterly from Phelps street, be established to conform to true gradients between the grade elevations above given therefor.

The Board of Supervisors hereby declares that no assesment district is necessary, as no damage will result from said change of grades, inasmuch as the streets are ungraded and there are no existing street improvements.

The Board of Public Works is hereby directed to cause to be conspicuously posted along the street or streets upon which such change or modification of grade or grades is contemplated notice of the passage of this Resolution of Intention.

Extension of Sixty Days' Time to Complete the Improvement of Bay Shore Boulevard, Section "A," Contract 6, From Silver Avenue to Potrero Avenue.

Also, Resolution No. 31139 (New Series), as follows:

Resolved, That Louis J. Cohn is hereby granted an extension of sixty days' time from and after June 15, 1929, within which to complete the improvement of Bay Shore boulevard, Section "A," Contract 6, from Potrero avenue to Silver avenue, under public contract.

This extension of time is granted upon the recommendation of the Board of Public Works for the reason that the work on this contract has been delayed by the installation of mains, etc., and the moving of tracks by the public service companies. The contract is now approximately 75 per cent completed.

Gasoline Bid—Year 1929.

Dear Sir: In connection with the bid for gasoline submitted by our company, which was opened recently, and in which we quoted a flat price per gallon, please be advised that should our net wholesale tank wagon price at any time be less than the price per gallon on the bid submitted we will advance to the City and County of San Francisco the net wholesale tank wagon price.

For instance, if at any time during the life of the contract, should we be awarded same, our net wholesale tank wagon price in San Francisco were to be 12c per gallon, the price to the City and County of San Francisco would be 12c per gallon.

This is to clear your mind on the action of price should a decline in market come.

Yours very truly,

N. M. JONES,
Assistant District Manager.

Action: Minutes of meeting of Supplies Committee May 2, 1929, "Award to Texas Company at $.13 per gallon, as per letter of April 30, 1929, buyer to get benefit of reduction in price during the term of contract, said letter to be made part of the award, embodied in the resolution of award.

3. From General Petroleum Corporation of California:

April 27, 1929.

Mr. Leonard S. Leavy, Purchaser of Supplies, 270 City Hall, San Francisco, California.

Dear Sir: In so far as the bid on light fuel oil, item No. 508, is concerned we hereby change our bid from a barrel to a gallonage basis, as follows: Instead of 96c per barrel the bid will be amended to read $.0228 per gallon.

Yours very truly,

GENERAL PETROLEUM CORPORATION OF CALIFORNIA,
GEORGE A. HENRYE,
Division Manager.

Action: Minutes of meeting of May 2, 1929. Award to General Petroleum Corporation as per explanation in letter of April 27, 1929, evidencing $.0228 per gallon.

Note: All above awards are made to the lowest bidder except when award is made in consideration of deliveries or on account of the quality as determined by such tests as required or recommended by the Purchaser of Supplies.

Resolved, That all other bids submitted thereon be rejected.

ROLL CALL FOR THE INTRODUCTION OF RESOLUTIONS, BILLS AND MOTIONS NOT CONSIDERED OR REPORTED UPON BY A COMMITTEE.

Leave of Absence, Hans Leschke, Director Municipal Chorus.

The following was read by the Clerk and *approved* by the Board:

July 15, 1929.

Board of Supervisors, City Hall, San Francisco.

Gentlemen: The undersigned respectfully requests permission to take his customary annual vacation, beginning on Monday, July 22, to and including Monday, August 5. During this period the Municipal Chorus will not be in rehearsal, and at its close, intensive rehearsals for the summer symphony concert, to be conducted by me on September 3, will begin.

Trusting that the above arrangement will meet with your approval, I remain

Respectfully yours,
HANS LESCHKE,
Director Municipal Chorus.

Relative to Alleged Employment of Assistant City Attorney John J. Dailey by the Pacific Gas and Electric Company.

The following was read by the Clerk:

July 15, 1929.

Honorable Board of Supervisors, City Hall, San Francisco, California.

Gentlemen: I was very much surprised to hear of certain statements made at the session of this Board on Monday, July 8th, relative to certain alleged rumors that I had arranged to enter the employ of the Pacific Gas and Electric Company. It is inconceivable that a lawyer's reputation for professional integrity and honesty could be bandied about so carelessly. After the distinct victory won by the City in the two big valuation cases recently decided by the Railroad Commission, won against the best legal and engineering talent that great corporations could employ, I cannot help being somewhat amazed at the careless and unfounded statement made at the Board session.

Permit me to say that the Pacific Gas and Electric Company never at any time, either directly or indirectly, offered to employ me in any capacity, or made any suggestion relative to such employment, either in the past, the present or the future. The purported rumor is wholly without foundation.

Respectfully yours,
JOHN J. DAILEY.

Privilege of the Floor.

John J. Dailey was granted the privilege of the floor and was heard relative to the foregoing matter.

Motion.

Supervisor Marks moved that the employment of John J. Dailey, as per request of the City Attorney, be continued as of July 1, 1929.

Motion *carried*.

Leave of Absence, Hon. James Rolph, Jr., Mayor.

The following was read by the Clerk:

San Francisco, Cal., July 15, 1929.

Honorable Board of Supervisors, City and County of San Francisco, City Hall, San Francisco, California.

Gentlemen: I have been trying to find time to make an inspection of Hetch Hetchy, but so many public matters have interfered lately that I have been unable to do so. In making this trip I would like to return by way of Tioga road, a route which I have never traveled. I am told it will necessitate my passing through some portion of Nevada, requiring a few hours' time. In order that I may not violate the pro-

visions of the Charter, I respectfully request that you give me permission to leave the State for this purpose should I find it convenient to make this inspection trip while you are not in session.

Very respectfully,
JAMES ROLPH, JR., Mayor.

Whereupon, the following resolution was *adopted* by the following vote:

Resolution No. 31147 (New Series), as follows:

Resolved, That his Honor Mayor James Rolph, Jr., be and he is hereby granted a leave of absence, with permission to leave the State, in accordance with his communication dated July 15, 1929.

Further Resolved, That, during the absence of his Honor the Mayor, Supervisor Franck R. Havenner be and is hereby appointed Acting Mayor.

Ayes—Supervisors Andriano, Colman, Deasy, Havenner, McGovern, McSheehy, Marks, Powers, Roncovieri, Schmidt, Stanton, Suhr, Toner —13.

Absent—Supervisors Gallagher, Hayden, Kent, Shannon, Todd—5.

Salinas Rodeo.

The following was read by the Clerk:

Communication, from Hon. Mayor Rolph, transmitting invitation from D. A. Madeira, Mayor of Salinas, to the Mayor and Board of Supervisors of San Francisco to be guests of Salinas at the annual California Rodeo, to be held July 17-21, 1929.

Referred to Public Welfare Committee.

Bid of Enterprise Brewing Company for Spur Track Property.

The following was presented:

Communication, from Hon. Mayor Rolph, transmitting check in sum of $251.70, being 10 per cent of $2,517, the sum bid in private sale by the Enterprise Brewing Company for city property at Eighteenth and Treat avenue, purchased for spur track purposes, declaring that the bid is more than 90 per cent of the appraised value, and requesting its acceptance.

Referred to the Finance and Public Buildings Committee.

Motion.

Supervisor Suhr moved that the Clerk prepare the necessary bill of acceptance.

So ordered.

Leave of Absence, Police Judge Golden.

The following was presented and read by the Clerk:

San Francisco, Cal., July 12, 1929.

Honorable Board of Supervisors of the City and County of San Francisco, City Hall, San Francisco, California.

Gentlemen: Application has been made to me by the Hon. Joseph M. Golden, Judge of the Police Court of the City and County of San Francisco, for leave of absence, with permission to leave the State, for a period beginning August 1, 1929, and ending September 5, 1929. I hereby request that you concur with me in granting said leave of absence.

Yours very truly,
JAMES ROLPH, JR., Mayor.

July 11, 1929.

To the Honorable the Mayor and the Board of Supervisors, City Hall, San Francisco.

Gentlemen: Under the provisions of Section 3, Article XVI of the Charter of the City and County of San Francisco, no officer of the City and County, except members of the Police Department acting under orders of the Chief thereof, shall absent himself from the State without having first obtained permission so to do by the Mayor and the

Board of Supervisors. I therefore repectfully request that such permission be granted to me for the period beginning August 1, 1929, and ending September 5, 1929. This is the vacation period which has been allotted to me.

Assuring you of my appreciation for your courtesy in this matter, I am

Very truly yours,

JOSEPH M. GOLDEN,

Judge of the Police Court.

Whereupon, the following resolution was presented and *adopted*:

Resolution No. 31148 (New Series), as follows:

Resolved, That, in accordance with the recommendation of his Honor the Mayor, Hon. Joseph M. Golden, Judge of the Police Court, is hereby granted a leave of absence for a period beginning August 1, 1929, and ending September 5, 1929, with permission to leave the State.

Absent—Supervisors Gallagher, Hayden, Kent, Shannon, Todd—5.

"Star-Spangled Banner" Endorsed as National Anthem.

Supervisors Schmidt and Stanton presented:

Resolution No. 31149 (New Series), as follows:

Whereas, the "Star-Spangled Banner" is generally known as our national anthem, but has never been officially adopted as such; and

Whereas, the Veterans of Foreign Wars of the United States and other patriotic organizations have inaugurated a campaign in favor of the Congress of the United States adopting the "Star-Spangled Banner" as our national anthem; therefore, be it

Resolved, That the Board of Supervisors of the City and County of San Francisco officially endorses said campaign, and respectfully requests United States Senators Johnson and Shortridge and Representatives Welch and Kahn to give their aid and support to this movement.

Adopted by the following vote:

Ayes—Supervisors Andriano, Colman, Deasy, Havenner, McGovern, McSheehy, Marks, Powers, Roncovieri, Schmidt, Stanton, Toner—12.

Absent—Supervisors Gallagher, Hayden, Kent, Shannon, Suhr, Todd—6.

Contract for Tile for Roosevelt School.

The following was read by the Clerk:

Communication, from Solon & Schemmel, recently awarded contract for decorative tile by Malott & Peterson, contractors for Roosevelt School, which material Chief of Bureau of Architecture declares unacceptable by reason of policy of bureau to purchase in San Francisco or nearest point, declaring such attitude of Bureau of Architecture to be unfair and discriminatory and urging that the ruling be set aside.

On motion of Supervisor Colman, *referred to Public Buildings Committee* to get a statement from the Board of Public Works as to its policy of allowing differential for local firms.

Appeal From Zoning Ruling of City Planning Commission.

Petition of A. G. Shannon and others, appealing in protest from ruling of City Planning Commission relative to its denial of application for rezoning easterly side of Great Highway between Taraval and Ulloa streets from a point 100 feet south of Taraval street to Ulloa street, from second residential to commercial classification.

July 15, 1929—*Presented and read to the Board.*

Protest Against Denial of Zoning Application, O'Farrell and Franklin Streets.

The following was read by the Clerk:

Communication, from J. Rezdicek, appealing in protest from ruling of the City Planning Commission relative to its denial of application for rezoning southwest corner of O'Farrell and Franklin streets, from second residential to commercial zone.

July 15, 1929—*Presented and read to the Board.*

REPORT OF ASSESSOR AND ADVISORY COMMITTEE, BOARD OF EQUALIZATION.

The following report was presented by the Clerk:

San Francisco, California, July 15, 1929.

To the Honorable Board of Supervisors, San Francisco, California.

Gentlemen: Careful consideration has been given to the applications for reductions in assessments of one hundred and ten parcels of property filed with your Board by California Tax and Appraisal Bureau, as agent for the owners of said property.

No evidence has been introduced to show inequality in assessment of any of the property covered by these applications. No comparisons have been made with similar property, similarly situated. In the absence of any showing of inequality it is recommended that the applications be denied.

Respectfully submitted,

RUSSELL L. WOLDEN, Assessor.

The recommendations of the Assessor in the above matter are approved and concurred in by me, serving the Board of Equalization in an advisory capacity.

JOSEPH PHILLIPS, Director.

WEDNESDAY, JULY 17, 1929, 10 A. M.

In Board of Supervisors, San Francisco, Wednesday, July 17, 1929, 10 a. m.

The Board of Supervisors met in special session to receive a report of the War Memorial trustees covering finances and plans for construction of the project.

CALLING THE ROLL.

The roll was called and the following Supervisors were noted present: Supervisors Andriano, Deasy, Hayden, McSheehy, Marks, Powers, Roncovieri, Schmidt, Stanton—9.

Absent—Supervisors Colman, Havenner, Kent, McGovern, Shannon, Suhr, Todd, Toner—8.

Excused—Supervisor Gallagher excused on account of injury.

No quorum.

His Honor Mayor Rolph presiding.

Report of War Memorial Trustees on Construction Plans, Etc., and Financial Status of the Project.

The following was presented and read by the Clerk:

Hon. James Rolph, Jr., Mayor of San Francisco, San Francisco.

Dear Mr. Mayor: The architects have completed and submitted a scheme for the War Memorial buildings. That scheme is acceptable to the Trustees and to the Veterans' organizations.

It provides for an adequate opera house; for the completion of the Veterans' building as demanded by the Veterans' organizations and for the construction of the Memorial Court.

It provides for structures of distinctive dignity and beauty befitting their purpose and environs, conforming to the architectural treatment of the Civic Center and creditable to the City of San Francisco.

The architects submit round figure estimates of cost as follows:

1. Terra Cotta Exterior.....$7,500,000
2. Granite Exterior..... 8,200,000

or, with certain modifications in specifications but adhering to the same general scheme:

1. Terra Cotta Exterior.....$6,600,000
2. Granite Exterior..... 7,250,000

Summary and detail of estimates are enclosed.

While the architects believe these estimates may be relied upon, they point out that vigilance will be required to maintain them because they are figured on narrow margins and *include no contingency allowances.*

The funds available or to be available for the realization of the War Memorial scheme, as disclosed by the accompanying financial statement, are:

Cash	$ 890,664.00
Bonds	4,000,000.00
Total	$4,890,664.00

The cash item represents the remainder of the private subscriptions collected or to be collected after capital expenditures of $301,346.74 for plans, excavations, etc., land purchase (south block) $330,965.80, and $328,287.44 land purchase (north block).

If the present plans are carried out the capital expenditures of $301,346.75 which are included in the estimates of cost, would be added to the funds available or to be available, to make a total of $5,192,010.75.

The total of funds available is, in round figures, $1,400,000 less than the lowest estimate of cost.

When the issuance of $4,000,000 of War Memorial bonds was submitted to the people and ratified, the estimates of costs were based on plans which contemplated the present completion of the opera house and the War Memorial scheme, excepting only the McAllister and Franklin streets facades of the Veterans' building, which were not regarded as immediately essential and which could be completed later as needed. The Veterans' organizations have demanded that these facades be included in the original construction. This inclusion accounts in part for the increase in costs.

From the foregoing it is obvious that further progress is contingent upon either the provision of additional funds or a radical revision of plans.

Respectfully submitted:
FRANK F. KILSBY,
JESSE C. COLMAN,
CHARLES H. KENDRICK.

TELEGRAM.

New York, N. Y., July 12, 1929.

Herbert Fleishhacker, care Anglo & London Paris National Bank, San Francisco, Calif.

Many thanks for your telegram. Believe the Trustees have acted wisely and have adopted a very sound course. Kindest regards.

JOHN S. DRUM.

San Francisco, June 25, 1929.

Mr. Herbert Fleishhacker, Member Board of Trustees, San Francisco War Memorial, San Francisco, California.

Dear Sir:

In answer to your inquiry, the careful estimates made recently at the War Memorial drafting rooms and verified by Mr. Dinwiddie indicate that the War Memorial buildings as at present delineated and specified would cost, in round figures:

1. With Terra Cotta Exterior.....$7,500,000
2. With Granite Exterior..... 8,200,000

With certain modifications in specification as shown on the estimate sheets, but keeping the same approved scheme, another estimate was made showing possible modifications of the totals as follows:

1. Terra Cotta Exterior.....$6,600,000
2. Granite Exterior..... 7,250,000

The above figures include the completion of the Veterans' building as demanded by the Veteran organizations (involving $511,212 more than contemplated on the drawings) and also the construction of the Memorial Court ($250,000 to $300,000).

These figures we believe to be reliable, but it will require vigilance to maintain them as they are figured on narrow margins and include no contingency allowance.

In the case these figures are too high, in view of the available funds, the alternative would seem to be to redraw the plans with a modified program as to requirements both of the Veterans and Opera and with the accommodations strictly limited to the funds allowed.

ARTHUR BROWN, JR.,
G. L. LANSBURGH.

The trustees made their report through Herbert Fleishhacker, acting for the chairman, John S. Drum, who is out of the city. Mr. Fleishhacker made a lengthy statement, covering finances and plans considered. He said:

"There is approximately $5,100,000 on hand to complete the project. Plan No. 3, which is the plan the trustees favor, will cost $1,500,000 more than we have money for. The plan advanced by certain organizations, if adopted, will cost $3,000,000 over the money on hand."

Mayor Rolph suggested a bond issue to make up the difference.

Mr. Fleishhacker said: "It is not advisable to issue more bonds. The project can be started, and, by modifying the size of the buildings, the cost can be kept within the funds on hand. If bonds could be sold it would be different, but the bond market today is not right. The City already has a big problem on hand in disposing of the Spring Valley issue."

Asked what his recommendations were, Mr. Fleishhacker said: "There is no sense in rushing this matter. The first thing should be the naming of the new trustees, and I urge the Mayor to make his announcement as soon as possible. Then the new trustees can consider reducing the cost of the project by modification or changes in the plans, to keep within the funds on hand."

Mr. Fleishhacker's suggestion was endorsed by G. Albert Lansburgh, one of the architects of the War Memorial, and by J. Harold Boyd and H. W. Glensor, of the veterans' organizations.

Herbert Hall, attorney for the regents of the university, who are trustees of the original donated War Memorial funds, likewise urged the naming of the new board, saying that the regents could not turn over the funds until assured that they were going to be used for the purpose for which subscribed.

Mayor Rolph announced that he was ready to name the eleven members of the War Memorial trustee board as provided under the Charter amendment adopted last year, but would not do so unless a quorum was present.

One member of the new board of trustees, however, was announced by the Mayor, when he called a visitor to the rostrum and presented Major-General Hunter Liggett, retired, commander of the First Army of the A. E. F. and hero of the Argonne offensive.

"General Liggett is a splendid example of the type of men whom I have planned to name to the board of trustees of the War Memorial," said the Mayor.

Mayor Rolph stated that he would name the trustees next Monday at the regular meeting of the Supervisors, and expressed the hope that a solution of the problem could be reached soon, so that work on the project could be started.

Motion.

Supervisor McSheehy moved that 100 copies of the report be printed and each member of the Board of Supervisors furnished with a copy, the balance for the public.

So ordered.

ADJOURNMENT.

Whereupon, the Board at 12 o'clock noon adjourned.

Board of Education Budget.

The following matters were presented and made a Special Order of Business for 2 p. m. Monday, August 5, 1929:

July 19, 1929.

To the Honorable Board of Supervisors, City and County of San Francisco.

Gentlemen: In connection with the Budget of the Board of Education which has been submitted to you, I desire to call attention to certain statements made in a communication addressed to you by the Board of Education on May 24, 1929, and relating to increases that may have to be made to the Budget of the Board of Education for reasons set forth in that communication, as follows:

"The Board, in adopting the above tentative Budget Item No. 1, requested that a communication be sent to the Board of Supervisors informing them of the tentative Budget figures, which might be subject to revision owing to three provisos:

"First: Should the Citizens' Salary Committee recommend an increase for teachers' salaries the same, if adopted by the Board of Education, would increase the Budget.

"Secondly: Should the Salary Standardization Reports now before

the Board of Supervisors be adopted the same would change the total Budget figures.

"Thirdly: If the so-called 'Back Salary' suit against the Board of Education be decided in favor of the plaintiffs, this would also affect the Budget."

Very truly yours,
J. M. GWINN,
Superintendent of Schools.

July 19, 1929.

To the Honorable Board of Supervisors, City and County of San Francisco.

Sirs: I herewith report to you, as provided in Section 1817 of the Political Code of California, Section 1764 of the Political Code, and Section 15 of Act 1477 of the General Laws of California, known as the Junior College District Act, the following sums of money which must be raised by city and county school taxes levied at the time and in the manner prescribed by law:

The following matter, on motion of Supervisor Deasy, was *laid over two weeks and made a Special Order of Business for* 11 *a. m., August* 5, 1929:

SPECIAL ORDER—11 A. M.

New Garage Ordinance.

Bill No. ————, Ordinance No. ———— (New Series), as follows:

Governing the construction, equipment, maintenance and operation of public, commercial and private garages; regulating and providing for the storage and use of gasoline in connection with public, com-

mercial and private garages; duties of the Fire Marshal; penalty for violation; repealing Ordinance No. 746 (New Series) and all ordinances or parts of ordinances in so far as they conflict with this ordinance.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. Whenever used in this ordinance, the following terms and words are defined as herein specified and shall be deemed and construed to have the meaning ascribed to them in this section.

(a) An "automobile" shall mean any self-propelling vehicle.

(b) "Gasoline" shall mean and include any product of petroleum flashing below the temperature of 110 degrees Fahrenheit. The Fire Marshal of the City and County of San Francisco shall determine such flashing point.

(c) A "commercial garage" is a building wherein three or more automobiles, designed, used or maintained for the transportation of property and operated by the owner or owners thereof, are kept or stored, and where no charge is made for the storage and keeping of same.

(d) A "public garage" shall mean any building, structure or part thereof wherein three or more automobiles are kept or stored by the public, or wherein automobiles stored or kept are rented out to and hired by the public, and where a charge is made for the storing or keeping of three or more automobiles.

Nothing in the above definitions (c) and (d) shall operate against providing automobile storage in flats or dwellings for occupants only, not exceeding four hundred (400) square feet in area for each flat or dwelling. In apartment house buildings, nothing in definitions (c) and (d) shall operate against providing storage space for occupants only, of two hundred (200) square feet for each apartment within the building, providing that the spaces in which automobiles are stored are erected in strict accordance with the State Housing Act of 1923 and amendments thereto. Nothing in said definitions shall operate against an owner having greater space than herein defined, provided that where the garage exceeds the area mentiond, the construction of the garage shall be fireproof as defined under the ordinance for class "A" and "B" construction.

(e) Any other building, structure or part thereof, wherein one or more automobiles are kept or stored, except those establishments which are specifically regulated by any other ordinance, shall be deemed to be a "private garage."

Application for Permit.

Section 2. (a) It shall be unlawful for any person, firm or corporation to establish, conduct, maintain or operate a public or commercial garage without first obtaining a permit therefor from the Board of Supervisors of the City and County of San Francisco. Every such permit shall contain the name of the person, firm or corporation to whom the same is issued and the location of the premises upon which such public or commercial garage is to be located.

(b) Every application for a permit to establish, conduct, maintain or operate a public or commercial garage shall, before action is taken thereon by the Board of Supervisors, be referred to the Fire Marshal and the Board of Public Works for investigation and report. No such permit shall be granted unless applicant agrees to comply in all respects with the requirements of this ordinance; provided, further, that in the event any person, firm or corporation engaged in the business of a public or commercial garage in a building which in any manner does not conform to the provisions of this ordinance, shall vacate the premises, or discontinue such business, then, and in that event, it shall be unlawful for any person, firm or corporation to subsequently establish, conduct, maintain, or operate the said premises as a public or commercial garage, unless such premises shall be made to comply with all the requirements of this ordinance.

(c) When application is made to the Board of Supervisors by any person, firm or corporation to establish, conduct, maintain or operate a public or commercial garage, said applicant shall cause to be posted conspicuously on the premises intended to be occupied by the public or commercial garage a notice to the effect that application has been made to the Board of Supervisors for such permit. Said notice to be conspicuously posted within twenty-four (24) hours after the filing of the application and shall be kept posted for a period of not less than seven (7) days. It shall be the duty of the applicant to see or keep said sign conspicuously posted for the said period of seven (7) days.

(d) A permit to establish, conduct, maintain or operate a public or commercial garage is not transferable without the consent of the Board of Supervisors.

(e) No permit shall be granted to conduct, operate or maintain any public or commercial garage within the boundaries of two hundred (200) feet of any school, church, theatre, or hospital; said measurement to be taken from the front entrance of said garage to the front entrance of said school, church, theatre or hospital; nor shall any permit be issued to hereafter construct, erect, maintain or operate a public or commercial garage within fifty (50) feet of the property line of any school, church, theatre or hospital building.

Construction.

Section 3. (a) Every building, structure or part thereof hereafter erected, altered or changed so as to be occupied, conducted, maintained or operated as a public or commercial garage shall be of class "A", "B" or "C" construction (as defined in the Building Law of the City and County of San Francisco), provided said building or structure is not more than one (1) story in height, and if more than one story in height, it shall be of either class "A" or "B" construction. The roof of such class "C" building or structure shall be of metal supported on steel or timer trusses. The floors of all garages shall be concrete construction or steel frame with concrete construction.

(b) A public or commercial garage shall not be maintained in any building that is occupied in any part for any other purpose than that necessary for the operation of a public or commercial garage, unless said building is of class "A" or "B" construction throughout. The portion occupied as a public or commercial garage shall have no entrance, exit, or other opening of any kind whatsoever into other portions of the building not so occupied, unless said opening or openings are located as required by the Board of Public Works. Such openings shall be protected with a full Underwriter's Automatic Fire Door on inclined tracks with fusible links, or an approved Underwriter's Automatic Rolling Steel Shutter, fusible links, on both sides of the opening in the wall. Any screen door required in the opening shall be equal to a full kalamein or hollow metal construction. Walls separating such portion occupied as a public or commercial garage and the remainder of the building shall be of brick, stone, or reinforced concrete. The floors which constitute the ceilings of such garage shall be of reinforced concrete slabs, not less than four (4) inches thick, supported by concrete fireproofed carrying units of the frame. These slabs shall be not less than six (6) inches thick, where they constitute the floor of the public assembly room and the ceiling of the garage. All such slabs shall be reinformed so as to develop their full strength to resist upward pressures, and the ceilings of all garages under places of public assembly shall be equipped with an automatic sprinkler system as provided in all ordinances of the City and County of San Francisco in reference thereto.

(c) Every space in a building hereafter erected in which automobiles or other motor vehicles are placed or stored shall be provided with ventilation as follows:

When the total space on any floor to be used for such purposes is 4000 square feet or less, such space shall be provided with ventilation outlets in the walls thereof.

The total areas of such ventilating outlets shall be as follows:

For a space of 1000 square feet or less, 200 square inches. For each additional space of 200 square feet over 1000 square feet this area shall be increased 50 square inches until the total area becomes 525 square inches, which shall be the maximum required for a space of not more than 4000 square feet.

The top of the ventilating outlets shall be not more than 18 inches above the floor. Such outlets shall be protected with galvanized wire rods not less than ⅜ inch in diameter so as to provide opening of ½-inch mesh.

Protections of ornamental design may be used provided they are galvanized and have a strength equal to that of the rods. All protections shall be firmly anchored in or secured to their supports. All ventilating outlets shall lead directly to a free and unobstructed circulation of air; but shall not lead into inner courts.

All natural ventilating outlets shall be arranged so that there will be at least one outlet in each of two opposite walls of said garage and not less than one-half of the total area of outlets required shall be provided in each of such walls. The free circulation of air between ventilating outlets shall be maintained.

When such space has a floor area of over 4000 square feet a mechanical exhaust ventilation system shall be provided. This system shall consist of power driven exhaust fan or fans of the positive centrifugal type and shall have sufficient capacity to exhaust a quantity of air equal to not less than six times the cubic contents of such space each hour. This mechanical exhaust shall be drawn from a point not more than 18 inches above the floor line and shall be evenly distributed over the entire area in which automobiles are stored. The fan discharge shall be taken to a point above the roof of the building or to the outer air at a point not less than 20 feet from any window in the building or any adjoining building.

(d) An automobile repair shop, tire vulcanizing shop, battery shop and automobile painting shop, may be maintained in a public or commercial garage provided they are separated from the automobile storage section of the public or commercial garage by partitions of concrete, brick or terra cotta title, which shall extend from the floor to the ceiling, or floor to the roof above; provided, however, that no battery shop or automobile painting shop shall be maintained in any public or commercial garage located under a place of public assembly or basement of any building occupied by a public or commercial garage. All openings in said partitions shall be located as directed by the Board of Public Works and the protection to such openings shall consist of an approved Underwriter's Automatic Fire Door on inclined tracks with fusible links or an approved Underwriter's Automatic Rolling Steel Shutter with fusible links, in addition to the temporary protection for opening or closing, which must be constructed of plates and angles, and if glazed, wire glass only shall be used. All such shops shall be conducted, maintained and operated as required by all ordinances governing such establishments.

(e) All private garages with a floor area in excess of four hundred (400) square feet shall be constructed as provided in this ordinance for public or commercial garages, if built independent of any building that is used as living quarters.

Storage of Gasoline.

Section 4. Whenever the word "approved" shall hereafter appear in this ordinance, it shall mean approved by the Fire Marshal.

(a) Permission must be received from the Fire Marshal before storing or keeping gasoline in or for any public or commercial garage, but in no event shall the quantity exceed the maximum prescribed in this section.

(b) Not more than one approved five (5) gallon can of gasoline and approved portable filling tanks containing not more than fifty (50)

gallons of gasoline each may be stored or kept inside of any public or commercial garage, except such gasoline which is contained in the reservoir of automobiles stored therein. Not more than one (1) approved portable filing tank shall be allowed on any one floor of a public or commercial garage.

(c) Additional gasoline may be stored or kept for a public or commercial garage in approved tanks, outside the walls of the building and buried underground. Not more than four (4) such tanks containing not more than five hundred (500) gallons of gasoline each, making two thousand (2000) gallons in the aggregate, shall be allowed to be stored or kept for any one public or commercial garage. All such tanks shall be constructed of galvanized steel at least number twelve (12) gauge in thickness, or iron not less than three-sixteenths (3/16) of an inch in thickness. All tanks shall be coated on the outside with tar, asphaltum or other suitable rust-resisting compound.

(d) A permit shall be required from the Fire Marshal to store or keep gasoline in excess of five (5) gallons in or for any private garage. The Fire Marshal shall determine the amount of gasoline, if any, that may be stored, but in no event shall the quantity exceed the maximum allowed for a public or commercial garage. Said gasoline shall be stored or kept as required for a public or commercial garage.

Tanks, Pipes and Pumps.

Section 5. All underground gasoline storage tanks, pipes and appurtenances used in connection with a public, commercial or private garage shall be installed as follows, unless otherwise required by the Fire Marshal:

(a) All underground tanks shall be placed outside the building, under the sidewalk, close to the curb line.

(b) The top of each such tank shall be at least four feet below the sidewalk and the space between the top of the tank and sidewak shall be filled with earth.

(c) No such tank shall be connected with another so that gasoline can flow or be pumped from one underground tank to another.

(d) All such tanks shall set on a firm foundation and, where water is encountered, tanks shall be enclosed in an approved watertight reinforced concrete vault.

(e) Where two or more tanks are installed, there shall be an approved brick or concrete dividing wall between each tank not less than twelve (12) inches in thickness or three (3) feet of earth.

(f) Each tank shall have a separate filling pipe extending up to the sidewalk or grade, capped with a screw cap, which must be screwed up tight at all times except when filling, and shall be covered with a metal plate flush with the sidewalk or grade.

(g) Each such tank shall have a separate one (1) inch vent pipe extending out of the top of the tank to a height of not less than twelve (12) feet and capped with a double return bend equipped with a non-corrodible wire screen of thirty (30) mesh. The lower end of vent pipe shall not extend through the top into the tank for a distance of more than one (1) inch. Vent pipe shall be on the outside of the building and terminate not less than three (3) feet, measured horizontally and vertically, from any window or other building opening.

(h) Each such tank shall have at least one suction pipe. Two or more tanks may be connected with one pump, provided the suction pipes siamese at the pump with valves to close each suction pipe.

(i) All pipes shall lead out of the extreme top of each tank; and shall be at least twelve (12) inches underground or enclosed in concrete. Said pipes shall have a fall toward the tank.

(j) All pipes and fittings shall be standard, full weight galvanized iron, or equivalent, and shall be put together with litharage and glycerine.

(k) Tanks and pipes shall not be covered until an inspection has been made by the Fire Marshal and permission so to do has been

granted by said officer. The Fire Marshal shall be notified when the work is ready for inspection.

(l) Gasoline shall be taken from such tanks only by means of an approved pump, which shall be installed in an approved location, not below the first floor. No gravity, siphon or pressure system shall be used for taking gasoline from any tank.

(m) The Fire Marshal shall have the right at any time to take, or demand to be taken, a test for leaks on any tank, pipes or appurtenances, and, if found to be defective, shall demand that they be repaired or replaced.

Safety Regulations.

Section 6. The following safety regulations shall govern the operation and maintenance of public, commercial and private garages.

(a) Each underground tank shall be filled with gasoline only through pipe or hose connected to a tank truck, leading through continuous metal fittings or connections, properly grounded to and into the filling pipe of such underground tank.

(b) The reservoir of an automobile shall be filled with gasoline only through an approved hose connected to a pump on a portable filling tank or underground tank.

(c) Wherever possible, portable filling tanks shall always be kept near the entrance of garage when not in use.

(d) No gasoline shall be allowed to be kept or conveyed in open receptacles inside a garage.

(e) No smoking shall be allowed inside of any garage and notices to that effect shall be conspicuously posted as required by the Fire Marshal.

(f) All inflammable waste and rubbish shall be kept at all times in metal receptacles fitted with a tight cover until removed from the premises.

(g) Sawdust shall not be kept and sawdust or other flammable material shall not be used for the purpose of absorbing oil, grease or gasoline. Oil and grease shall not be allowed to accumulate on the floor of any garage. Gasoline shall not be used for cleaning the engine of any automobile.

(h) All lights on an automobile shall be extinguished before filling reservoir with gasoline and the engine of said automobile shall not be in motion.

(i) No gasoline, grease, oil or flammable liquids of any kind shall be allowed to flow or be placed into the drainage system.

(j) No tank truck, empty or otherwise, used for the transportation of flammable liquids shall be admitted inside any garage, unless the garage is used exclusively for the keeping of such vehicles.

(k) The heating of any garage shall be accomplished only by an approved steam or hot water system.

(l) Gasoline shall not be kept or stored below the first floor of any garage, except that which is contained in the reservoirs of automobiles stored therein.

(m) No system of artificial lighting other than incandescent electric lamps shall be installed. All portable lights shall be equipped with keyless sockets and lamp guards. All electric switches, sockets and plugs shall be at least four feet above the floor. All electric wiring shall be installed as required by the Department of Electricity.

(n) All electric motors or devices capable of emitting an exposed spark shall be located at least four feet above the floor.

(o) All lockers shall be constructed entirely of incombustible material and no gasoline, oils or other flammable liquid shall be kept therein.

(p) At least one (1) approved fire extinguisher containing not less than two and one-half (2½) gallons of chemical, if of the soda and acid or foam type, or not less than one quart if of the carbon tetra-chloride type, shall be provided for every one thousand (1000) square feet of floor area or fraction thereof, which shall be installed

and located as required by the Fire Marshal. Not more than one-half of the total number of such fire extinguishers may be of the carbon tetra-chloride type. All extinguishers of the carbon tetra-chloride type must be kept filled with the proper fluid at all times. All extinguishers of the soda and acid or foam type must be properly recharged not less than once each year and date of such recharging shown on tag attached thereto. Near each such fire extinguisher there shall be maintained an approved bucket of clean dry sand. In addition to the buckets of sand, every public and commercial garage shall maintain on each floor, an approved barrel of clean dry sand. All of the above containers of sand shall have painted thereon in an approved manner, the words: "Sand—For Fire Use."

(q) No stove, forge, torch, furnace, heating apparatus, flame, fire or other apparatus, device or equipment which the Fire Marshal shall deem to be hazardous, shall be maintained or kept unless approved by the Fire Marshal.

(r) All automobiles shall be spaced in an approved manner so as to allow members of the Fire Department or other persons to easily reach any automobile or any part of the premises in case of fire.

(s) No portion of any garage shall be used for the storage or keeping of goods, merchandise or any flammable material, except the necessary automobile parts, accessories and supplies.

(t) All waste oil shall be kept in an approved tank located outside the walls of the building, under the sidewalk and close to the curb line. Such tank shall be equipped with approved suction, filling and vent pipes. No such waste oil shall be kept in cans or drums above ground.

Duties of the Fire Marshal.

Section 7. (a) It shall be the duty of the Fire Marshal of the City and County of San Francisco to see that the provisions of this ordinance are complied with, except the supervision of building construction and alteration, and for that purpose shall have access at all times to any and all public, commercial and private garages.

(b) In the event that any person, firm or corporation to whom a permit has been granted by the Board of Supervisors to establish, conduct, maintain or operate a public or commercial garage shall violate, cause or permit to be violated any of the provisions of this ordinance (which are for the public safety), it shall be the duty of the Fire Marshal to notify said person, firm or corporation in writing to appear before the Board of Supervisors of the City and County of San Francisco within five (5) days after the service of said notice to then and there show cause why the permit which has been granted to establish, conduct, maintain or operate a public or commercial garage shall not be revoked.

(c) If the said person, firm or corporation on whom said notice was served by the Fire Marshal to appear before the Board of Supervisors fails or refuses to appear before the said Board of Supervisors it shall be the duty of the said Board of Supervisors to notify in writing said person, firm or corporation to whom a permit has been issued that said permit, through failure or neglect to appear before the Board of Supervisors, is revoked. Said person, firm or corporation on whom notice was served by the Fire Marshal and who failed, refused or neglected to appear before said Board of Supervisors, is hereafter liable to the penalty imposed by this ordinance, if said person, firm or corporation shall continue to conduct, maintain or operate such public or commercial garage after being notified in writing that the permit issued by the Board of Supervisors has been revoked.

(d) The Fire Marshal shall have the right to revoke any permit that has been issued for the storage of gasoline for violation of any of the provisions of this ordinance.

Penalty.

Section 8. When any person, firm or corporation violates or refuses to comply with any of the provisions of this ordinance (which are for the public safety) said person, firm or corporation shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a fine not exceeding five hundred ($500) dollars, or by imprisonment in the County Jail for not more than six months, or by both such fine and imprisonment. Each such person, firm or corporation shall be deemed guilty of a separate offense for each day such violation shall continue and shall be subject to the penalty imposed by this ordinance for each and every such separate offense.

Section 9. Ordinance No. 746 (New Series) and all ordinances or parts of ordinances in so far as they conflict with this ordinance are hereby repealed.

Section 10. This ordinance shall take effect immediately.

Endorsing Application of Great Northern Railway Company and Western Pacific Railroad Company to Connect Systems.

The following matter, laid over from last meeting, was taken up:

Resolution No. 31175 (New Series), as follows:

Whereas, the Great Northern Railway Company and the Western Pacific Railroad Company desire to connect their two systems by constructing a railroad from Klamath Falls, Oregon, to Keddie, California, a distance of two hundred miles, and have made application to the Interstate Commerce Commission for permission so to do as in the public interest; and

Whereas, the building of such connection will give the Great Northern an entrance into this State and to this City and give to the State and to the City the transportation facilities and services of another transcontinental system, and in particular will establish a second and independent line between this State and the northwestern part of the United States and Canada; and

Whereas, it is to the interest of the State that it be connected closely and by independent lines with all parts of the United States, and there is at the present time but one line connecting the State with the States to the north and with Canada; and

Whereas, it is directly and immediately to the interest of this City that it be connected closely and by independent lines with all parts of the United States;

Resolved, That, in the judgment of this Board, the public interest requires that the Great Northern Railway Company and the Western Pacific Railroad Company be granted the right to connect their rail-

road systems as they are seeking permission to do, and that the City and County Attorney be and he is hereby authorized and instructed to intervene in the matter of said application to the Interstate Commerce Commission on behalf of the City to favor the granting of such application and to take such steps as he may deem advisable in that behalf.

Report of Finance Committee on Naming Fiscal Agent in New York.

Your Finance Committee, to which was referred ordinance (herewith set forth in full) designating the Bank of America of New York as the fiscal agent of the City and County of San Francisco in the State of New York, refers same back to the Board, without recommendation, for action by the Board.

Bill No. ————, Ordinance No. ———— (New Series), as follows:

Designating "The Bank of America" of New York as the fiscal agent of the City and County of San Francisco, in the State of New York, for the purpose of providing payment in the City of New York of coupons, for the redemption of bonds of the City and County of San Francisco, and providing for interest on funds on deposit with fiscal agent.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. The Bank of America of New York, having its principal place of business at 44 Wall street, New York City, State of New York, from and after the date of the passage of this ordinance is hereby designated as the fiscal agent for the City and County of San Francisco in the City of New York.

Section 2. The Treasurer of the City and County of San Francisco shall hereafter deposit with The Bank of America of New York, at least thirty (30) days previous to the periods of payment of interest and principal, a sum sufficient to meet the outstanding obligations of the City and County of San Francisco which shall become due in the said City of New York on the first day of the following month.

Section 3. The said The Bank of America of New York shall act as fiscal agent for the City and County of San Francisco without any expense or charge whatsoever to the said City and County of San Francisco, provided, however, that if a bond should be exacted by the Treasurer of the City and County of San Francisco upon making any deposit with The Bank of America of New York, the premium on said bond shall be paid by the City and County of San Francisco.

Section 4. The designation and appointment of The Bank of America of New York as the fiscal agent of the City and County of San Francisco is made, provided the said fiscal agent shall pay into the Treasury of the City and County of San Francisco, monthly, at the rate of two per cent (2 per cent) per annum on all daily balances of funds deposited with the said fiscal agent.

Section 5. This ordinance shall take effect immediately.

City Attorney's Opinion.

The City Attorney's opinion was read, indicating that fiscal agent for San Francisco bonds in New York City must be a New York bank in order to conform with Charter requirements.

Privilege of the Floor.

Louis Ferrari, attorney representing the Bank of America of New York, was granted the privilege of the floor and heard on the pending question.

Passed for Printing.

Whereupon, the foregoing bill was *passed for printing* by the following vote:

PRESENTATION OF PROPOSALS.

$56,000 Library Bonds.

Sealed bids for the purchase of certain bonds of the City of San Francisco, State of California, to be received and opened by the Board of Supervisors up to the hour of 3 o'clock p. m. on Monday, July 22, 1929.

The bonds offered are described as follows:

Fifty-six thousand dollars Library Bonds, three and one-half per cent, issue of July 1, 1904, comprising 4 $500 bonds maturing 1941, 4 $500 bonds maturing 1942, 4 $500 bonds maturing 1943, 10 $500 bonds maturing 1944, 12 $1,000 bonds maturing 1941, 12 $1,000 bonds maturing 1942, 12 $1,000 bonds maturing 1943, 9 $1,000 bonds maturing 1944.

Article 12, Section 10A of the Charter provides that these bonds may be sold on the basis not to exceed four and one-half per cent to the purchaser. The Finance Committee shall fix the terms and conditions of sale.

The bonds offered are tax exempt, State and Federal.

Delivery of the bonds to the purchaser will be made within ten days from the date of award, or within such time thereafter as may be agreed upon by the purchaser and Finance Committee of the Board of Supervisors.

All proposals for the purchase of such bonds shall be accompanied by a deposit of five per cent of the amount bid, in lawful money of the United States, or by a deposit of a certified check payable to J. S. Dunnigan, Clerk of the Board of Supervisors of the City and County, for a like sum, provided that no deposit need exceed the sum of $10,000, and that no deposit need be given by the State of California, which money or check shall be forfeited by the bidder in case he fails to accept and pay for the bonds bid for by him if his bid is accepted.

The bonds are serials and a tax is levied each year to pay the principal and interest falling due during the succeeding year.

The bonds may be registered as to principal and interest.

Payable in gold coin, at the option of the holder, at the office of the Treasurer of the City and County, or at the fiscal agency of the City in the City of New York.

This notice is given pursuant to the direction of a resolution of the Board of Supervisors adopted July 1, 1929.

SPECIAL ORDER—2:30 P. M.

Consideration of report of Health Committee relative to gathering garbage from hotels and restaurants for hog feed.

July 8, 1929—*Over one week.*

July 15, 1929—*On motion of Supervisor Toner, laid over one week and made a Special Order for* 2:30 *p. m.* City Attorney to bring in appropriate legislation to enable San Francisco to take all wet garbage of hotels, restaurants, cabarets, vegetable stores and hospitals in this city.

Privilege of the Floor.

Mr. McLaughlin, representing protesting property owners of the Bayview District, was heard, urging the abolishment of the hog nuisance in Butchertown.

Communication From Health Officer.

The following was read by the Clerk:

July 20, 1929.

His Honor the Mayor and the Board of Supervisors, San Francisco, Cal.

Gentlemen: Your earnest attention is called to the situation that faces the people of this city in the open threat made by the swill men and hog feeders that unless certain conditions were complied with they would refuse the further hauling and removal of kitchen waste from hotels, restaurants, hospitals and other similar food establishments.

In view of the fact that a strike did take place some three weeks ago and the city faced an emergency removal for forty-eight hours that proved a great hardship, even for that short period, because of

the fact that the capacity of the existing incinerator is now overtaxed and utterly unable to carry the additional load of 125 to 150 tons of wet garbage, it readily can be foreseen that with the attitude of the hog raisers and swill men to this question, as expressed by their attorney before your Board, if carried into effect, an imminent health menace faces this city and an actual emergency exists which should be cared for by the immediate adoption of legislation that would definitely settle this question and for all times prevent the threatened health menace.

Very truly yours,
WM. C. HASSLER, Health Officer.

Motion.

Supervisor Toner moved that the hour of 2:30 p. m. be set aside next Monday to hear the City Attorney's report on legislation for abatement of the hog menace, and that the Board of Health, the Health Officer and the Chief of Police be notified to attend.

So ordered.

Citizens' Committee, Columbus Day.

Supervisor McSheehy presented:

Resolution No. 31179 (New Series), as follows:

Resolved, That his Honor the Mayor be respectfully requested to appoint a committee of citizens to properly celebrate Columbus Day, October 12, 1929.

Adopted by the following vote:

Ayes—Supervisors Andriano, Colman, Deasy, Havenner, Hayden, Kent, McGovern, McSheehy, Marks, Powers, Roncovieri, Schmidt, Stanton, Suhr, Todd, Toner—16.

Absent—Supervisors Gallagher, Shannon—2.

ADJOURNMENT.

There being no further business, the Board at the hour of 6:30 p. m. adjourned.

J. S. DUNNIGAN, Clerk.

Approved by the Board of Supervisors August 12, 1929.

Selection of Bank of America of New York as Fiscal Agent for City.

Also, Bill No. 8978, Ordinance No. 8490 (New Series), as follows:

Designating "The Bank of America" of New York as the fiscal agent of the City and County of San Francisco, in the State of New York, for the purpose of providing payment in the City of New York of coupons, for the redemption of bonds of the City and County of San Francisco, and providing for interest on funds on deposit with fiscal agent.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. The Bank of America of New York, having its principal place of business at 44 Wall street, New York City, State of New York, from and after the date of the passage of this ordinance is hereby designated as the fiscal agent for the City and County of San Francisco in the City of New York.

Section 2. The Treasurer of the City and County of San Francisco shall hereafter deposit with The Bank of America of New York, at least thirty (30) days previous to the periods of payment of interest and principal, a sum sufficient to meet the outstanding obligations of the City and County of San Francisco which shall become due in the said City of New York on the first day of the following month.

Section 3. The said The Bank of America of New York shall act as fiscal agent for the City and County of San Francisco without any expense or charge whatsoever to the said City and County of San Francisco, provided, however, that if a bond should be exacted by the Treasurer of the City and County of San Francisco upon making any deposit with The Bank of America of New York, the premium on said bond shall be paid by the City and County of San Francisco.

Section 4. The designation and appointment of The Bank of America of New York as the fiscal agent of the City and County of San Francisco is made, provided the said fiscal agent shall pay into the Treasury of the City and County of San Francisco, monthly, at the rate of two per cent (2 per cent) per annum on all daily balances of funds deposited with the said fiscal agent.

Section 5. This ordinance shall take effect immediately.

Bonds Placed on Sale Over Counter.

Supervisor Havenner presented:

Resolution No. 31207 (New Series), as follows:

Whereas, the Board of Supervisors on the 1st day of July, 1929, adopted a resolution, by which resolution the Clerk of said Board was directed to give notice by advertisement, as required by the Charter of said City and County, that on the 22nd day of July, 1929, said Board would receive and consider bids for the purchase of

Boulevard Bonds, issue of November 1, 1927, to the amount of $750,000, each of said bonds being for the sum of $1,000, bearing interest at the rate of 4½ per cent per annum, and maturing as follows, to-wit: 219 of said bonds in the year 1932, 219 of said bonds in the year 1933, 219 of said bonds in the year 1934, and 93 of said bonds in the year 1935.

Hospital Bonds, issue of January 1, 1929, to the amount of $750,000, each of said bonds being for the sum of $1,000, bearing interest at the rate of 4½ per cent per annum, and maturing as follows, to-wit: 175 of said bonds in the year 1934, 175 of said bonds in the year 1935, 175 of said bonds in the year 1936, 175 of said bonds in the year 1937, and 50 of said bonds in the year 1938.

Sewer Bonds, issue of January 1, 1929, to the amount of $500,000, each of said bonds being for the sum of $1,000, bearing interest at the rate of 4½ per cent per annum, and maturing as follows, to-wit: 100 of said bonds in 1934, 100 of said bonds in 1935, 100 of said bonds in 1936, 100 of said bonds in 1937, and 100 of said bonds in 1938.

Whereas, in compliance with said resolution, said Clerk did cause to be published in the official newspaper for a period of ten days prior to said 22nd day of July, 1929, an advertisement and notice of sale of said described bonds, and that all the requirements of the Charter of the City and County in respect thereto were fully complied with; and

Whereas, no bid was received for the purchase of said bonds so advertised for sale as aforesaid, or any portion thereof, and that the whole amount thereof remain unbid for and unsold; therefore,

Resolved, As provided in Section 10 of Article XII of the Charter of the City and County of San Francisco, that all of the above-described bonds advertised for sale and remaining unsold as aforesaid, be placed on sale and offered for sale at the City Treasury of the City and County of San Francisco, and the City Treasurer is hereby authorized to sell said above-described bonds to any person desiring to purchase the same. That the price at which said bonds may be sold is the par or face value thereof, together with any and all interest that may have accrued thereon at the time of the delivery of the same to the purchaser.

Absent—Supervisor Gallagher—1.

Extension of Time, Federal Construction Company.

Supervisor Suhr presented:

Resolution No. 31208 (New Series), as follows:

Resolved, That Federal Construction Company is hereby granted an extension of thirty days' time from and after July 27, 1929, within which to complete the improvement of Alemany boulevard, Section "E," Contract 18, between Orizaba avenue and Junipero Serra boulevard, under public contract.

This extension of time is granted upon the recommendation of the Board of Public Works for the reason that the contractors have been delayed, due to the fact that it was necessary to use their equipment on work on another section of the boulevards, for which they had a contract, and on which it was deemed more important by the Engineer's office to expedite the work.

Adopted by the following vote:

Ayes—Supervisors Andriano, Colman, Deasy, Havenner, Hayden, Kent, McGovern, McSheehy, Marks, Powers, Roncovieri, Schmidt, Shannon, Stanton, Suhr, Todd, Toner—17.

Absent—Supervisor Gallagher—1.

Golden Gate Bridge Tax.

Supervisor Stanton presented:

Certificate of tax rate fixed by the Board of Directors of the Golden Gate Bridge and Highway District.

I, W. W. Felt, Jr., secretary of the Board of Directors of the Golden Gate Bridge and Highway District, hereby certify for and on behalf of said Board of Directors of said Golden Gate Bridge and Highway District to the Boards of Supervisors of the counties of Del Norte, Mendocino, Sonoma, Napa, Marin, and to the Board of Supervisors of the City and County of San Francisco, that under the provisions of Section 14 of that certain Act of the Legislature of the State of California entitled "An Act to Provide for the Incorporation and Organization and Management of Bridge and Highway Districts, etc.," approved

May 25, 1923, that said Board of Directors of the Golden Gate Bridge and Highway District did, on the 24th day of July, 1929, fix three cents (3c) on each one hundred dollars of assessed valuation of all property within said district subject to taxation therein for bridge and highway district purposes, as the rate of taxation to be levied in the Golden Gate Bridge and Highway District for the tax year of 1929-1930, and did direct that at the time and in the manner required by law for the levying of taxes for county purposes the said Boards of Supervisors, and each of them, should levy and collect a tax within said Golden Gate Bridge and Highway District, in addition to such other tax as may be levied by such Boards of Supervisors, at the rate so fixed and determined as aforesaid by said Board of Directors of the Golden Gate Bridge and Highway District.

In witness whereof, I, W. W. Felt, Jr., as secretary of the Board of Directors of the Golden Gate Bridge and Highway District, have, by direction of said Board of Directors, and for and on its behalf, so certified, and have hereunto set my hand and the official seal of said Golden Gate Bridge and Highway District this 24th day of July, 1929.

(Signed) W. W. FELT, JR.,
Secretary of the Golden Gate Bridge and Highway District.

(Signed) BOARD OF DIRECTORS OF THE GOLDEN GATE BRIDGE AND HIGHWAY DISTRICT.
By W. W. FELT, JR., Secretary.

Resolution No. 24.

Whereas, it is required by Section 14 of that certain act of the Legislature of the State of California entitled "An Act to Provide for the Incorporation and Organization and Management of Bridge and Highway Districts, etc.," approved May 25th, 1923, that the Board of Directors of Bridge and Highway Districts incorporated thereunder shall, in the month of July of each year, determine that amount necessary to be raised by taxation in such district and shall fix a rate of taxation to be levied in such district which will raise the amount of money required by the district, not exceeding, however, the rate of ten cents on each one hundred dollars of assessed valuation when the purpose of such taxes is to supply funds for investigating the project prior to the issuance of bonds and payment of the officers and employees of the district prior to the time when the works of the district are earning revenue; and

Whereas, it is further required by the provisions of said Section 14 of said act that within a reasonable time previous to the time when the Boards of Supervisors are required by law to fix their tax rates, to certify to the Boards of Supervisors of each county within the district, or having a portion of its territory within the district, the rates so fixed, with a direction that at the time and in the manner required by law for the levying of taxes for county purposes such Board of Supervisors shall levy and collect a tax in addition to such other tax as may be levied by such Board of Supervisors at the rate so fixed and determined; and

Whereas, it is made, by said Section 14, the duty of the officer or body having authority to levy taxes within each county or city and county, to levy the tax so required, as aforesaid; now, therefore, and in obedience to the requirements of said Section 14 of the said act hereinabove mentioned, be it

Resolved, By the Board of Directors of the Golden Gate Bridge and Highway District, that said Board of Directors does hereby determine that the amount of money necessary to be raised by taxation within said district be and the same hereby is fixed at the sum of $300,000; and be it

Further Resolved, By the Board of Directors of the Golden Gate Bridge and Highway District, that said Board does hereby determine

and fix 3 cents on each one hundred dollars of assessed valuation of all property within said district subject to taxation therein, for Bridge and Highway District purposes, as the rate of taxation to be levied in the Golden Gate Bridge and Highway District for the tax year 1929-1930, which said rate of taxation the said Board does hereby fix and determine to be the rate which will raise the said amount of money so required by the district as aforesaid; and be it

Further Resolved, That the secretary of this Board be and he hereby is required to certify on behalf of this Board to the Boards of Supervisors of the counties of Del Norte, Mendocino, Napa, Sonoma, Marin, and of the City and County of San Francisco, the rate of taxation so fixed, with the direction that at the time and in the manner required by law for the levying of taxes for county purposes such Boards of Supervisors shall levy and collect a tax in addition to such other tax as may be levied by such Boards of Supervisors, at the said rate of 3 cents on each one hundred dollars of assessed valuation, which rate of taxation is the rate so fixed and determined by this Board as the rate of taxation within the Golden Gate Bridge and Highway District for the tax year 1929-1930; be it

Further Resolved, That a certified copy of this resolution be and it hereby is ordered to be forthwith transmitted by the secretary of this Board to each of said Boards of Supervisors hereinabove mentioned, with the certificate of the levy of said tax rate as hereinabove provided.

Passed this 24th day of July, 1929, by the following vote of the Board:

Ayes—Directors Westbrook, Trumbull, O'Brien, Maxwell, Filmer, Shannon, Stanton, Welch, Doyle, McMinn.

Noes—None.

Absent—Director Henry.

Approved this 24th day of July, 1929.

W. P. FILMER,
President of the Board of Directors.

Attest: W. W. FELT, JR.,
Secretary of the Board of Directors.

State of California, City and County of San Francisco—ss.

I, W. W. Felt, Jr., secretary of the Board of Directors of the Golden Gate Bridge and Highway District, hereby certify that the hereunto annexed instrument is a full, true and correct copy of Resolution No. 24 of the Board of Directors of the Golden Gate Bridge and Highway District, duly passed by said Board at a special meeting of said Directors which was duly and regularly called and held at the regular meeting place of said Board on the 24th day of July, 1929, and that a quorum was present at said meeting and that a majority of said Board of Directors voted in favor of said resolution, and that said resolution was duly approved by the President of the Board of Directors and attested by the Secretary.

In witness whereof, I have hereunto set my hand and affixed the seal of the Golden Gate Bridge and Highway District this 24th day of July, 1929.

(Signed) W. W. FELT, JR.,
Secretary of the Board of Directors of the Golden Gate Bridge and Highway District.

Establishment of Municipal Court.

Supervisor Marks presented:

Bill No. ————, Ordinance No. ———— (New Series), as follows:

An ordinance presenting and submitting to the qualified electors of the City and County of San Francisco the question of the establishment of a Municipal Court.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. The question of the establishment of a Municipal Court for the City and County of San Francisco is hereby presented and submitted to the qualified electors of said City and County at the general municipal election to be held on Tuesday, November 5, 1929.

Section 2. It is hereby prescribed that the question hereby submitted shall be in the following form and shall appear on the ballot at said election, as follows: Shall a Municipal Court be established for the City and County of San Francisco? It is further prescribed that opposite said question on the ballot the words "Yes" and "No" shall be printed in separate lines with voting squares.

Section 3. It is further prescribed that said court shall begin to function on the 1st day of July, 1930.

Referred to the Judiciary Committee.

SPECIAL ORDER—2:30 P. M.

Consideration of report of Health Committee relative to gathering garbage from hotels and restaurants for hog feed.

Supervisor Kent in the chair.

July 8, 1929—*Over one week.*

July 15, 1929—*On motion of Supervisor Toner, laid over one week and made a Special Order for* 2:30 *p. m.* City Attorney to bring in appropriate legislation to enable San Francisco to take all wet garbage of hotels, restaurants, cabarets, vegetable stores and hospitals in this city.

July 22, 1929—Mr. McLaughlin, representing Bay View District, was heard in opposition to alleged hog nuisance in Butchertown, and on motion of Supervisor Toner subject matter continued until 2:30 p. m. this day to hear from City Attorney on legislation to take over wet garbage; Board of Health, Dr. Hassler and Chief of Police to be asked to attend.

Supervisor Toner presented and read a communication addressed to Attorney Tramutolo, representing the hog men, calling attention to the health menace caused by refusal to take garbage from hotels, restaurants, etc., and directing return to work of collectors as an emergency health order.

Privilege of the Floor.

Mrs. Calhan, Mrs. Meeker, Mrs. Cook, Mrs. Holmes and Mr. Coryell were granted the privilege of the floor and were heard with respect to health menace from hog ranches maintained in San Francisco.

George O. Rich, George Lagomarsino and Attorney Tramutolo were heard on behalf of the hog men.

Mr. Eppinger, representing the restaurant and hotel men, was also heard in behalf of his clients.

Whereupon, the following motions were made and put:

Supervisor Marks: I move you that, pursuant to the request of the Health Officer, the Health Department or such other executive officers as have charge of the enforcement of the ordinance be requested to prosecute such hog ranches as are now located in the City and County of San Francisco as may be violating Ordinance No. 1410, for such violations.

Supervisor Havenner moved as an amendment to the motion of Supervisor Marks that he provide that the motion include definite instructions to the Board of Health that if their present efforts are not successful in bringing about the removal of these hog ranches that they advise this Board in such detail as may be possible the reason for that failure, and that they bring to us competent legal advice as to what steps may be taken to make this procedure enforceable in the future.

Supervisor Andriano moved as a substitute for the whole that the City Attorney be authorized and instructed to institute abatement proceedings in the Superior Court of this City and County against these hog ranches as constituting a nuisance.

Substitute Lost.

Whereupon, the roll was called on Supervisor Andriano's substitute and the same was *defeated* by the following vote:

Ayes—Supervisors Andriano, Shannon, Stanton, Suhr, Todd—5.

Suitable signs shall be erected and maintained at all intersections of said parts of streets, indicating the provisions of this section.

Section 2. Sections Nos. 36 and 37 of Article V are hereby amended to read as follows:

ARTICLE V—STOPPING, STANDING AND PARKING.

Standing for Loading Only in Certain Places.

Section 36. (a) During the times specified herein it shall be unlawful for an operator to stand a passenger vehicle for a period of time longer than is necessary for the loading or unloading of passengers, provided such loading or unloading shall not consume more than three

minutes, except in passenger loading zones; nor for an operator to stand any commercial vehicle for a period of time longer than it is necessary to load, unload and deliver materials, provided that the loading, unloading and delivery of said materials shall not consume more than twenty minutes, in any of the following places:

(1) In any public alley in the Central Traffic District or in any business district during any hour of any day or night.

(2) At any place not to exceed one hundred (100) feet from the intersection of any street with the southerly property line of Market street, from The Embarcadero to Van Ness avenue, between the hours of seven (7) a. m. and six (6) p. m. of any day; at any place not to exceed one hundred (100) feet from the prolongation of the northerly and westerly property lines, at intersections immediately adjacent to Market street, of those streets intersecting Market street from the northerly side, from The Embarcadero to Van Ness avenue, between the hours of seven (7) a. m. and six (6) p. m. of any day.

(3) At any place between the portal of any tunnel and seventy-five (75) feet therefrom at any hour of any day.

(4) At any place where the grade of the roadway exceeds twenty (20) per cent.

(5) In any loading zone duly established before the entrances to the following places: Before the entrance to a hospital, day or night; before the entrance to a police station, day or night; before the entrance to a hotel, day or night; before the passenger entrance to a theatre during performances; before the entrance to a church during services; in loading zones other than those above specified, from seven (7) a. m. to six (6) p. m. on any day excepting Sundays and legal holidays.

(b) It shall be unlawful for any operator of a vehicle to stand said vehicle in a duly established taxicab stand, provided, however, that this provision shall not apply to the operators of duly licensed taxicabs authorized to occupy said stands.

(c) During the times specified in subsection (a) of this section, passenger vehicles shall not stand longer than five (5) minutes in a passenger loading zone, and it shall be unlawful to stand any commercial vehicle in such zone.

(d) Suitable signs shall be placed and maintained by the Police Department to designate the provisions of this section. The Board of Supervisors shall designate the location of loading zones and passenger loading zones as defined by Section 1 of this ordinance, provided that a curb space of not to exceed fifty (50) per cent of the total curb length of any street between intersections may be reserved for loading zones and passenger loading zones. A curb space not to exceed one hundred (100) feet may be reserved temporarily or in an emergency by the Police Department at any place where required by public convenience.

Parking Prohibited on Certain Streets.

Section 37. Between the hours of seven (7) a. m. and six (6) p. m. of any day, excepting Sundays and legal holidays, it shall be unlawful for the operator of a vehicle to stop said vehicle for a period of time longer than is necessary for the actual loading or unloading and delivery of passengers or materials in any of the following places:

Designating Posts of the American Legion to Represent San Francisco at the Annual Convention of the Legion to Be Held at San Diego.

The Public Welfare Committee, by Supervisor McGovern, presented the following resolution:

Resolution No. 31243 (New Series), as follows:

Whereas, Service Post No. 97, The American Legion, Department of California, being the Post composed of members of the San Francisco Fire Department and the San Francisco Police Department who served in the World War, desires to have its uniformed drum and bugle corps and drill team, designated as the official representatives of the City and County of San Francisco, at the Annual State Convention of the American Legion, to be held in the city of San Diego, California, August 19, 20 and 21, 1929; and

Whereas, said Service Post members who attended the convention of the American Legion at Santa Barbara, California, in August, 1927, by and with the assistance of this Board, did bring great publicity and commendation to the City and County of San Francisco, by their timely aid rendered to the city of Santa Barbara in stopping a large conflagration which occurred in said city during the convention; and

Whereas, good and lasting comment was made of this activity by the above-mentioned Post by the newspapers, both reportorially and editorially along the entire Pacific Coast, redounding to the good of the City of San Francisco, and also received especial commendation by resolution of the officials of Santa Barbara, transmitted through the Honorable, the Mayor of San Francisco, and in turn were commended by resolution unanimously adopted by this Board; and

Whereas, this Board of Supervisors of the City and County of San Francisco, does believe that it is fit and proper to recognize not only the past performance of this organization, but also that it would be of value to the City to have such representatives of these two departments of the City Government represent the City at this convention; now, therefore, be it

Resolved, by the Board of Supervisors of the City and County of San Francisco, California, in regular session, this 5th day of August, 1929, that Service Post No. 97, the Police and Firemen's Post, American Legion of San Francisco, is hereby designated as the official representative of the City and County of San Francisco at the annual convention of the American Legion in the city of San Diego, California, August 19, 20, 21, 1929, and the Public Welfare and Publicity Committee is requested to make provisions necessary for the attendance as above provided.

On motion the foregoing resolution was *adopted* by the following vote:

Ayes—Supervisors Deasy, Gallagher, Kent, McGovern, McSheehy, Powers, Roncovieri, Shannon, Stanton, Suhr, Toner—11.

Absent—Supervisors Andriano, Colman, Havenner, Hayden, Marks, Schmidt, Todd—7.

Commending Action in Creating Harmony Amongst the Various Business Communities of the Bay Region.

Supervisor Hayden presented the following resolution:

Resolution No. 31244 (New Series), as follows:

Whereas, at a meeting of the Chambers of Commerce and business associations of all the bay cities, held Wednesday, July 24, in this city, the matter of harmonious endeavor among the various communities of the bay region was agreed upon; and

Whereas, the consensus of opinion was that this section of the state must, in order to progress and develop properly, work with a unity of purpose; and

Whereas, it is obviously to the advantage of this city, just as it is to every other city in the bay region, to lend every support to the maintenance of harmonious relations among our respective communities, not only in securing new industries, but in every other line of human endeavor and community development; now, therefore, be it

Resolved, That the Board of Supervisors of the City and County of San Francisco go on record in commendation of the meeting of the bay's commercial interests that has already been held, and offer cooperation in the furtherance of this commendable plan of unification of the aims and aspirations for the development of the bay region.

On motion the foregoing resolution was *adopted* by the following vote:

Ayes—Supervisors Deasy, Gallagher, Hayden, Kent, McGovern, McSheehy, Powers, Roncovieri, Shannon, Stanton, Suhr, Toner—12.

Revolving Fund for Purchase of Supplies.

Supervisor Schmidt presented the following bill:

Bill No. ————, Ordinance No. ———— (New Series), as follows:

Providing for the creation and operation of a revolving fund for the purchase of supplies.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. In accordance with the provisions of the Charter, Article III, Chapter I, Section 6, there is hereby created and established in the treasury of the City and County of San Francisco a revolving fund to be known as and called the "Purchaser's Revolving Fund."

Said fund shall consist of such specific appropriations as the Board of Supervisors may from time to time make or set aside for the use of said fund, as well as all other moneys that may be made available for such funds on transfers and earned discounts, in accordance with the provisions of the Charter, Article III, Chapter I, Section 6.

Section 2. Whenever the Purchaser of Supplies shall deem it necessary or advantageous, and to the best interests of the City and County of San Francisco, to draw upon and pay bills out of said Revolving Fund for the purchase of materials, supplies and equipment, or for the payment of bills on which discounts for prompt payment may be secured, or to make advantageous cash purchasing, under favorable or emergency market conditions, of materials or supplies for future departmental requisition and use, he shall draw and sign an order upon such fund for the amount of the bill or invoice in favor of the vendor or contractor and forward same to the Auditor, with the request that the Auditor issue an order on the Treasurer to have the amount requested advanced to said vendor or contractor.

Section 3. After a bill or invoice has been paid from the Purchaser's Revolving Fund the Purchaser of Supplies shall cause to be issued the regular warrant or demand, accompanied by the bill or invoice, which will then be approved and passed in the usual procedure now in vogue in the payment of all bills for material, supplies and equipment furnished the City and County.

Section 4. The Purchaser of Supplies shall, each quarter, make to the Auditor a detailed written report of the operation of the Purchaser's Revolving Fund during the previous quarter and furnish a statement of the condition of the fund, and it shall be the duty of the Auditor to audit such report.

This ordinance shall take effect immediately.

On motion, *referred to Joint Committee on Finance and Supplies.*

SPECIAL ORDER—2 P. M.

Budget, Board of Education.

In response to invitation, the members of the Board of Education were present and heard at length relative to its Budget of Expenditures for the current fiscal year. The following communications were presented and read:

July 19, 1929.

To the Honorable Board of Supervisors, City and County of San Francisco.

Gentlemen: In connection with the Budget of the Board of Education which has been submitted to you, I desire to call attention to certain statements made in a communication addressed to you by the Board of Education on May 24, 1929, and relating to increases that may have to be made to the Budget of the Board of Education for reasons set forth in that communication, as follows:

"The Board, in adopting the above tentative Budget Item No. 1, requested that a communication be sent to the Board of Supervisors informing them of the tentative Budget figures, which might be subject to revision owing to three provisos:

"First: Should the Citizens' Salary Committee recommend an increase for teachers' salaries the same, if adopted by the Board of Education, would increase the Budget.

"Secondly: Should the Salary Standardization Reports now before the Board of Supervisors be adopted the same would change the total Budget figures.

"Thirdly: If the so-called 'Back Salary' suit against the Board of Education be decided in favor of the plaintiffs, this would also affect the Budget."

Very truly yours,
J. M. GWINN,
Superintendent of Schools.

July 19, 1929.

To the Honorable Board of Supervisors, City and County of San Francisco.

Sirs: I herewith report to you, as provided in Section 1817 of the Political Code of California, Section 1764 of the Political Code, and Section 15 of Act 1477 of the General Laws of California, known as the Junior College District Act, the following sums of money which must be raised by city and county school taxes levied at the time and in the manner prescribed by law:

Declaratory Ordinance, Acquisition of Distribution System, Pacific Gas and Electric Company.

On recommendation of Public Utilities Committee.

Bill No. 8981, Ordinance No. 8493 (New Series), as follows:

Determining and declaring that the public interest and necessity demands the acquisition by the City and County of San Francisco of a public utility, to-wit: Certain parts and portions of the electric generating and distributing system of the Pacific Gas and Electric Company, and the lands, properties and rights incident and appurtenant thereto which are now being used by said Pacific Gas and Electric Company in supplying electricity for lighting, heating and power purposes to the City and County of San Francisco and its inhabitants, and directing the Board of Public Works to procure, through the City Engineer, and file with the Board of Supervisors, plans and estimates of cost of acquisition, original construction and completion by said City and County of the said public utility, to be owned and controlled by the City and County of San Francisco and used for the purpose of supplying said City and County and its inhabitants with electricity for lighting, heating and power purposes.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. It is hereby determined and specifically declared that the public interest and necessity demands the acquisition by the City and County of San Francisco of a public utility, to-wit, those certain parts and portions of the electric generating and distributing system of the Pacific Gas and Electric Company, and the lands, properties and rights incident and appurtenant thereto, which are described, set out and identified in that certain schedule of said properties prepared by the City Engineer and the City Attorney and filed with the Clerk of this Board on the 17th day of December, 1923, marked and identified as "Exhibit A," "Properties of the Pacific Gas and Electric Company to be acquired under Condemnation Proceedings or Otherwise," a copy of said "Exhibit A" being also attached to and forming a part of Application No. 9768, filed in and with the Railroad Commission of the State of California on the 11th day of February, 1924, and so filed under the authority of Resolution No. 21988 (New Series) of this Board, modified, however, as to the particular description of the said properties described and referred to in said "Exhibit A" by two certain amendments to the original petition filed by the City and County of San Francisco under said Application No. 9768, authorized, respectively, under Resolution No. 24616 of this Board, approved on the 20th day of October, 1925, and by Resolution No. 27196 (New Series) of this Board, approved April 27, 1927, both of which amendments to said petition were duly authorized and approved by the said Railroad Commission, and also including the additions and betterments added to the particular properties, hereinabove identified and referred to, subsequent to February 11, 1924.

Section 2. That the properties referred to in the preceding section are now being used by the Pacific Gas and Electric Company in supplying electricity for lighting, heating and power purposes to the City and County of San Francisco and its inhabitants, and that it is necessary for the City and County of San Francisco to acquire the said properties under eminent domain proceedings.

Section 3. The Board of Public Works is hereby directed to procure, through the City Engineer, and file with the Board of Supervisors plans and estimates of the cost of acquisition, original construction and completion by said City and County of the public utility herein designated and referred to.

Section 4. This ordinance shall be published in the official newspaper for the period required by law and shall take effect immediately after its approval.

Ordering the Improvement of Twentieth Street Between Pennsylvania Avenue and Iowa Street, Expense of Property Owners.

On recommendation of Streets Committee.

Bill No. 8996, Ordinance No. ———— (New Series), as follows:

Ordering the performance of certain street work to be done in the City and County of San Francisco, approving and adopting specifications therefor.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. The Board of Public Works in written communication filed in the office of the Clerk of the Board of Supervisors July 8, 1929, having recommended the ordering of the following street work, the same is hereby ordered to be done in the City and County of San Francisco in conformity with the provisions of the Street Improvement Ordinance of 1918 of said City and County of San Francisco, said work to be performed under the direction of the Board of Public Works, and to be done in accordance with the specifications prepared therefor by said Board of Public Works, and on file in its office, which said plans and specifications are hereby approved and adopted.

That said Board of Supervisors, pursuant to the provisions of Part II of the said Street Improvement Ordinance of 1918 of said City and County of San Francisco, does hereby determine and declare that the assessment to be imposed for the said contemplated improvements, respectively, may be paid in twenty installments; that the period of time after the time of the payment of the first installment when each of the succeeding installments must be paid is to be six months from the time of the payment of the preceding installment, and that the rate of interest to be charged on all deferred payments shall be seven per centum per annum.

The improvement of Twentieth street between Pennsylvania avenue and Iowa street, by the construction of concrete curbs; by the construction of side sewers, and by the construction of a concrete pavement on the roadway thereof.

Section 2. This ordinance shall take effect immediately.

Adopted.

The following matters were *adopted* by the following vote:

Appropriation.

On recommendation of Finance Committee.

Resolution No. 31258 (New Series), as follows:

Resolved, That the sum of $235.31 be and the same is hereby set aside and appropriated out of County Road Fund to defray the cost of the improvement of the intersection of Payson street and St. Charles avenue (Fay Improvement Company contract).

Water, Modesto Irrigation District.

Also, Resolution No. 31259 (New Series), as follows:

Whereas, a question has arisen between the City and County of San Francisco and the Modesto Irrigation District regarding the rights to certain waters stored in the reservoirs of the City and County of San Francisco, the district claiming that said waters to the amount of more than 46,500 acre feet should be released to the district and stored in the Don Pedro Reservoir; and

Whereas, should the City be compelled to release said waters, it will not be possible to utilize them for hydro-electric power producing pur-

poses, which said waters if used by the City for the production of hydro-electric power would be of the value of more than $190,000; and

Whereas, it is possible for the City to acquire from the Turlock Irrigation District a sufficient amount of water to satisfy the demands of said Modesto Irrigation District at a cost of not more than $19,-500; now, therefore, be it

Resolved, That for the purpose of avoiding at this time any litigation as to the respective rights of the City and County and the Modesto Irrigation District, relative to the waters of the Tuolumne river, that the City acquire from the Turlock Irrigation District the right to use 46,500 acre feet of the water belonging to the Turlock Irrigation District in the Don Pedro Reservoir, and permit the same to be diverted from said reservoir by the Modesto Irrigation District, and that the City pay to the said Turlock Irrigation District the sum of $19,500 for said 46,500 acre feet of water, or such proportion of the amount of said sum as the exact amount of water taken by the City bears to said 46,500 acre feet. And be it

Further Resolved, That the Mayor of the City and County of San Francisco and the Clerk of the Board of Supervisors be and they are hereby authorized to execute such agreements as may be necessary to carry out the terms of this resolution. And be it

Further Resolved, That in any agreements executed between the City and either said Turlock or Modesto Irrigation District, there shall be inserted a provision to the effect that the paying for said water to the Turlock Irrigation District, or the delivery of the same to Modesto Irrigation District, shall in no way effect or prejudice any of the rights that the City has to the waters of the Tuolumne river or its tributaries.

Setting Time, Hearing of Appeal of Property Owners, Zoning Great Highway Between Taraval and Ulloa Streets.

On recommendation of Industrial Development and Interurban Relations Committee.

Resolution No. 31264 (New Series), as follows:

Whereas, the City Planning Commission did by its Resolution No. 72, adopted June 11, 1929, deny the application to change the easterly side of the Great Highway from a point 100 feet south of Taraval street to Ulloa street from the Second Residential District to the Commercial District; and

Whereas, there was filed with the Board of Supervisors on July 11, 1929, within the time fixed for filing of appeals from the decision of the City Planning Commission, as set forth in Section 4, Article XVIII, of the Charter, entitled "Proposed Charter Amendment Creating a City Planning Commission," a protest from owners of property within the district to be affected by requested change of zone classification; and

Whereas, an examination of said protests shows signatures of the owners of more than twenty (20%) per cent of the property affected, as delineated on map filed with the City Planning Commission in connection with the original application, as required under the provisions of said Section 4, Article XVIII, of the Charter; therefore be it

Resolved, That Monday, August 19, 1929, at the hour of 10 a. m., in the chambers of the Board of Supervisors, is hereby fixed as the time and place for hearing the appeal of property owners from the decision of the City Planning Commission denying the requested application for the change of the easterly side of the Great Highway from a point 100 feet south of Taraval street to Ulloa street from the Second Residential District to the Commercial District.

On motion the foregoing bill and ordinance was *passed for printing.*

Expression of Esteem for Captain Michael Riordan.

Supervisor Havenner presented the following:

Resolution No. 31276 (New Series), as follows:

Whereas, Captain Michael Riordan has rendered distinguished service to the people of San Francisco since he entered the Police Department of this City and County in 1913; and

Whereas, in recognition of such distinguished service he was promoted rapidly from the ranks to the office of captain in the Department, and has repeatedly served as Acting Chief of the Police Force; and

Whereas, during the period of his membership in the Police Department he not only served this Nation with distinction in the World War, but also, in his hours off duty, engaged in the study of the law and has been admitted to practice at the bar; and

Whereas, Captain Riordan has recently applied for and been granted an extended leave of absence in order to practice his new profession, and has expressed the intention of retiring permanently from the Police Department; now, therefore, be it

Resolved, That this Board of Supervisors does hereby express its high regard and esteem for Captain Michael Riordan, its unqualified approbation of his fine public service, its regret at his withdrawal from

the Police Department, and its sincerest good wishes for his success in his chosen field of future endeavor; and be it

Further Resolved, That the Clerk of this Board is hereby directed to present a copy of this resolution, properly engrossed, to Captain Riordan and his family.

On motion the resolution was *adopted* by the following vote:

Ayes—Supervisors Andriano, Deasy, Havenner, Hayden, Kent, McGovern, McSheehy, Roncovieri, Schmidt, Shannon, Stanton, Suhr, Todd, Toner—14.

Absent—Supervisors Colman, Gallagher, Marks, Powers—4.

Removal of Old Wrecks From Ocean Beach.

Supervisor McSheehy reported that he had received a figure in the sum of approximately $32,000 for the removal of the old hulks resting on the beach at or near that portion known as Land's End, adjoining Baker's Beach.

The question of the removal and the expenditure of the money was discussed. It appears that some of the beach lands affected are vested in private ownership.

The City Attorney was, on motion, requested to advise the Board as to whether the cost of removal of the derelicts was not incumbent upon owners of beach property.

Garbage Collections.

On motion of Supervisor Toner the report of the Health Committee relative to gathering garbage from hotels and restaurants for hog feed was *rereferred to the Health Committee.*

Mayor Appoints Committee for Armistice Day.

Absent—Supervisors Colman, Gallagher, Marks, Powers—4.

Communications.

Communications were received from his Honor the Mayor as follows:

Meeting of Industrial Water Users' Association.

His Honor the Mayor presented a communication enclosing a letter addressed to Mr. L. E. Mullen, Secretary of the Industrial Water Users' Association, from the Iron Canyon Project Association, calling attention to a meeting to be held in San Francisco August 14, to discuss valley water problems.

The communication was read by the Clerk and ordered *filed.*

Also, his Honor the Mayor presented the following communication:

Recommending Appointment of Additional Deputy Justices' Clerks.

San Francisco, August 12, 1929.

Honorable Board of Supervisors, City Hall, San Francisco.

Gentlemen: Application having been made to me by the Justices' Clerk of the Justices' Court of this City and County, for authority to appoint three Deputy Justices' Clerks, and having found, upon investigation, that such Clerks in the Justices' Court are necessary, I re-

spectfully recommend that you concur with me in appointing such clerks, Assembly Bill No. 747, covering this increase, having been passed by the last Legislature and signed by the Governor.

This recommendation is made in accordance with the provisions set forth in the above bill.

Yours very truly,

JAMES ROLPH, JR., Mayor.

Read and, on motion, *referred to Finance Committee.*

Confirmation of Sale of City Land.

The following communication was also received from his Honor the Mayor:

San Francisco, August 6, 1929.

Mr. John Dunnigan, Clerk of the Board of Supervisors, City Hall, San Francisco, California.

Dear Mr. Dunnigan: Attached hereto is the appraisement of the property set forth in Ordinance No. 8435 (New Series), signed by the Assessor and chairman of the Finance Committee, which I am returning unsigned by me for the reason that I had heretofore received information through the right of way office that the same was appraised at $2,500. This information was received by my assistant secretary, Mr. Smith, as the value that had been fixed. It was upon this information that the check for $2,517 was forwarded with the statement that it was 90 per cent of the appraised value.

Inasmuch as the $2,517 was the only bid received, and as the same was not 90 per cent of $3,000, I have heretofore asked the Enterprise Brewing Company if they wish to raise their bid, and they have forwarded a check to this office for $300, and bid $3,000, which is more than 90 per cent of the appraised value of the property above mentioned. I respectfully request that you present same to the honorable Board of Supervisors for their confirmation.

Very truly yours,

JAMES ROLPH, JR., Mayor.

Read, and *the Clerk was directed to proceed to advertise notice of confirmation of sale as required by Charter.*

Meeting of Redwood Empire Supervisors' Unit.

A communication from the Redwood Empire Supervisors' Unit Association, advising that its meeting will be held at the Whitcomb Hotel on Wednesday, August 14, 1929, at 10 a. m.

Communication read by the Clerk.

Supervisor Todd announced that he would attend the meeting, in company with several other members of the Board of Supervisors.

Industrial Committee of the Chamber of Commerce Express Appreciation in re Success of Furniture Week.

Supervisor Havenner presented the following communication:

San Francisco Chamber of Commerce, August 1, 1929.

Mr. Franck R. Havenner, 235 City Hall, San Francisco.

Dear Mr. Havenner: At yesterday's meeting of the Industrial Committee, details of the successful Furniture Week, just closed, were reviewed, and I was requested, as chairman, to convey to you the hearty thanks of the members of the committee for the cooperation of the Board of Supervisors in making this furniture market week the most successful yet held.

The committee is especially grateful to the members of the Board for the authorization which made possible the decoration of Market

street and the streets immediately in the vicinity of the Furniture Exchange, welcoming the furniture dealers to San Francisco.

Very truly yours,

L. O. HEAD, Chairman of Industrial Committee.

Read and ordered *filed*.

Pageant at Monterey.

A communication from Hon. W. G. Hudson, Mayor of Monterey, addressed to Hon. James Rolph, Jr., Mayor of San Francisco, stating that the Annual Pageant and Serra Pilgrimage will be held in Monterey from the 15th to the 18th of August, and requesting that a representative from each mission town of the State of California be present to answer the roll call when the name of their mission is called.

On motion Supervisor Hayden was appointed to be present and answer the roll call for San Francisco.

Motion.

Supervisor Todd moved that the Clerk invite Colonel Snook, head of the State traffic patrol, to be present or have a representative present at the meeting of the Board Monday, August 19, at 10 o'clock a. m., for the purpose of advising the Board regarding the work of his department, relative to the patrol system established, affecting San Francisco.

The Clerk was directed to invite Colonel Snook to attend the meeting.

ADJOURNMENT.

On motion the Board at the hour of 5:05 o'clock adjourned.

J. S. DUNNIGAN, Clerk.

Approved by the Board of Supervisors September 23, 1929.

Pursuant to Resolution No. 3402 (New Series) of the Board of Supervisors of the City and County of San Francisco, I, John S. Dunnigan, hereby certify that the foregoing is a true and correct copy of the Journal of Proceedings of said Board of the date thereon stated and approved as recited.

SPECIAL ORDER—11 A. M.

New Garage Ordinance.

Bill No. ————, Ordinance No. ———— (New Series), as follows:

Governing the construction, equipment, maintenance and operation of public, commercial and private garages; regulating and providing for the storage and use of gasoline in connection with public, commercial and private garages; duties of the Fire Marshal; penalty for violation; repealing Ordinance No. 746 (New Series) and all ordinances or parts of ordinances in so far as they conflict with this ordinance.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. Whenever used in this ordinance, the following terms and words are defined as herein specified and shall be deemed and construed to have the meaning ascribed to them in this section.

(a) An "automobile" shall mean any self-propelling vehicle.

(b) "Gasoline" shall mean and include any product of petroleum flashing below the temperature of 110 degrees Fahrenheit. The Fire Marshal of the City and County of San Francisco shall determine such flashing point.

(c) A "commercial garage" is a building wherein three or more automobiles, designed, used or maintained for the transportation of property and operated by the owner or owners thereof, are kept or stored, and where no charge is made for the storage and keeping of same.

(d) A "public garage" shall mean any building, structure or part thereof wherein three or more automobiles are kept or stored by the public, or wherein automobiles stored or kept are rented out to and hired by the public, and where a charge is made for the storing or keeping of three or more automobiles.

Nothing in the above definitions (c) and (d) shall operate against providing automobile storage in flats or dwellings for occupants only, not exceeding four hundred (400) square feet in area for each flat or dwelling. In apartment house buildings, nothing in definitions (c) and (d) shall operate against providing storage space for occupants only, of two hundred (200) square feet for each apartment within the building, providing that the spaces in which automobiles are stored are erected in strict accordance with the State Housing Act of 1923 and amendments thereto. Nothing in said definitions shall operate against an owner having greater space than herein defined, provided that where the garage exceeds the area mentiond, the construction of the garage shall be fireproof as defined under the ordinance for class "A" and "B" construction.

(e) Any other building, structure or part thereof, wherein one or more automobiles are kept or stored, except those establishments which are specifically regulated by any other ordinance, shall be deemed to be a "private garage."

Application for Permit.

Section 2. (a) It shall be unlawful for any person, firm or corporation to establish, conduct, maintain or operate a public or commercial garage without first obtaining a permit therefor from the Board of

Supervisors of the City and County of San Francisco. Every such permit shall contain the name of the person, firm or corporation to whom the same is issued and the location of the premises upon which such public or commercial garage is to be located.

(b) Every application for a permit to establish, conduct, maintain or operate a public or commercial garage shall, before action is taken thereon by the Board of Supervisors, be referred to the Fire Marshal and the Board of Public Works for investigation and report. No such permit shall be granted unless applicant agrees to comply in all respects with the requirements of this ordinance; provided, further, that in the event any person, firm or corporation engaged in the business of a public or commercial garage in a building which in any manner does not conform to the provisions of this ordinance, shall vacate the premises, or discontinue such business, then, and in that event, it shall be unlawful for any person, firm or corporation to subsequently establish, conduct, maintain, or operate the said premises as a public or commercial garage, unless such premises shall be made to comply with all the requirements of this ordinance.

(c) When application is made to the Board of Supervisors by any person, firm or corporation to establish, conduct, maintain or operate a public or commercial garage, said applicant shall cause to be posted conspicuously on the premises intended to be occupied by the public or commercial garage a notice to the effect that application has been made to the Board of Supervisors for such permit. Said notice to be conspicuously posted within twenty-four (24) hours after the filing of the application and shall be kept posted for a period of not less than seven (7) days. It shall be the duty of the applicant to see or keep said sign conspicuously posted for the said period of seven (7) days.

(d) A permit to establish, conduct, maintain or operate a public or commercial garage is not transferable without the consent of the Board of Supervisors.

(e) No permit shall be granted to conduct, operate or maintain any public or commercial garage within the boundaries of two hundred (200) feet of any school, church, theatre, or hospital; said measurement to be taken from the front entrance of said garage to the front entrance of said school, church, theatre or hospital; nor shall any permit be issued to hereafter construct, erect, maintain or operate a public or commercial garage within fifty (50) feet of the property line of any school, church, theatre or hospital building.

Construction.

Section 3. (a) Every building, structure or part thereof hereafter erected, altered or changed so as to be occupied, conducted, maintained or operated as a public or commercial garage shall be of class "A", "B" or "C" construction (as defined in the Building Law of the City and County of San Francisco), provided said building or structure is not more than one (1) story in height, and if more than one story in height, it shall be of either class "A" or "B" construction. The roof of such class "C" building or structure shall be of metal supported on steel or timer trusses. The floors of all garages shall be concrete construction or steel frame with concrete construction.

(b) A public or commercial garage shall not be maintained in any building that is occupied in any part for any other purpose than that necessary for the operation of a public or commercial garage, unless said building is of class "A" or "B" construction throughout. The portion occupied as a public or commercial garage shall have no entrance, exit, or other opening of any kind whatsoever into other portions of the building not so occupied, unless said opening or openings are located as required by the Board of Public Works. Such openings shall be protected with a full Underwriter's Automatic Fire Door on inclined tracks with fusible links, or an approved Underwriter's Automatic Rolling Steel Shutter, fusible links, on both sides of the opening in the wall. Any screen door required in the opening shall be equal

to a full kalamein or hollow metal construction. Walls separating such portion occupied as a public or commercial garage and the remainder of the building shall be of brick, stone, or reinforced concrete. The floors which constitute the ceilings of such garage shall be of reinforced concrete slabs, not less than four (4) inches thick, supported by concrete fireproofed carrying units of the frame. These slabs shall be not less than six (6) inches thick, where they constitute the floor of the public assembly room and the ceiling of the garage. All such slabs shall be reinformed so as to develop their full strength to resist upward pressures, and the ceilings of all garages under places of public assembly shall be equipped with an automatic sprinkler system as provided in all ordinances of the City and County of San Francisco in reference thereto.

(c) Every space in a building hereafter erected in which automobiles or other motor vehicles are placed or stored shall be provided with ventilation as follows:

When the total space on any floor to be used for such purposes is 4000 square feet or less, such space shall be provided with ventilation outlets in the walls thereof.

The total areas of such ventilating outlets shall be as follows:

For a space of 1000 square feet or less, 200 square inches. For each additional space of 200 square feet over 1000 square feet this area shall be increased 50 square inches until the total area becomes 525 square inches, which shall be the maximum required for a space of not more than 4000 square feet.

The top of the ventilating outlets shall be not more than 18 inches above the floor. Such outlets shall be protected with galvanized wire rods not less than ⅜ inch in diameter so as to provide opening of ½-inch mesh.

Protections of ornamental design may be used provided they are galvanized and have a strength equal to that of the rods. All protections shall be firmly anchored in or secured to their supports. All ventilating outlets shall lead directly to a free and unobstructed circulation of air; but shall not lead into inner courts.

All natural ventilating outlets shall be arranged so that there will be at least one outlet in each of two opposite walls of said garage and not less than one-half of the total area of outlets required shall be provided in each of such walls. The free circulation of air between ventilating outlets shall be maintained.

When such space has a floor area of over 4000 square feet a mechanical exhaust ventilation system shall be provided. This system shall consist of power driven exhaust fan or fans of the positive centrifugal type and shall have sufficient capacity to exhaust a quantity of air equal to not less than six times the cubic contents of such space each hour. This mechanical exhaust shall be drawn from a point not more than 18 inches above the floor line and shall be evenly distributed over the entire area in which automobiles are stored. The fan discharge shall be taken to a point above the roof of the building or to the outer air at a point not less than 20 feet from any window in the building or any adjoining building.

(d) An automobile repair shop, tire vulcanizing shop, battery shop and automobile painting shop, may be maintained in a public or commercial garage provided they are separated from the automobile storage section of the public or commercial garage by partitions of concrete, brick or terra cotta title, which shall extend from the floor to the ceiling, or floor to the roof above; provided, however, that no battery shop or automobile painting shop shall be maintained in any public or commercial garage located under a place of public assembly or basement of any building occupied by a public or commercial garage. All openings in said partitions shall be located as directed by the Board of Public Works and the protection to such openings shall consist of an approved Underwriter's Automatic Fire Door on inclined tracks with fusible links or an approved Underwriter's Automatic Rolling Steel

Shutter with fusible links, in addition to the temporary protection for opening or closing, which must be constructed of plates and angles, and if glazed, wire glass only shall be used. All such shops shall be conducted, maintained and operated as required by all ordinances governing such establishments.

(e) All private garages with a floor area in excess of four hundred (400) square feet shall be constructed as provided in this ordinance for public or commercial garages, if built independent of any building that is used as living quarters.

Storage of Gasoline.

Section 4. Whenever the word "approved" shall hereafter appear in this ordinance, it shall mean approved by the Fire Marshal.

(a) Permission must be received from the Fire Marshal before storing or keeping gasoline in or for any public or commercial garage, but in no event shall the quantity exceed the maximum prescribed in this section.

(b) Not more than one approved five (5) gallon can of gasoline and approved portable filling tanks containing not more than fifty (50) gallons of gasoline each may be stored or kept inside of any public or commercial garage, except such gasoline which is contained in the reservoir of automobiles stored therein. Not more than one (1) approved portable filing tank shall be allowed on any one floor of a public or commercial garage.

(c) Additional gasoline may be stored or kept for a public or commercial garage in approved tanks, outside the walls of the building and buried underground. Not more than four (4) such tanks containing not more than five hundred (500) gallons of gasoline each, making two thousand (2000) gallons in the aggregate, shall be allowed to be stored or kept for any one public or commercial garage. All such tanks shall be constructed of galvanized steel at least number twelve (12) gauge in thickness, or iron not less than three-sixteenths (3/16) of an inch in thickness. All tanks shall be coated on the outside with tar, asphaltum or other suitable rust-resisting compound.

(d) A permit shall be required from the Fire Marshal to store or keep gasoline in excess of five (5) gallons in or for any private garage. The Fire Marshal shall determine the amount of gasoline, if any, that may be stored, but in no event shall the quantity exceed the maximum allowed for a public or commercial garage. Said gasoline shall be stored or kept as required for a public or commercial garage.

Tanks, Pipes and Pumps.

Section 5. All underground gasoline storage tanks, pipes and appurtenances used in connection with a public, commercial or private garage shall be installed as follows, unless otherwise required by the Fire Marshal:

(a) All underground tanks shall be placed outside the building, under the sidewalk, close to the curb line.

(b) The top of each such tank shall be at least four feet below the sidewalk and the space between the top of the tank and sidewak shall be filled with earth.

(c) No such tank shall be connected with another so that gasoline can flow or be pumped from one underground tank to another.

(d) All such tanks shall set on a firm foundation and, where water is encountered, tanks shall be enclosed in an approved watertight reinforced concrete vault.

(e) Where two or more tanks are installed, there shall be an approved brick or concrete dividing wall between each tank not less than twelve (12) inches in thickness or three (3) feet of earth.

(f) Each tank shall have a separate filling pipe extending up to the sidewalk or grade, capped with a screw cap, which must be screwed up tight at all times except when filling, and shall be covered with a metal plate flush with the sidewalk or grade.

(g) Each such tank shall have a separate one (1) inch vent pipe

extending out of the top of the tank to a height of not less than twelve (12) feet and capped with a double return bend equipped with a non-corrodible wire screen of thirty (30) mesh. The lower end of vent pipe shall not extend through the top into the tank for a distance of more than one (1) inch. Vent pipe shall be on the outside of the building and terminate not less than three (3) feet, measured horizontally and vertically, from any window or other building opening.

(h) Each such tank shall have at least one suction pipe. Two or more tanks may be connected with one pump, provided the suction pipes siamese at the pump with valves to close each suction pipe.

(i) All pipes shall lead out of the extreme top of each tank; and shall be at least twelve (12) inches underground or enclosed in concrete. Said pipes shall have a fall toward the tank.

(j) All pipes and fittings shall be standard, full weight galvanized iron, or equivalent, and shall be put together with litharage and glycerine.

(k) Tanks and pipes shall not be covered until an inspection has been made by the Fire Marshal and permission so to do has been granted by said officer. The Fire Marshal shall be notified when the work is ready for inspection.

(l) Gasoline shall be taken from such tanks only by means of an approved pump, which shall be installed in an approved location, not below the first floor. No gravity, siphon or pressure system shall be used for taking gasoline from any tank.

(m) The Fire Marshal shall have the right at any time to take, or demand to be taken, a test for leaks on any tank, pipes or appurtenances, and, if found to be defective, shall demand that they be repaired or replaced.

Safety Regulations.

Section 6. The following safety regulations shall govern the operation and maintenance of public, commercial and private garages.

(a) Each underground tank shall be filled with gasoline only through pipe or hose connected to a tank truck, leading through continuous metal fittings or connections, properly grounded to and into the filling pipe of such underground tank.

(b) The reservoir of an automobile shall be filled with gasoline only through an approved hose connected to a pump on a portable filling tank or underground tank.

(c) Wherever possible, portable filling tanks shall always be kept near the entrance of garage when not in use.

(d) No gasoline shall be allowed to be kept or conveyed in open receptacles inside a garage.

(e) No smoking shall be allowed inside of any garage and notices to that effect shall be conspicuously posted as required by the Fire Marshal.

(f) All inflammable waste and rubbish shall be kept at all times in metal receptacles fitted with a tight cover until removed from the premises.

(g) Sawdust shall not be kept and sawdust or other flammable material shall not be used for the purpose of absorbing oil, grease or gasoline. Oil and grease shall not be allowed to accumulate on the floor of any garage. Gasoline shall not be used for cleaning the engine of any automobile.

(h) All lights on an automobile shall be extinguished before filling reservoir with gasoline and the engine of said automobile shall not be in motion.

(i) No gasoline, grease, oil or flammable liquids of any kind shall be allowed to flow or be placed into the drainage system.

(j) No tank truck, empty or otherwise, used for the transportation of flammable liquids shall be admitted inside any garage, unless the garage is used exclusively for the keeping of such vehicles.

(k) The heating of any garage shall be accomplished only by an approved steam or hot water system.

(l) Gasoline shall not be kept or stored below the first floor of any garage, except that which is contained in the reservoirs of automobiles stored therein.

(m) No system of artificial lighting other than incandescent electric lamps shall be installed. All portable lights shall be equipped with keyless sockets and lamp guards. All electric switches, sockets and plugs shall be at least four feet above the floor. All electric wiring shall be installed as required by the Department of Electricity.

(n) All electric motors or devices capable of emitting an exposed spark shall be located at least four feet above the floor.

(o) All lockers shall be constructed entirely of incombustible material and no gasoline, oils or other flammable liquid shall be kept therein.

(p) At least one (1) approved fire extinguisher containing not less than two and one-half (2½) gallons of chemical, if of the soda and acid or foam type, or not less than one quart if of the carbon tetra-chloride type, shall be provided for every one thousand (1000) square feet of floor area or fraction thereof, which shall be installed and located as required by the Fire Marshal. Not more than one-half of the total number of such fire extinguishers may be of the carbon tetra-chloride type. All extinguishers of the carbon tetra-chloride type must be kept filled with the proper fluid at all times. All extinguishers of the soda and acid or foam type must be properly recharged not less than once each year and date of such recharging shown on tag attached thereto. Near each such fire extinguisher there shall be maintained an approved bucket of clean dry sand. In addition to the buckets of sand, every public and commercial garage shall maintain on each floor, an approved barrel of clean dry sand. All of the above containers of sand shall have painted thereon in an approved manner, the words: "Sand—For Fire Use."

(q) No stove, forge, torch, furnace, heating apparatus, flame, fire or other apparatus, device or equipment which the Fire Marshal shall deem to be hazardous, shall be maintained or kept unless approved by the Fire Marshal.

(r) All automobiles shall be spaced in an approved manner so as to allow members of the Fire Department or other persons to easily reach any automobile or any part of the premises in case of fire.

(s) No portion of any garage shall be used for the storage or keeping of goods, merchandise or any flammable material, except the necessary automobile parts, accessories and supplies.

(t) All waste oil shall be kept in an approved tank located outside the walls of the building, under the sidewalk and close to the curb line. Such tank shall be equipped with approved suction, filling and vent pipes. No such waste oil shall be kept in cans or drums above ground.

Duties of the Fire Marshal.

Section 7. (a) It shall be the duty of the Fire Marshal of the City and County of San Francisco to see that the provisions of this ordinance are complied with, except the supervision of building construction and alteration, and for that purpose shall have access at all times to any and all public, commercial and private garages.

(b) In the event that any person, firm or corporation to whom a permit has been granted by the Board of Supervisors to establish, conduct, maintain or operate a public or commercial garage shall violate, cause or permit to be violated any of the provisions of this ordinance (which are for the public safety), it shall be the duty of the Fire Marshal to notify said person, firm or corporation in writing to appear before the Board of Supervisors of the City and County of San Francisco within five (5) days after the service of said notice to then and there show cause why the permit which has been granted to establish, conduct, maintain or operate a public or commercial garage shall not be revoked.

(c) If the said person, firm or corporation on whom said notice was served by the Fire Marshal to appear before the Board of Supervisors fails or refuses to appear before the said Board of Supervisors it shall be the duty of the said Board of Supervisors to notify in writing said person, firm or corporation to whom a permit has been issued that said permit, through failure or neglect to appear before the Board of Supervisors, is revoked. Said person, firm or corporation on whom notice was served by the Fire Marshal and who failed, refused or neglected to appear before said Board of Supervisors, is hereafter liable to the penalty imposed by this ordinance, if said person, firm or corporation shall continue to conduct, maintain or operate such public or commercial garage after being notified in writing that the permit issued by the Board of Supervisors has been revoked.

(d) The Fire Marshal shall have the right to revoke any permit that has been issued for the storage of gasoline for violation of any of the provisions of this ordinance.

Penalty.

Section 8. When any person, firm or corporation violates or refuses to comply with any of the provisions of this ordinance (which are for the public safety) said person, firm or corporation shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a fine not exceeding five hundred ($500) dollars, or by imprisonment in the County Jail for not more than six months, or by both such fine and imprisonment. Each such person, firm or corporation shall be deemed guilty of a separate offense for each day such violation shall continue and shall be subject to the penalty imposed by this ordinance for each and every such separate offense.

Section 9. Ordinance No. 746 (New Series) and all ordinances or parts of ordinances in so far as they conflict with this ordinance are hereby repealed.

Section 10. This ordinance shall take effect immediately.

Section 57a. Every person who peddles fish, vegetables, fruit, game or poultry in any manner, shall pay a license of nine ($9) dollars per quarter. (As amended by Ordinance No. 6513, New Series.)

Section 57b. Every person who peddles or sells upon the public street, from an automobile or truck, or a vehicle commonly known as a rolling store or traveling grocery store, groceries or articles usually carried for sale in grocery stores (excepting milk, or bread, or the articles specifically mentioned in the preceding section), shall pay a license of one hundred fifty ($150) dollars per quarter for each such vehicle so operated. (As amended by Ordinance No. 6513, New Series.)

Section 57c. Every wholesale peddler of candies or confections of any description, including chocolates, chocolate bars, popcorn confections, cough drops and chewing gum, shall pay a license tax of twenty-five ($25) dollars per quarter.

For the purpose of this section a wholesale peddler is defined to be and include all persons, both principal and agent, and all firms, corporations, partnerships, or any other joint or singular enterprise engaged in by a person or persons not having a regular fixed and established place of business in the City and County of San Francisco, who travel from place to place, or have a stand upon any public street or alley, or any other place, doorway or any room or building, unenclosed or vacant lot or parcel of land, and who sells, or offers for sale, any of the products mentioned herein to retail dealers for the purpose of resale, and the person or firm so engaged shall not be relieved from the provisions of this section by reason of association temporarily with any local dealer, trader, merchant or auctioneer, or by conducting any temporary business in connection with, or as a part of, or in the name of, any local dealer, trader, merchant or auctioneer. Any sale by a retail peddler to a retail dealer for the purpose of resale shall classify him as a wholesale peddler and he shall be liable for the difference between what he paid at the beginning of the quarter as a retail peddler and what it would have been had he been paying a wholesale license.

This section shall not apply to any manufacturer of any of the articles specified herein who peddles such article manufactured by him. He shall be entitled to a license without the payment of said fee, provided, however, such manufacturer shall first file with the Tax Collector an affidavit setting forth his name and address, the amount and variety of such articles as he proposes to sell, the place where said article or article is or are manufactured, and that sai darticle or articles was or were actually manufactured by him.

Section 57d. All persons peddling shall have a metallic plate or tag, which shall specify the quarter for which the license was issued, provided that the Tax Collector shall designate the style or pattern of said tag or plate.

All licenses issued under the provisions of Sections 56, 57, 57a, 57b and 57c shall be issued for a period of three months and shall date from the first day of January, April, July and October of each year; provided that on application for the first time, and said application be made after the first day of last month of aforesaid quarters, and having been granted, then the Tax Collector may issue a temporary permit, which shall expire on the last day of the current quarter.

ROLL CALL FOR THE INTRODUCTION OF RESOLUTIONS, BILLS AND COMMUNICATIONS NOT CONSIDERED OR REPORTED UPON BY A COMMITTEE.

Approval of President Hoover's Proposed Commission to Consider Proposed San Francisco-Alameda Bay Bridge.

Supervisor Shannon presented:

Resolution No. 31310 (New Series), as follows:

Whereas, President Hoover has made the announcement at Washington that he will appoint a Commission or Joint Board, representing the Navy, the Army, the State of California, the East Bay communities and the City of San Francisco, for the purpose of considering all matters relating to the proposed bridge across San Francisco Bay; and

Whereas, the President has stated definitely that there can be no question as to the necessity for such a bridge for the economic development of the communities about the Bay, and believes that a Joint Board of this character, representing all interests, will be in a position to make an exhaustive investigation of the plans, site and other matters which have been in dispute for the past two years; and

Whereas, the President expresses the hope that the appointment of such a Commission will result in a final determination of the bridge problem which will be acceptable to all interested parties and thus hasten the actual construction of the transbay bridge, which is recognized by all to be of such vital importance to the progress and development of the entire San Francisco Bay area; therefore, be it

Resolved, That the Board of Supervisors, as the official representatives of all the people of San Francisco, expresses its appreciation and gratitude to the President for this evidence of friendly interest in and approval of the Bay bridge project; and be it

Further Resolved, That the Board of Supervisors heartily endorses and approves the plan of President Hoover for the appointment of such a Commission, as a logical, practical and business-like way of meeting and solving the bridge problem, and pledges its sincere and earnest cooperation in the carrying out and consummation of the President's plan.

Be it Further Resolved, That a certified copy of this resolution be forwarded by the Clerk of the Board to the President of the United States.

Adopted by the following vote:

Ayes—Supervisors Andriano, Colman, Deasy, Havenner, Hayden, Kent, Marks, McGovern, McSheehy, Powers, Roncovieri, Schmidt, Shannon, Stanton, Suhr, Todd, Toner—17.

Absent—Supervisor Gallagher—1.

Hearst Commended on Graf Zeppelin World Tour.

Supervisor Suhr presented:

Resolution No. 31311 (New Series), as follows:

Whereas, the field of aviation has reached a proportion of development beyond the ordinary imaginations of men through the marvelous voyage of the Graf Zeppelin on its first lap around the world; and

Whereas, the Hon. William Randolph Hearst, through his world-wide publications, has given the voyage of the Graf Zeppelin a prominence in the news, a stimulation of effort in aviation, and an emulation for further accomplishments; and

Whereas, the mind of the world, through the excellent instructive publicity given by the Hearst papers, has been awakened to the possibilities of aviation, has been fortified by accomplishments and stimulated to competitive action; therefore, be it

Resolved, That the Board of Supervisors of the City and County of San Francisco hereby commends William Randolph Hearst for his splendid work in the furtherance of aviation; and be it further

Resolved, That the managers and owners of the Graf Zeppelin be respectfully requested to have the Graf Zeppelin on its return voyage to Lakehurst, New Jersey, of this world tour, hover over the City and County of San Francisco, for the delight, stimulation and instruction of the inhabitants thereof.

Islais Creek Reclamation.

The following was presented and *referred to Judiciary Committee*:

Resolution No. ———— (New Series), as follows:

Whereas, by the provisions of that act of the Legislature of the State of California known as the Islais Creek Reclamation District Act, approved April 6, 1925, it is necessary for landholders of said district to hold an election for the election of three trustees of said district, on the third Tuesday in October, 1929, to-wit: on Tuesday, October 15, 1929; and

Whereas, Harry Lorentzen, a landholder in said district, on August 19, 1929, filed with the Board of Supervisors of the City and County of San Francisco, within which City and County said Islais Creek reclamation district wholly lies, an application to said Board requesting it to direct what notice of said election shall be given, and requesting it to appoint from the landholders of said district one inspector and two judges of election to constitute a board of election for such district at said election, and requesting it to fix a place for holding such election in or near said district; and

Whereas, under the provisions of said act and of section 3491 of the Political Code of the State of California it now becomes the duty of the Board of Supervisors of the City and County of San Francisco to fix a place for holding such election, to direct what notice of such election shall be given, and to appoint from the landholders of said district one inspector and two judges of election, to constitute a board of election for such district at said election; now, therefore, be it

Resolved, By the Board of Supervisors of the City and County of San Francisco, that Tuesday, the 15th day of October, 1929, be and the same is hereby fixed as the time, and Room No. 375 in the City Hall, in the City and County of San Francisco, State of California, be and the same is hereby fixed as the place for holding said election, and that Harry Lorentzen, a landholder of said district, be and he is hereby appointed inspector, and Timothy E. Treacy and George H. Lux, landholders of said district, be and they are hereby appointed judges of election, to constitute a board of election for such district at said election; and that notice of said election be given by the Clerk of the Board of Supervisors of the City and County of San Francisco in substantially the form hereinafter provided, by publication thereof once a week for at least one month prior to said 15th day of October, 1929, in the San Francisco Chronicle, a newspaper of general circulation published in said City and County of San Francisco, and having general circulation in said City and County, and that the notice of said election so to be published as aforesaid be substantially in the following form:

"*Notice of Election of Trustees of Islais Creek Reclamation District.*

"Pursuant to the provisions of an act of the Legislature of the State of California known as the Islais Creek Reclamation District Act, approved April 6, 1925, and to the provisions of Resolution No. 31347 (New Series) of the Board of Supervisors of the City and County of San Francisco, passed August 26, 1929, and approved by the Mayor of said City and County of San Francisco, notice is hereby given that an election will be held on Tuesday, the 15th day of October, 1929, at Room No. 375 in the City Hall, in the City and County of San Francisco, State of California, being a place near said district, at which three trustees will be elected by the bona fide owners of lands in said Islais Creek Reclamation District as the trustees of said district, to hold office for a term of four years. At said election each bona fide owner of lands in the district shall be entitled to vote in person or by proxy and shall have the right to cast one vote for each one dollar's worth of real estate owned by him or her in the district, the value thereof to be determined from the next preceding assessment roll of the City and County of San Francisco, and a majority of the votes cast at such election shall elect. The rights of the landholders in said

district to vote at said election will be governed by the provisions of Section 3491 of the Political Code of the State of California. The polls at such election will be open from 10 a. m. until 4 p. m. on Tuesday, the 15th day of October, 1929.

"This notice is given by direction of the Board of Supervisors of the City and County of San Francisco.

"Dated September ——, 1929.

"J. S. DUNNIGAN,

"Clerk of the Board of Supervisors of the City and County of San Francisco."

And be it Further Resolved, That the Clerk of the Board of Supervisors of the City and County of San Francisco is hereby authorized and directed to issue to the inspector and two judges of election appointed by this resolution to constitute the board of election for such district at such election, appropriate certificates of their appointment prior to the time of such election.

To the Honorable Board of Supervisors, City and County of San Francisco, State of California.

Gentlemen: The Islais Creek Reclamation District Act of the Legislature of the State of California, approved April 6, 1925, named three trustees to act as trustees of the district for a term of four years. This act further provided that an election of three trustees should be held in the district on the third Tuesday in October, 1929, and on the third Tuesday in October every four years thereafter, at which said elections the trustees of the said district are to be elected, except as otherwise provided in the act, in accordance with the provisions of Section 3491 of the Political Code. By the terms of the code section referred to it is provided that upon the application of any landholder in the district the Board of Supervisors shall appoint a place for holding such election somewhere in or near the district and that the Board of Supervisors shall direct what notice of the election shall be given. It authorizes the Board of Supervisors to appoint from the landholders of the district one inspector and two judges of election, who shall constitute a board of election for such district at that election. The code section also provides that the notice of election directed by the Board of Supervisors shall be given by publication for not less than one month in a newspaper having general circulation in the City and County of San Francisco.

I am a landholder in said Islais Creek Reclamation District and accordingly request your honorable Board by resolution to direct what notice of such election shall be given and where and how often and for what period it shall be published, and to fix a place for holding such election, which, for the convenience of the landholders concerned, I would suggest be made at the office of the district, Room No. 375 in the City Hall of San Francisco, and that in and by said resolution your honorable Board appoint from the landholders of the district one inspector and two judges of election to constitute a board of election for such district at said election.

The property of which I am the owner, and which lies in said district, is that certain lot, piece or parcel of land situate, lying and being in the City and County of San Francisco, State of California, more particularly described as follows:

Beginning at a point formed by the intersection of the southwesterly line of Newcomb avenue and the southeasterly line of Toland street; thence southeasterly along the southwesterly line of Newcomb avenue 133.767 feet; thence at right angles southwesterly 100 feet; thence at right angles northwesterly 13.193 feet; thence at right angles southwesterly 26.756 feet; thence at right angles northwesterly 102.574 feet to a point on the southeasterly line of Toland street; thence at right angles northeasterly along the said southeasterly line of Toland street

126.756 feet to the southwesterly line of Newcomb avenue and the point of beginning, being Lots 10 and 11 of Assessor's Block 5590A.

Dated August 16, 1929.

Respectfully submitted,

HARRY LORENTZEN, Petitioner.

Address: 285 Faxon avenue, San Francisco, California.

"Bobby" Jones, Golf Champion, Invited.

On motion of Supervisor Havenner his Honor the Mayor was authorized, on behalf of the Board of Supervisors, to invite, by telegram, "Bobby" Jones, national golf champion, and his party, now in Los Angeles, to come to San Francisco as our guests before returning East, assuring them hospitable and enjoyable stay.

The following bill was *passed for printing*:

Spur Track Permit, McCormick Lumber Terminal Company.

On motion of Supervisor Suhr:

Bill No. 9013, Ordinance No. ———— (New Series), as follows:

Granting permission, revocable at will of the Board of Supervisors, to McCormick Lumber Terminal Company to construct, maintain and operate a spur track in Napoleon street, west of Evans avenue, and crossing Evans avenue, as hereinafter described.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. Permission, revocable at will of the Board of Supervisors, is hereby granted to McCormick Lumber Terminal Company to construct and maintain a spur track in Napoleon street, west of Evans avenue, and crossing Evans avenue, as follows:

Beginning at a point in existing track, said point being 390 feet, more or less, westerly from the intersection of the southerly line of Napoleon street and the westerly line of Toland street and 20 feet southerly from the southerly line of Napoleon street; thence in a northeasterly direction, across private property and across Napoleon street and Evans avenue, to a point in the northeasterly line of Evans avenue, said line of Evans avenue being a continuation of the northeasterly line of Evans avenue as same exists southerly from Napoleon street; thence on into private property.

Beginning at a point on the above described center line in Napoleon street, thence in a northeasterly direction and crossing a portion of Napoleon street and across Evans avenue to a point in the northerly line of Evans avenue, said point being 70 feet, more or less, northwesterly from the intersection of the northeasterly line of Evans avenue with the northerly line of Napoleon street; thence on into private property.

Said permission is granted subject to the provisions of Ordinance No. 69 (New Series) of the Board of Supervisors, approved October 12, 1906, and the provisions and conditions of Section 8 thereof are hereby specifically contained in the permit hereby granted and shall be construed as a part hereof as complete as though the same were written in this ordinance.

Provided, that girder rail be used within the street line; that any interference with drainage be taken care of, and that the existing sewers be reinforced, if necessary.

Provided, that said spur track shall be laid under the supervision

and to the lines and grades as furnished by the City Engineer's office, and that any and all expenses connected with the installation of the track, restoration of the pavement and any additional requirements for the surface drainage, be paid for by the said McCormick Lumber Terminal Company.

Provided, that the McCormick Lumber Terminal Company shall erect and maintain all-night lighted arc lamps to be placed where directed by the Lighting Committee of the Board of Supervisors.

Section 2. This ordinance shall take effect immediately.

Garbage Disposal.

The following was read by the Clerk:

Communication, from City Attorney, reviewing action entitled "San Francisco Development Company v. City and County," enjoining use of garbage incinerator, and Judge Mogan expressed opinion that said incinerator is a public nuisance as at present conducted. (Remarks of Court at close of hearing enclosed.)

Also, communication from City Attorney advising as to steps necessary to be taken to initiate proceedings for a bond issue to construct an incinerator for the disposition of garbage.

Whereupon, the following bill, prepared by the City Attorney, was presented by Supervisor Toner and *refused passage to print* by the following vote:

Acquisition of Lands and Building for Garbage Incineration.

Bill No. ————, Ordinance No. ———— (New Series), as follows:

Determining and declaring that the public interest and necessity demand the acquisition, construction, completion and equipment of permanent public buildings, and the acquisition of the necessary lands to be used as an incinerator for disposal of garbage, and directing the Board of Public Works to procure, through the City Engineer, and to place on file with the Board of Supervisors plans and estimates of the cost thereof.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. It is hereby determined and specifically declared that the public interest and necessity demand the acquisition, construction, completion and equipment of permanent public buildings, and the acquisition of the necessary lands to be used as an incinerator for disposal of garbage.

Section 2. The Board of Public Works is hereby directed to procure through the City Engineer, and to file with the Board of Supervisors, plans and estimates of the cost of the acquisition, construction, completion and equipment of the public buildings and objects described in Section 1 of this ordinance.

Section 3. This ordinance shall be published for two weeks in the official newspaper and shall take effect immediately.

Every person who peddles or sells upon the public street, from an automobile or truck, or a vehicle commonly known as a rolling store or traveling grocery store, groceries or articles usually carried for sale in grocery stores (excepting milk, or bread, or the articles specifically mentioned in the preceding section), shall pay a license of one hundred fifty ($150) dollars per quarter for each such vehicle so operated. (As amended by Ordinance No. 6513, New Series.)

Section 57c. Every wholesale peddler of candies or confections of any description, including chocolates, chocolate bars, popcorn confections, cough drops and chewing gum, shall pay a license tax of twenty-five ($25) dollars per quarter.

For the purpose of this section a wholesale peddler is defined to be and include all persons, both principal and agent, and all firms, corporations, partnerships, or any other joint or singular enterprise engaged in by a person or persons not having a regular fixed and established place of business in the City and County of San Francisco, who travel from place to place, or have a stand upon any public street or alley, or any other place, doorway or any room or building, unenclosed or vacant lot or parcel of land, and who sells, or offers for sale, any of the products mentioned herein to retail dealers for the purpose of resale, and the person or firm so engaged shall not be relieved from the provisions of this section by reason of association temporarily with any local dealer, trader, merchant or auctioneer, or by conducting any temporary business in connection with, or as a part of, or in the name of, any local dealer, trader, merchant or auctioneer. Any sale by a retail peddler to a retail dealer for the purpose of resale shall classify him as a wholesale peddler and he shall be liable for the difference between what he paid at the beginning of the quarter as a retail peddler and what it would have been had he been paying a wholesale license.

This section shall not apply to any manufacturer of any of the articles specified herein who peddles such article manufactured by him. He shall be entitled to a license without the payment of said fee, provided, however, such manufacturer shall first file with the Tax Collector an affidavit setting forth his name and address, the amount and variety of such articles as he proposes to sell, the place where said article or article is or are manufactured, and that sai darticle or articles was or were actually manufactured by him.

Section 57d. All persons peddling shall have a metallic plate or tag, which shall specify the quarter for which the license was issued, provided that the Tax Collector shall designate the style or pattern of said tag or plate.

All licenses issued under the provisions of Sections 56, 57, 57a, 57b and 57c shall be issued for a period of three months and shall date from the first day of January, April, July and October of each year; provided that on application for the first time, and said application be made after the first day of last month of aforesaid quarters, and having been granted, then the Tax Collector may issue a temporary permit, which shall expire on the last day of the current quarter.

Section 2. This ordinance shall take effect immediately.

Election of Trustees, Islais Creek Reclamation District.

On recommendation of Streets Committee.

Resolution No. 31347 (New Series), as follows:

Whereas, by the provisions of that act of the Legislature of the State of California known as the Islais Creek Reclamation District Act, approved April 6, 1925, it is necessary for landholders of said district to hold an election for the election of three trustees of said district on the third Tuesday in October, 1929, to-wit, on Tuesday, October 15, 1929; and

Whereas, Harry Lorentzen, a landholder in said district, on August 19, 1929, filed with the Board of Supervisors of the City and County of San Francisco, within which City and County said Islais Creek Reclamation District wholly lies, an application to said Board, requesting it to direct what notice of said election shall be given, and requesting it to appoint from the landholders of said district one inspector and two judges of election, to constitute a board of election for such district at said election, and requesting it to fix a place for holding such election in or near said district; and

Whereas, under the provisions of said act and of Section 3491 of the Political Code of the State of California, it now becomes the duty of the Board of Supervisors of the City and County of San Francisco to fix a place for holding such election, to direct what notice of such election shall be given, and to appoint from the landholders of said district one inspector and two judges of election, to constitute a board of election for such district at said election; now, therefore, be it

Resolved, by the Board of Supervisors of the City and County of San Francisco, that Tuesday, the 15th day of October, 1929, be and the same is hereby fixed as the time, and Room No. 375, in the City Hall, in the City and County of San Francisco, State of California, be and the same is hereby fixed as the place, for holding said election, and that Harry Lorentzen, a landholder of said district, be and he is hereby appointed inspector, and Timothy E. Treacy and George H. Lux, landholders of said district, be and they are hereby appointed judges of election, to constitute a board of election for such district at said election, and that

notice of said election be given by the Clerk of the Board of Supervisors of the City and County of San Francisco in substantially the form hereinafter provided by publication thereof once a week for at least one month prior to said 15th day of October, 1929, in the San Francisco Chronicle, a newspaper of general circulation, published in said City and County of San Francisco, and having general circulation in said City and County, and that the notice of said election so to be published as aforesaid be substantially in the following form:

"Notice of Election of Trustees of Islais Creek Reclamation District.

"Pursuant to the provisions of an act of the Legislature of the State of California known as the Islais Creek Reclamation District Act, approved April 6, 1925, and to the provisions of Resolution No. 31347 (New Series) of the Board of Supervisors of the City and County of San Francisco, passed August 26, 1929, notice is hereby given that an election will be held on Tuesday, the 15th day of October, 1929, at Room No. 375, in the City Hall, in the City and County of San Francisco, State of California, being a place near said district, at which three trustees will be elected by the bona fide owners of lands in said Islais Creek Reclamation District as the trustees of said district, to hold office for a term of four years. At said election each bona fide owner of lands in the district shall be entitled to vote in person or by proxy and shall have the right to cast one vote for each dollar's worth of real estate owned by him or her in the district, the value thereof to be determined from the next preceding assessment roll of the City and County of San Francisco, and a majority of the votes cast at such election shall elect. The rights of the landholders in said district to vote at said election will be governed by the provisions of Section 3491 of the Political Code of the State of California. The polls at such election will be open from 10 a. m. until 4 p. m. on Tuesday, the 15th day of October, 1929.

"This notice is given by direction of the Board of Supervisors of the City and County of San Francisco.

"Dated September 10, 1929.

"J. S. DUNNIGAN,

"Clerk of the Board of Supervisors of the City and County of San Francisco."

And be it further

Resolved, That the Clerk of the Board of Supervisors of the City and County of San Francisco is hereby authorized and directed to issue to the inspector and two judges of election appointed by this resolution to constitute the board of elections for such district at such election, appropriate certificates of their appointment prior to the time of such election.

Graf Zeppelin World Tour.

Supervisor Hayden presented:

Resolution No. 31348 (New Series), as follows:

Whereas, on Sunday, August 25, 1929, the imagination and the enthusiasm of the citizens of San Francisco was stirred by the most marvelous spectacle of the centuries, when the giant Graf Zeppelin sailed majestically over and above the confines of the City by the Western Sea; and

Whereas, the graceful lines of the conqueror of the air connoted in its majestic sail all the glories and adventures and misfortunes told

in song and story in the myths of Greece and the noble experiments of Roger Bacon and Albertus Magnus; and

Whereas, this triumph of the beautiful silvered tube of silk and aluminum in circumnavigating the globe epitomizes the history of Magellan and Amundsen and Nobile; and

Whereas, the people of this vast City on the uttermost coast of the western sea were so favored through the efforts of that veteran newspaper publisher and editor, William Randolph Hearst; therefore, be it

Resolved, That the Board of Supervisors of the City and County of San Francisco does hereby express its appreciation of the excellent work done by William Randolph Hearst in securing for the City of San Francisco the marvelous voyage of the Graf Zeppelin to serve as a stimulus for honest aeronautical competition; and be it further

Resolved, That a copy of this resolution be spread on the minutes of this meeting and another copy be sent to William Randolph Hearst.

Consenting to Abandonment, Pacific Avenue Carline.

On recommendation of Public Utilities Committee.

The following matter was taken up:

Bill No. 9014, Ordinance No. ———— (New Series), as follows:

Accepting and consenting to the abandonment by Market Street Railway Company, a corporation, of a certain portion of its franchise for operating a certain street railroad as granted by Order No. 1907, approved April 14, 1887.

Whereas, Market Street Railway Company, a corporation duly organized and existing under the laws of the State of California, and the grantee and successor in interest to Sutter Street Railroad Company, a corporation, granted a franchise to operate a certain street railroad, as per Order No. 1907, approved April 14, 1887, of the Board of Supervisors, has signified to this Board its desire to abandon a certain portion of said franchise, to-wit, that portion from the west side of Polk street, along and over Pacific avenue, to the west side of Divisadero street, within the City and County of San Francisco, and to discontinue street railway service thereon and remove its rails therefrom; and

Whereas, said Market Street Railway Company has agreed to pay to the City and County of San Francisco the sum of ten thousand ($10,000) dollars for the purpose of repaving that portion of said Pacific avenue occupied by its said street railway tracks; and

Whereas, it is deemed for the best interests and convenience of the City and County of San Francisco that said street railway tracks be removed from said Pacific avenue between the west side of Polk street and the west side of Divisadero street, and that the said offer of said Market Street Railway Company be accepted; therefore,

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. The Board of Supervisors of the City and County of San Francisco hereby accepts and consents to said abandonment of said portion of said franchise, and the Clerk of the Board of Supervisors be and he is hereby authorized, empowered and directed to execute in the name of and as the act of the Board of Supervisors an instrument in writing accepting and consenting to said abandonment, upon the receipt by said Clerk of the Board of Supervisors of the sum of ten thousand ($10,000) dollars from said Market Street Railway Company, all without prejudice to any other rights of the City and County of San Francisco or Market Street Railway Company in said order.

Section 2. This ordinance shall take effect immediately.

Privilege of the Floor.

J. G. Roberts, Fred Pickering and Mrs. Ellon were heard in opposition to the proposed bill.

C. Feirbach, representing the Junior Chamber of Commerce, and W. F. Benedict, representing the Chamber of Commerce, were heard in favor of the measure.

Motion

Supervisor Stanton moved that the City Attorney be requested to prepare a resolution asking the Market Street Railway Company to

appear before the Railroad Commission, seeking their acquiescence in the proposed abandonment of the franchise on Pacific avenue.

So ordered.

Creation of County Welfare Department.

Supervisor Havenner presented:

Bill No. ————, Ordinance No. ———— (New Series), as follows:

An act creating a County Welfare Department, naming a director thereof, and defining the duties of said department.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. There is hereby created a department of the City and County government of San Francisco to be known as the County Welfare Department.

Section 2. It shall be the duty of the County Welfare Department to investigate, for and on behalf of the Board of Supervisors, all persons who are receiving or who may hereafter apply for financial aid from the City and County of San Francisco by reason of old age, blindness, and needy minor half-orphans, and shall report, in writing, to the Board of Supervisors, the result of all such investigations, and recommendations as to granting or rejecting any such applications. All such investigations shall be conducted in accordance with the provisions of the laws of the State of California governing the persons described in this section.

Section 3. Eugenie Schenk, the Director of the Widows' Pension Bureau, is hereby appointed to act for and on behalf of the Board of Supervisors, as Director of the "County Welfare Department," and her salary and the salaries of her assistants now assigned to the Widows' Pension Bureau shall remain as fixed in the Budget for the fiscal year 1929-1930.

Section 4. All acts, resolutions or ordinances in conflict herewith are hereby expressly repealed.

Section 5. This ordinance shall take effect immediately.

Closing and Abandoning Certain Portions of Georgia and Michigan Streets.

Resolution No. ———— (New Series), as follows:

Whereas, this Board has, by Resolution No. 30363 (New Series), declared its intention to close and abandon certain portions of Georgia and Michigan streets, in the City and County of San Francisco, and hereinafter more particularly described; and

Whereas, proper notice of said resolution and of said proposed closing and abandonment of certain portions of Georgia and Michigan streets was duly given by the Board of Public Works of said City and County of San Francisco, by publication and posting in the manner provided by the Charter of the City and County of San Francisco; and

Whereas, more than ten days have elapsed after the expiration of time of publication of said notice; and

Whereas, no objection or objections to said closing and abandonment of said portions of Georgia and Michigan streets, as hereinafter described, was or were made or delivered to the Clerk of this Board within said period of ten days, or at all; and

Whereas, it is the opinion of this Board that the public interest and convenience will be conserved by the closing and abandonment of said portions of Georgia and Michigan streets; and

Whereas, in and by said Resolution No. 30363 (New Series), this Board did declare that the damages, costs and expenses of closing said portions of Georgia and Michigan streets are nominal, and no assessment district is necessary to be formed for the purpose of paying the damages, costs and expenses thereof, the Board of Supervisors hereby declares and determines that the whole damage, cost and expense of closing said portions of Georgia and Michigan streets shall be paid out of revenues of the City and County of San Francisco;

Resolved, That said closing and abandonment of said portions of Georgia and Michigan streets be and the same are hereby ordered and that the said portions of Georgia and Michigan streets be and the same are hereby closed and abandoned as public streets.

The said portions of Georgia and Michigan streets hereinabove referred to are more particularly described as follows, to-wit:

(1) Georgia street lying between the southerly line of Twenty-third street and the northerly line of Twenty-fourth street.

(2) Michigan street lying between the southerly line of Twenty-third street and the northerly line of Twenty-fourth street.

Further Resolved, That the Clerk of this Board transmit a certified copy of this resolution to the Board of Public Works and that the Board of Public Works be instructed to proceed thereafter as required by the law and the Charter of the City and County of San Francisco.

SPECIAL ORDER—3 P. M.

The following matters were taken up:

Declaration of Policy, Garbage Collection and Disposal.

(To be used if proposition to vote bonds for an incinerator is *not* placed on ballot.)

Shall the Board of Supervisors of the City and County of San Francisco cause to be submitted to the electors of said City and County, at a special election to be held not later than April 1st, 1930, the proposition of voting bonds in the sum of one million dollars for the purpose of defraying the cost of the construction of an incinerator, to be owned and operated by the City for the incineration of the City's garbage and refuse; or

Shall the City and County of San Francisco enter into an agreement with a private individual or corporation, whereby said individual or corporation will agree to build an incinerator of sufficient capacity to incinerate the garbage and refuse collected in the City, and to operate the same for the incineration of such garbage and refuse under such conditions as may be provided by the authorities of said City and County, with the understanding that the City and County shall be entitled to acquire said incinerator from the person or corporation building the same upon such conditions as may be agreed upon when said agreement to build said incinerator is entered into?

To vote in favor of bond issue, mark X here [X]

To vote in favor of privately owned incinerator, mark X here [X]

(Vote for one proposition only.)

In re Garbage Disposal.

Supervisor Marks withdrew from the Health Committee the following resolution and moved its adoption:

Resolved, That the following declaration of policy be submitted to the electors of the City and County of San Francisco for their action at the general municipal election to be held on Tuesday, the 5th day of November, 1929, namely:

"Shall the City and County establish and maintain a publicly-owned and operated system for the collection and disposal of garbage?"

Be it Further Resolved, That the City Attorney be requested to draft and transmit to this Board a form of resolution for submission of said declaration of policy to the people in such manner as is prescribed by the Charter of the City and County of San Francisco.

Offers for Garbage Disposal.

The following communications were presented and read by the Clerk:

Communication, from A. O. Stewart, offering to take a ten-year contract, or more, for the disposal of all garbage and refuse now being collected by the scavengers of San Francisco, exclusive of so-called swill from hotels and restaurants. The rate to be charged for disposal is $1 per ton, to be collected from scavengers.

Also, transmitting copy of proposed bill providing for disposal of garbage by fill-and-cover method outside of San Francisco, to the highest bidder.

Referred to Health Committee.

Communication, from Francis Murphy, attorney for Washburn Cowden, Union Stock Yards, transmitting offer in sum of $1,000,000 for the exclusive right to collect wet garbage in San Francisco for a period of twenty-five years. Certified check for $10,000 filed with offer.

Referred to Health Committee.

Communication, from Jos. Anderson, attorney for City Sanitation Guild, transmitting offer to construct an incinerator capable of incinerating 800 tons per twenty-four hours, for a twenty-five-year exclusive franchise, cost of incinerator not to exceed $1,000,000; City to have right to take over plant during life of franchise for cost less depreciation.

Referred to Public Health Committee.

Fill-and-Cover Project to Be Placed on Ballot.

Communication, from San Francisco Chamber of Commerce, requesting that declaration of policy providing for fill-and-cover method of garbage disposal for period of two years, reclaiming tide lands, be placed on November ballot for approval of electors.

An ordinance presenting and submitting to the qualified electors of the City and County of San Francisco declarations of policy concerning the collection and disposition of garbage.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. The question of the method of collection and disposition of garbage is hereby presented and submitted to the qualified electors of said City and County of San Francisco at the general municipal election to be held on Tuesday, November 5, 1929.

Section 2. It is hereby prescribed that the questions hereby submitted shall be in the following form and shall appear on the ballot at said election as follows:

1. Shall garbage be disposed of by incineration?
2. Shall garbage be disposed of by the fill-and-cover method?
3. Shall the City establish a municipally owned and operated system for the disposal of garbage?
4. Shall the City establish a municipally owned and operated system for the collection of garbage?

It is further prescribed that opposite said questions on the ballot the words "Yes" and "No" shall be printed in separate lines with voting squares.

Action Deferred.

Whereupon, the foregoing subject matter was *laid over one week, to be taken up immediately after recess.*

Request for Provision in Tax Rate for Salary Adjustments.

The following was read by the Clerk:

Communication, from San Francisco Labor Council, transmitting resolution of said council urging that allowance be made in tax rate

for a sum sufficient to enable urgent and much-needed salary adjustment during the present fiscal year for City employees under the standardization plan.

Referred to Finance Committee.

An ordinance presenting and submitting to the qualified electors of the City and County of San Francisco the question of the establishment of a Municipal Court.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. The question of the establishment of a Municipal Court for the City and County of San Francisco is hereby presented and submitted to the qualified electors of said City and County at the general municipal election to be held on Tuesday, November 5, 1929.

Section 2. It is hereby prescribed that the question hereby submitted shall be in the following form and shall appear on the ballot at said election, as follows: Shall a Municipal Court be established for the City and County of San Francisco? It is further prescribed that opposite said question on the ballot the words "Yes" and "No" shall be printed in separate lines with voting squares.

Section 3. It is further prescribed that said court shall begin to function on the 1st day of January, 1930.

Action Deferred.

The following matter was *laid over one week*:

Appointment of Supervisor Suhr on Chamber of Commerce Oriental Tour.

Supervisor Colman presented:

Resolution No. ———— (New Series), as follows:

Whereas, the San Francisco Chamber of Commerce is making a world tour, visiting the principal cities of Japan, China, Australia and other countries; and

Whereas, the Chamber of Commerce has requested Supervisor Fred Suhr to accompany it on this tour as the official representative of San Francisco; therefore, be it

Resolved, That his Honor the Mayor be requested to appoint Supervisor Fred Suhr as the official representative of the City and County of San Francisco on this world tour; that Supervisor Fred Suhr be given the proper credentials and the necessary leave of absence to permit him to participate in this tour as San Francisco's official representative; and that the Public Welfare Committee be instructed to make the necessary arrangements for Supervisor Suhr's participation in this tour as the official representative of the City and County of San Francisco.

Appointment of Francis V. Keesling as Golden Gate Bridge Director.

Supervisor Roncovieri presented:

Resolution No. ———— (New Series), as follows:

Whereas, the City and County of San Francisco is a part of the Golden Gate Bridge and Highway District, which said Bridge and Highway District has been organized under and pursuant to the provisions of an act of the Legislature of the State of California, entitled, "To provide for the incorporation and organization and management of bridge and highway districts, etc., approved May 25, 1923, and the acts amendatory thereof"; and

Whereas, the Secretary of State of the State of California has issued

his certificate of incorporation, declaring the said Golden Gate Bridge and Highway District to have been duly incorporated, formed and organized, and has notified the Board of Supervisors of the City and County of San Francisco of the formation and organization of said Golden Gate Bridge and Highway District; and

Whereas, under and pursuant to the provisions of the act last aforesaid, it is the duty of the said Board of Supervisors of the City and County of San Francisco to appoint six persons to act as members of the Board of Directors of said Bridge and Highway District; and

Whereas, said Golden Gate Bridge and Highway District has been formed and is now ready for operation; and

Whereas, the representation on said Board of Directors from the City and County of San Francisco is composed of but five members, instead of six, as allowed under said act; therefore,

Resolved, That the Board of Supervisors of the City and County of San Francisco do hereby elect Francis V. Keesling, a public-spirited citizen of San Francisco, a man identified with the development and progress of said City, a man well known for his integrity and courageous character, a member of the Board of Directors of the Golden Gate Bridge and Highway District.

Referred to Public Utilities Committee.

The Journal of the meeting of July 29, 1929, was considered read and approved.

ROLL CALL FOR PETITIONS AND COMMUNICATIONS.

Leave of Absence, Lawrence Arnstein, Jr., Member of Board of Health.

The following matters were presented and read by the Clerk:

San Francisco, Cal., August 27, 1929.

Honorable Board of Supervisors, City Hall, San Francisco, California.

Gentlemen: Application has been made to me by Mr. Lawrence Arnstein, Jr., member of the Department of Public Health, for a leave of absence, with permission to absent himself from the State of California, for a period of six weeks, commencing September 3, 1929.

Will you please concur with me in granting this leave of absence?

Very sincerely yours,

JAMES ROLPH, JR., Mayor.

August 26, 1929.

To the Honorable Board of Supervisors, San Francisco, California.

Gentlemen: In accordance with the provisions of Section 3, Article XVI of the Charter of the City and County of San Francisco, I herewith respectfully request permission to absent myself from the City and County of San Francisco and the State of California, for a period of six weeks from September 3, 1929.

In conformity with Charter provisions I have this day forwarded similar communication to his Honor, James Rolph, Jr., Mayor of the City and County of San Francisco.

Very truly yours,

LAWRENCE ARNSTEIN,
Member of the Board of Health.

Whereupon, the following resolution was *adopted* by the following vote:

Resolution No. 31371 (New Series), as follows:

Resolved, That, in accordance with the recommendation of his Honor the Mayor, Hon. Lawrence Arnstein, member of the Board of Health of the City and County of San Francisco, is hereby granted a leave of absence for a period of six weeks, commencing September 3, 1929, with permission to leave the State.

Absent—Supervisor Gallagher—1.

Chamber of Commerce Tour to Orient.

The following matters were read by the Clerk:

San Francisco, Cal., August 27, 1929.

Honorable Board of Supervisors, City Hall, San Francisco.

Gentlemen: As you know, the San Francisco Chamber of Commerce has arranged an excursion of San Francisco business men to visit many commercially important Pacific ports in the interest of San Francisco's program of commercial expansion. The party leaves on the S. S. "Malolo" on September 21st.

It was suggested that I represent the City on this voyage. I recognize its importance, for San Francisco as a commercial city must not only keep its present commercial supremacy in the Pacific, but widen the scope of its limitlessly profitable activities. I find it impossible, however, to spare the time to make the trip.

In connection, let me again call your attention to a letter to me from the Chamber of Commerce, suggesting that arrangements be made to designate Supervisor Fred Suhr, Jr., as the City's official representative. I am enclosing a copy of this letter for your consideration.

Very sincerely,
JAMES ROLPH, JR., Mayor.

San Francisco, April 1, 1929.

Honorable James Rolph, Jr., Mayor of San Francisco, San Francisco, California.

Dear Mayor Rolph: The San Francisco Chamber of Commerce has arranged an excursion of representative citizens and business men to Japan, China, Australia, etc., leaving here September 21st. We have chartered the S. S. "Malolo" for this important cruise and we are gratified to already have assured a fine personnel.

It seems to us essential that the City of San Francisco should be officially represented, so that proper contacts may be made with municipal authorities in various ports we visit. We have learned with great pleasure that there is a possibility of having Supervisor Fred Suhr with us on this trip. Mr. Suhr would be most acceptable to us and would represent the City with great credit. I therefore take the liberty of suggesting that arrangements be made for him to be designated as the official representative of San Francisco and that he be given full credentials accordingly.

Yours sincerely,
PHILIP J. FAY,
President Chamber of Commerce.

Leave of Absence, Fred Suhr, Jr.

San Francisco, Cal., August 28, 1929.

Honorable Board of Supervisors, City Hall, San Francisco.

Gentlemen: Application has been made to me by Hon. Fred Suhr, Jr., member of the Board of Supervisors, for a leave of absence, with

permission to leave the State of California, for a period of ninety days commencing September 21, 1929.

I hereby request that you concur with me in granting said leave of absence.

Yours very truly,
JAMES ROLPH, JR., Mayor.

Whereupon, the following resolution was *adopted*:

Resolution No. 31370 (New Series), as follows:

Resolved, That, in accordance with the recommendation of his Honor the Mayor, Hon. Fred Suhr, Jr., a member of the Board of Supervisors, is hereby granted a leave of absence for a period of ninety days, commencing September 21, 1929, with permission to leave the State.

Ayes—Supervisors Andriano, Colman, Deasy, Havenner, Hayden, Kent, McGovern, McSheehy, Marks, Powers, Roncovieri, Schmidt, Shannon, Stanton, Suhr, Todd, Toner—17.

Absent—Supervisor Gallagher—1.

Condemnation of Land, Widening Portola Drive.

Also, Resolution No. 31356 (New Series), as follows:

Resolved, by the Board of Supervisors of the City and County of San Francisco, that the public interest and necessity require the acquisition by the City and County of San Francisco, a municipal corporation, of the following properties, situated in the City and County of San Francisco, State of California, more particularly described as follows, to-wit:

Parcel 1. All that portion of Lot 4, Block 14, Noe Garden Homestead Union, as per map thereof filed August 2, 1869, in Book "C and D" of Maps, page 137, in the office of the Recorder of the City and County of San Francisco, State of California, described as follows:

Beginning at a point on the easterly line of High street, distant thereon 65.627 feet northerly from the northerly line of Twenty-fifth street, running thence northerly on a curve to the left with a radius of 300 feet, tangent to a line deflected 12 deg. 27 min. 28 sec. to the right from the easterly line of High street, 111.598 feet to the southerly line of the property now or formerly belonging to Ellen Buckley; thence deflecting 87 deg. 38 min. 14 sec. to the left from the tangent of the preceding curve and running westerly along said southerly line 3.511 feet to the easterly line of the property described in the deed to the City and County of San Francisco, recorded January 26, 1917, in Book 984 of Deeds, page 162, in the office of the County Recorder of said City and County of San Francisco; thence southerly along said easterly line of the property so described 70.01 feet to the easterly line of High street; thence southerly along the last mentioned line 41.182 feet to the point of beginning.

Parcel 2. Beginning at a point on the westerly line of La Place avenue, distant northerly thereon 87.162 feet from the northerly line of Army street, said point being on the proposed northeasterly line of Portola drive; thence deflecting 74 deg. 47 min. 43 sec. to the left from said westerly line of La Place avenue and running northwesterly along said proposed northeasterly line 168.447 feet; thence continuing northwesterly, westerly and southwesterly along said proposed line of Portola drive, on a curve to the left, tangent to the preceding course, radius 300 feet, central angle 45 deg. 32 min. 40 sec., a distance of 238.470 feet; thence continuing southwesterly along the proposed northwesterly line of Portola drive, tangent to the preceding curve, 70.202 feet to the true point of beginning of this description; thence continuing southwesterly along said proposed northwesterly line 52.263 feet, more or less, to the easterly line of the property conveyed to the City and County of San Francisco by deed from Wells Fargo and Company, a corporation, recorded May 5, 1914, in Volume 794 of Deeds, page 68, records of said City and County; thence deflecting 44 deg. 20 min. 37 sec. to the left from the preceding course and running southerly 12.718 feet; thence deflecting 143 deg. 54 min. 00 sec. to the left from the preceding course and running northeasterly 62.000 feet, more or less, to the proposed northwesterly line of Portola drive and the true point of beginning.

Parcel 3. Beginning at a point on the southerly line of Army street, distant westerly thereon 158.808 feet from the westerly line of La Place avenue, and running thence southerly along a line deflected 94 deg. 35 min. 00 sec. to the left from said line of Army street 388.194 feet; thence at right angles westerly 299.64 feet; thence at right angles northerly 481.137 feet to the southeasterly line of Portola drive (formerly Corbett avenue); thence deflecting 54 deg. 30 min. to the right and running northeasterly along said line of Portola drive 118.005 feet; thence deflecting 11 deg. 15 min. to the left and continuing northeasterly along said line of Portola drive 116.492 feet; thence easterly along the arc of a curve to the right tangent to a line deflected 39 deg. 40 min. 35 sec. to the right from the preceding course, radius 300 feet, a distance of 98.733 feet; thence deflecting 42 deg. 13 min. 01 sec. to the right from the tangent to the preceding curve and running southeasterly 43.463 feet to a point 175.360 feet at right angles westerly from the westerly line of La Place avenue and 106.462 feet at right angles northerly from the northerly line of Army street; thence deflecting 36 deg. 00 min. to the right and running southerly 207.125 feet to the southerly line of Army street and the point of beginning.

Further Resolved, That said property is suitable, adaptable, necessary and required for the public use of said City and County of San Francisco, to-wit: For the opening, widening, construction and maintenance of Portola drive from its point of intersection with Twenty-fourth street in a southwesterly direction to the point of intersection with Woodside avenue; and for the acquisition, construction and completion, within the limits of said City and County of San Francisco, of a reservoir, to be known as the San Miguel Reservoir, for supplying, storing and distributing water for the use of said City and County of San Francisco and its inhabitants, for municipal and domestic purposes. It is necessary that a fee simple title be taken for such uses.

The City Attorney is hereby ordered and directed to commence proceedings in eminent domain against the owners of said parcels of land, and of any and all interests therein or claims thereto, for the condemnation thereof for the public use of the City and County of San Francisco, as aforesaid.

Consenting to Abandonment, Pacific Avenue Carline.

On recommendation of Public Utilities Committee.

Bill No. 9014, Ordinance No. 8523 (New Series), as follows:

Accepting and consenting to the abandonment by Market Street Railway Company, a corporation, of a certain portion of its franchise for operating a certain street railroad as granted by Order No. 1907, approved April 14, 1887.

Whereas, Market Street Railway Company, a corporation duly organized and existing under the laws of the State of California, and the grantee and successor in interest to Sutter Street Railroad Company, a corporation, granted a franchise to operate a certain street railroad, as per Order No. 1907, approved April 14, 1887, of the Board of Supervisors, has signified to this Board its desire to abandon a certain por-

tion of said franchise, to-wit, that portion from the west side of Polk street, along and over Pacific avenue, to the west side of Divisadero street, within the City and County of San Francisco, and to discontinue street railway service thereon and remove its rails therefrom; and

Whereas, said Market Street Railway Company has agreed to pay to the City and County of San Francisco the sum of ten thousand ($10,000) dollars for the purpose of repaving that portion of said Pacific avenue occupied by its said street railway tracks; and

Whereas, it is deemed for the best interests and convenience of the City and County of San Francisco that said street railway tracks be removed from said Pacific avenue between the west side of Polk street and the west side of Divisadero street, and that the said offer of said Market Street Railway Company be accepted; therefore,

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. The Board of Supervisors of the City and County of San Francisco hereby accepts and consents to said abandonment of said portion of said franchise, and the Clerk of the Board of Supervisors be and he is hereby authorized, empowered and directed to execute in the name of and as the act of the Board of Supervisors an instrument in writing accepting and consenting to said abandonment, upon the receipt by said Clerk of the Board of Supervisors of the sum of ten thousand ($10,000) dollars from said Market Street Railway Company, all without prejudice to any other rights of the City and County of San Francisco or Market Street Railway Company in said order.

Section 2. This ordinance shall take effect immediately.

Appointment of Francis V. Keesling as Member of the Board of Directors, Golden Gate Bridge District.

On recommendation of Public Utilities Committee.

Resolution No. 31362 (New Series), as follows:

Whereas, the City and County of San Francisco is a part of the Golden Gate Bridge and Highway District, which said Bridge and Highway District has been organized under and pursuant to the provisions of an Act of the Legislature of the State of California, entitled "To provide for the incorporation and organization and management of bridge and highway districts, etc., approved May 25, 1923, and the acts amendatory thereof"; and

Whereas, the Secretary of State of the State of California has issued his certificate of incorporation, declaring the said Golden Gate Bridge and Highway District to have been duly incorporated, formed and organized, and has notified the Board of Supervisors of the City and County of San Francisco of the formation and organization of said Golden Gate Bridge and Highway District; and

Whereas, under and pursuant to the provisions of the Act last aforesaid, it is the duty of the said Board of Supervisors of the City and County of San Francisco to appoint six persons to act as members of the Board of Directors of said Bridge and Highway District; and

Whereas, said Golden Gate Bridge and Highway District has been formed and is now ready for operation; and

Whereas, the representation on said Board of Directors from the City and County of San Francisco is composed of but five members instead of six, as allowed under said Act; therefore,

Resolved, That the Board of Supervisors of the City and County of San Francisco do hereby elect Francis V. Keesling, a public-spirited citizen of San Francisco, a man identified with the development and progress of said City, a man well known for his integrity and courageous character, a member of the Board of Directors of the Golden Gate Bridge and Highway District.

SPECIAL ORDER—10 A. M.

Hearing appeal of property owners from the decision of the City Planning Commission denying the requested application to change the easterly side of the Great Highway from a point 100 feet south of Taraval street to Ulloa street from the Second Residential District to the Commercial District.

(Hearing set this date by Resolution No. 31264, New Series.)

Privilege of the Floor.

J. Anderson, attorney representing property owners, Messrs Sherman, Halberton and Jno. Kalish, were heard in favor of the proposed change. Mrs. Cloud, Central Council of Women's Clubs, J. J. Kelly, representing the Central Council of Improvement Clubs, Mrs. Best, representing the Sunset Transportation Club, Mrs. Calhan, representing the Central Council of Improvement Clubs, and Mrs Woods were heard in opposition to the change.

Hearing of Appeal, Rezoning Great Highway Between Taraval and Ulloa Streets.

Supervisor Andriano moved reference to the City Planning Commission with instructions to afford appellants a hearing.

Supervisor Havenner moved that the City Planning Commission be respectfully requested to formulate at this time a general policy with respect to the development of the Ocean Beach front and as far as practicable to make any changes in the present zoning law to carry this policy into effect uniformly without discrimination.

So *ordered.*

Referred.

Whereupon, the foregoing matter was, on motion of Supervisor Andriano, *referred to the City Planning Commission* with such request.

SPECIAL ORDER—11 A. M.

Re-referred.

On motion of Supervisor Deasy the following bill was *re-referred to the Fire Committee*:

New Garage Ordinance.

Bill No. ————, Ordinance No. ———— (New Series), as follows:

Governing the construction, equipment, maintenance and operation of public, commercial and private garages; regulating and providing for the storage and use of gasoline in connection with public, commercial and private garages; duties of the Fire Marshal; penalty for violation; repealing Ordinance No. 746 (New Series) and all ordinances or parts of ordinances in so far as they conflict with this ordinance.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. Whenever used in this ordinance, the following terms and words are defined as herein specified and shall be deemed and construed to have the meaning ascribed to them in this section.

(a) An "automobile" shall mean any self-propelling vehicle.

(b) "Gasoline" shall mean and include any product of petroleum flashing below the temperature of 110 degrees Fahrenheit. The Fire Marshal of the City and County of San Francisco shall determine such flashing point.

(c) A "commercial garage" is a building wherein three or more automobiles, designed, used or maintained for the transportation of property and operated by the owner or owners thereof, are kept or stored, and where no charge is made for the storage and keeping of same.

(d) A "public garage" shall mean any building, structure or part thereof wherein three or more automobiles are kept or stored by the public, or wherein automobiles stored or kept are rented out to and hired by the public, and where a charge is made for the storing or keeping of three or more automobiles.

Nothing in the above definitions (c) and (d) shall operate against providing automobile storage in flats or dwellings for occupants only, not exceeding four hundred (400) square feet in area for each flat or dwelling. In apartment house buildings, nothing in definitions (c) and (d) shall operate against providing storage space for occupants only, of two hundred (200) square feet for each apartment within the building, providing that the spaces in which automobiles are stored are erected in strict accordance with the State Housing Act of 1923 and amendments thereto. Nothing in said definitions shall operate against an owner having greater space than herein defined, provided that where the garage exceeds the area mentiond, the construction of the garage shall be fireproof as defined under the ordinance for class "A" and "B" construction.

(e) Any other building, structure or part thereof, wherein one or more automobiles are kept or stored, except those establishments which are specifically regulated by any other ordinance, shall be deemed to be a "private garage."

Application for Permit.

Section 2. (a) It shall be unlawful for any person, firm or corporation to establish, conduct, maintain or operate a public or commercial garage without first obtaining a permit therefor from the Board of Supervisors of the City and County of San Francisco. Every such permit shall contain the name of the person, firm or corporation to whom the same is issued and the location of the premises upon which such public or commercial garage is to be located.

(b) Every application for a permit to establish, conduct, maintain or operate a public or commercial garage shall, before action is taken

thereon by the Board of Supervisors, be referred to the Fire Marshal and the Board of Public Works for investigation and report. No such permit shall be granted unless applicant agrees to comply in all respects with the requirements of this ordinance; provided, further, that in the event any person, firm or corporation engaged in the business of a public or commercial garage in a building which in any manner does not conform to the provisions of this ordinance, shall vacate the premises, or discontinue such business, then, and in that event, it shall be unlawful for any person, firm or corporation to subsequently establish, conduct, maintain, or operate the said premises as a public or commercial garage, unless such premises shall be made to comply with all the requirements of this ordinance.

(c) When application is made to the Board of Supervisors by any person, firm or corporation to establish, conduct, maintain or operate a public or commercial garage, said applicant shall cause to be posted conspicuously on the premises intended to be occupied by the public or commercial garage a notice to the effect that application has been made to the Board of Supervisors for such permit. Said notice to be conspicuously posted within twenty-four (24) hours after the filing of the application and shall be kept posted for a period of not less than seven (7) days. It shall be the duty of the applicant to see or keep said sign conspicuously posted for the said period of seven (7) days.

(d) A permit to establish, conduct, maintain or operate a public or commercial garage is not transferable without the consent of the Board of Supervisors.

(e) No permit shall be granted to conduct, operate or maintain any public or commercial garage within the boundaries of two hundred (200) feet of any school, church, theatre, or hospital; said measurement to be taken from the front entrance of said garage to the front entrance of said school, church, theatre or hospital; nor shall any permit be issued to hereafter construct, erect, maintain or operate a public or commercial garage within fifty (50) feet of the property line of any school, church, theatre or hospital building.

Construction.

Section 3. (a) Every building, structure or part thereof hereafter erected, altered or changed so as to be occupied, conducted, maintained or operated as a public or commercial garage shall be of class "A", "B" or "C" construction (as defined in the Building Law of the City and County of San Francisco), provided said building or structure is not more than one (1) story in height, and if more than one story in height, it shall be of either class "A" or "B" construction. The roof of such class "C" building or structure shall be of metal supported on steel or timer trusses. The floors of all garages shall be concrete construction or steel frame with concrete construction.

(b) A public or commercial garage shall not be maintained in any building that is occupied in any part for any other purpose than that necessary for the operation of a public or commercial garage, unless said building is of class "A" or "B" construction throughout. The portion occupied as a public or commercial garage shall have no entrance, exit, or other opening of any kind whatsoever into other portions of the building not so occupied, unless said opening or openings are located as required by the Board of Public Works. Such openings shall be protected with a full Underwriter's Automatic Fire Door on inclined tracks with fusible links, or an approved Underwriter's Automatic Rolling Steel Shutter, fusible links, on both sides of the opening in the wall. Any screen door required in the opening shall be equal to a full kalamein or hollow metal construction. Walls separating such portion occupied as a public or commercial garage and the remainder of the building shall be of brick, stone, or reinforced concrete. The floors which constitute the ceilings of such garage shall be of reinforced concrete slabs, not less than four (4) inches thick, supported by concrete fireproofed carrying units of the frame. These slabs shall

be not less than six (6) inches thick, where they constitute the floor of the public assembly room and the ceiling of the garage. All such slabs shall be reinformed so as to develop their full strength to resist upward pressures, and the ceilings of all garages under places of public assembly shall be equipped with an automatic sprinkler system as provided in all ordinances of the City and County of San Francisco in reference thereto.

(c) Every space in a building hereafter erected in which automobiles or other motor vehicles are placed or stored shall be provided with ventilation as follows:

When the total space on any floor to be used for such purposes is 4000 square feet or less, such space shall be provided with ventilation outlets in the walls thereof.

The total areas of such ventilating outlets shall be as follows:

For a space of 1000 square feet or less, 200 square inches. For each additional space of 200 square feet over 1000 square feet this area shall be increased 50 square inches until the total area becomes 525 square inches, which shall be the maximum required for a space of not more than 4000 square feet.

The top of the ventilating outlets shall be not more than 18 inches above the floor. Such outlets shall be protected with galvanized wire rods not less than ⅜ inch in diameter so as to provide opening of ½-inch mesh.

Protections of ornamental design may be used provided they are galvanized and have a strength equal to that of the rods. All protections shall be firmly anchored in or secured to their supports. All ventilating outlets shall lead directly to a free and unobstructed circulation of air; but shall not lead into inner courts.

All natural ventilating outlets shall be arranged so that there will be at least one outlet in each of two opposite walls of said garage and not less than one-half of the total area of outlets required shall be provided in each of such walls. The free circulation of air between ventilating outlets shall be maintained.

When such space has a floor area of over 4000 square feet a mechanical exhaust ventilation system shall be provided. This system shall consist of power driven exhaust fan or fans of the positive centrifugal type and shall have sufficient capacity to exhaust a quantity of air equal to not less than six times the cubic contents of such space each hour. This mechanical exhaust shall be drawn from a point not more than 18 inches above the floor line and shall be evenly distributed over the entire area in which automobiles are stored. The fan discharge shall be taken to a point above the roof of the building or to the outer air at a point not less than 20 feet from any window in the building or any adjoining building.

(d) An automobile repair shop, tire vulcanizing shop, battery shop and automobile painting shop, may be maintained in a public or commercial garage provided they are separated from the automobile storage section of the public or commercial garage by partitions of concrete, brick or terra cotta title, which shall extend from the floor to the ceiling, or floor to the roof above; provided, however, that no battery shop or automobile painting shop shall be maintained in any public or commercial garage located under a place of public assembly or basement of any building occupied by a public or commercial garage. All openings in said partitions shall be located as directed by the Board of Public Works and the protection to such openings shall consist of an approved Underwriter's Automatic Fire Door on inclined tracks with fusible links or an approved Underwriter's Automatic Rolling Steel Shutter with fusible links, in addition to the temporary protection for opening or closing, which must be constructed of plates and angles, and if glazed, wire glass only shall be used. All such shops shall be conducted, maintained and operated as required by all ordinances governing such establishments.

(e) All private garages with a floor area in excess of four hundred

(400) square feet shall be constructed as provided in this ordinance for public or commercial garages, if built independent of any building that is used as living quarters.

Storage of Gasoline.

Section 4. Whenever the word "approved" shall hereafter appear in this ordinance, it shall mean approved by the Fire Marshal.

(a) Permission must be received from the Fire Marshal before storing or keeping gasoline in or for any public or commercial garage, but in no event shall the quantity exceed the maximum prescribed in this section.

(b) Not more than one approved five (5) gallon can of gasoline and approved portable filling tanks containing not more than fifty (50) gallons of gasoline each may be stored or kept inside of any public or commercial garage, except such gasoline which is contained in the reservoir of automobiles stored therein. Not more than one (1) approved portable filing tank shall be allowed on any one floor of a public or commercial garage.

(c) Additional gasoline may be stored or kept for a public or commercial garage in approved tanks, outside the walls of the building and buried underground. Not more than four (4) such tanks containing not more than five hundred (500) gallons of gasoline each, making two thousand (2000) gallons in the aggregate, shall be allowed to be stored or kept for any one public or commercial garage. All such tanks shall be constructed of galvanized steel at least number twelve (12) gauge in thickness, or iron not less than three-sixteenths (3/16) of an inch in thickness. All tanks shall be coated on the outside with tar, asphaltum or other suitable rust-resisting compound.

(d) A permit shall be required from the Fire Marshal to store or keep gasoline in excess of five (5) gallons in or for any private garage. The Fire Marshal shall determine the amount of gasoline, if any, that may be stored, but in no event shall the quantity exceed the maximum allowed for a public or commercial garage. Said gasoline shall be stored or kept as required for a public or commercial garage.

Tanks, Pipes and Pumps.

Section 5. All underground gasoline storage tanks, pipes and appurtenances used in connection with a public, commercial or private garage shall be installed as follows, unless otherwise required by the Fire Marshal:

(a) All underground tanks shall be placed outside the building, under the sidewalk, close to the curb line.

(b) The top of each such tank shall be at least four feet below the sidewalk and the space between the top of the tank and sidewak shall be filled with earth.

(c) No such tank shall be connected with another so that gasoline can flow or be pumped from one underground tank to another.

(d) All such tanks shall set on a firm foundation and, where water is encountered, tanks shall be enclosed in an approved watertight reinforced concrete vault.

(e) Where two or more tanks are installed, there shall be an approved brick or concrete dividing wall between each tank not less than twelve (12) inches in thickness or three (3) feet of earth.

(f) Each tank shall have a separate filling pipe extending up to the sidewalk or grade, capped with a screw cap, which must be screwed up tight at all times except when filling, and shall be covered with a metal plate flush with the sidewalk or grade.

(g) Each such tank shall have a separate one (1) inch vent pipe extending out of the top of the tank to a height of not less than twelve (12) feet and capped with a double return bend equipped with a non-corrodible wire screen of thirty (30) mesh. The lower end of vent pipe shall not extend through the top into the tank for a distance of more than one (1) inch. Vent pipe shall be on the outside of the

building and terminate not less than three (3) feet, measured horizontally and vertically, from any window or other building opening.

(h) Each such tank shall have at least one suction pipe. Two or more tanks may be connected with one pump, provided the suction pipes siamese at the pump with valves to close each suction pipe.

(i) All pipes shall lead out of the extreme top of each tank; and shall be at least twelve (12) inches underground or enclosed in concrete. Said pipes shall have a fall toward the tank.

(j) All pipes and fittings shall be standard, full weight galvanized iron, or equivalent, and shall be put together with litharage and glycerine.

(k) Tanks and pipes shall not be covered until an inspection has been made by the Fire Marshal and permission so to do has been granted by said officer. The Fire Marshal shall be notified when the work is ready for inspection.

(l) Gasoline shall be taken from such tanks only by means of an approved pump, which shall be installed in an approved location, not below the first floor. No gravity, siphon or pressure system shall be used for taking gasoline from any tank.

(m) The Fire Marshal shall have the right at any time to take, or demand to be taken, a test for leaks on any tank, pipes or appurtenances, and, if found to be defective, shall demand that they be repaired or replaced.

Safety Regulations.

Section 6. The following safety regulations shall govern the operation and maintenance of public, commercial and private garages.

(a) Each underground tank shall be filled with gasoline only through pipe or hose connected to a tank truck, leading through continuous metal fittings or connections, properly grounded to and into the filling pipe of such underground tank.

(b) The reservoir of an automobile shall be filled with gasoline only through an approved hose connected to a pump on a portable filling tank or underground tank.

(c) Wherever possible, portable filling tanks shall always be kept near the entrance of garage when not in use.

(d) No gasoline shall be allowed to be kept or conveyed in open receptacles inside a garage.

(e) No smoking shall be allowed inside of any garage and notices to that effect shall be conspicuously posted as required by the Fire Marshal.

(f) All inflammable waste and rubbish shall be kept at all times in metal receptacles fitted with a tight cover until removed from the premises.

(g) Sawdust shall not be kept and sawdust or other flammable material shall not be used for the purpose of absorbing oil, grease or gasoline. Oil and grease shall not be allowed to accumulate on the floor of any garage. Gasoline shall not be used for cleaning the engine of any automobile.

(h) All lights on an automobile shall be extinguished before filling reservoir with gasoline and the engine of said automobile shall not be in motion.

(i) No gasoline, grease, oil or flammable liquids of any kind shall be allowed to flow or be placed into the drainage system.

(j) No tank truck, empty or otherwise, used for the transportation of flammable liquids shall be admitted inside any garage, unless the garage is used exclusively for the keeping of such vehicles.

(k) The heating of any garage shall be accomplished only by an approved steam or hot water system.

(l) Gasoline shall not be kept or stored below the first floor of any garage, except that which is contained in the reservoirs of automobiles stored therein.

(m) No system of artificial lighting other than incandescent electric

lamps shall be installed. All portable lights shall be equipped with keyless sockets and lamp guards. All electric switches, sockets and plugs shall be at least four feet above the floor. All electric wiring shall be installed as required by the Department of Electricity.

(n) All electric motors or devices capable of emitting an exposed spark shall be located at least four feet above the floor.

(o) All lockers shall be constructed entirely of incombustible material and no gasoline, oils or other flammable liquid shall be kept therein.

(p) At least one (1) approved fire extinguisher containing not less than two and one-half (2½) gallons of chemical, if of the soda and acid or foam type, or not less than one quart if of the carbon tetra-chloride type, shall be provided for every one thousand (1000) square feet of floor area or fraction thereof, which shall be installed and located as required by the Fire Marshal. Not more than one-half of the total number of such fire extinguishers may be of the carbon tetra-chloride type. All extinguishers of the carbon tetra-chloride type must be kept filled with the proper fluid at all times. All extinguishers of the soda and acid or foam type must be properly recharged not less than once each year and date of such recharging shown on tag attached thereto. Near each such fire extinguisher there shall be maintained an approved bucket of clean dry sand. In addition to the buckets of sand, every public and commercial garage shall maintain on each floor, an approved barrel of clean dry sand. All of the above containers of sand shall have painted thereon in an approved manner, the words: "Sand—For Fire Use."

(q) No stove, forge, torch, furnace, heating apparatus, flame, fire or other apparatus, device or equipment which the Fire Marshal shall deem to be hazardous, shall be maintained or kept unless approved by the Fire Marshal.

(r) All automobiles shall be spaced in an approved manner so as to allow members of the Fire Department or other persons to easily reach any automobile or any part of the premises in case of fire.

(s) No portion of any garage shall be used for the storage or keeping of goods, merchandise or any flammable material, except the necessary automobile parts, accessories and supplies.

(t) All waste oil shall be kept in an approved tank located outside the walls of the building, under the sidewalk and close to the curb line. Such tank shall be equipped with approved suction, filling and vent pipes. No such waste oil shall be kept in cans or drums above ground.

Duties of the Fire Marshal.

Section 7. (a) It shall be the duty of the Fire Marshal of the City and County of San Francisco to see that the provisions of this ordinance are complied with, except the supervision of building construction and alteration, and for that purpose shall have access at all times to any and all public, commercial and private garages.

(b) In the event that any person, firm or corporation to whom a permit has been granted by the Board of Supervisors to establish, conduct, maintain or operate a public or commercial garage shall violate, cause or permit to be violated any of the provisions of this ordinance (which are for the public safety), it shall be the duty of the Fire Marshal to notify said person, firm or corporation in writing to appear before the Board of Supervisors of the City and County of San Francisco within five (5) days after the service of said notice to then and there show cause why the permit which has been granted to establish, conduct, maintain or operate a public or commercial garage shall not be revoked.

(c) If the said person, firm or corporation on whom said notice was served by the Fire Marshal to appear before the Board of Supervisors fails or refuses to appear before the said Board of Supervisors it shall be the duty of the said Board of Supervisors to notify in writing said person, firm or corporation to whom a permit has been

issued that said permit, through failure or neglect to appear before the Board of Supervisors, is revoked. Said person, firm or corporation on whom notice was served by the Fire Marshal and who failed, refused or neglected to appear before said Board of Supervisors, is hereafter liable to the penalty imposed by this ordinance, if said person, firm or corporation shall continue to conduct, maintain or operate such public or commercial garage after being notified in writing that the permit issued by the Board of Supervisors has been revoked.

(d) The Fire Marshal shall have the right to revoke any permit that has been issued for the storage of gasoline for violation of any of the provisions of this ordinance.

Penalty.

Section 8. When any person, firm or corporation violates or refuses to comply with any of the provisions of this ordinance (which are for the public safety) said person, firm or corporation shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a fine not exceeding five hundred ($500) dollars, or by imprisonment in the County Jail for not more than six months, or by both such fine and imprisonment. Each such person, firm or corporation shall be deemed guilty of a separate offense for each day such violation shall continue and shall be subject to the penalty imposed by this ordinance for each and every such separate offense.

Section 9. Ordinance No. 746 (New Series) and all ordinances or parts of ordinances in so far as they conflict with this ordinance are hereby repealed.

Section 10. This ordinance shall take effect immediately.

SPECIAL ORDER—3 P. M.

Submission to Electors, Establishment of Municipal Court.

Bill No. 9027, Ordinance No. ———— (New Series), as follows:

An ordinance presenting and submitting to the qualified electors of the City and County of San Francisco the question of the establishment of a Municipal Court.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. The question of the establishment of a Municipal Court for the City and County of San Francisco is hereby presented and submitted to the qualified electors of said City and County at the general municipal election to be held on Tuesday, November 5, 1929.

Section 2. It is hereby prescribed that the question hereby submitted shall be in the following form and shall appear on the ballot at said election as follows: Shall a Municipal Court be established for the City and County of San Francisco? It is further prescribed that opposite said question on the ballot the words "Yes" and "No" shall be printed in separate lines with voting squares.

Section 3. It is further prescribed that said court shall begin to function on the 1st day of January, 1930.

Privilege of the Floor.

Mr. Harrison, representing the Bar Association, James Conlan, Presiding Judge of the Superior Court, Henry Monroe, Randolph Whiting and Judge Shurtleff were heard in favor of the proposed measure.

H. I. Mulcreavy, County Clerk, was heard in opposition.

Motion.

Supervisor Marks moved that the foregoing bill providing for submission to the electors at the November election of the question of the establishment of a Municipal Court be passed for printing.

Amendment.

Supervisor Havenner moved as an amendment that the bill be amended in Section 3, line 2, by striking out the words "January 1, 1930," and inserting in lieu thereof "July 1, 1930."

SPECIAL ORDER—2 P. M.

Declaration of Policy, Garbage Collection and Disposal.

(To be used if proposition to vote bonds for an incinerator is *not* placed on ballot.)

Shall the Board of Supervisors of the City and County of San Francisco cause to be submitted to the electors of said City and County, at a special election to be held not later than April 1st, 1930, the proposition of voting bonds in the sum of one million dollars for the purpose of defraying the cost of the construction of an incinerator, to be owned and operated by the City for the incineration of the City's garbage and refuse; or

Shall the City and County of San Francisco enter into an agreement with a private individual or corporation, whereby said individual or corporation will agree to build an incinerator of sufficient capacity to incinerate the garbage and refuse collected in the City, and to operate the same for the incineration of such garbage and refuse under such conditions as may be provided by the authorities of said City and County, with the understanding that the City and County shall be entitled to acquire said incinerator from the person or corporation building the same upon such conditions as may be agreed upon when said agreement to build said incinerator is entered into?

To vote in favor of bond issue, mark X here [X]
To vote in favor of privately owned incinerator, mark X here [X]

(Vote for one proposition only.)

In re Garbage Disposal.

Supervisor Marks withdrew from the Health Committee the following resolution and moved its adoption:

Resolved, That the following declaration of policy be submitted to the electors of the City and County of San Francisco for their action at the general municipal election to be held on Tuesday, the 5th day of November, 1929, namely:

"Shall the City and County establish and maintain a publicly-owned and operated system for the collection and disposal of garbage?"

Be it Further Resolved, That the City Attorney be requested to draft and transmit to this Board a form of resolution for submission of said declaration of policy to the people in such manner as is prescribed by the Charter of the City and County of San Francisco.

Declarations of Policy Concerning Garbage Collection and Disposition to Be Submitted to the Electors.

Bill No. ————, Ordinance No. ———— (New Series), as follows:

An ordinance presenting and submitting to the qualified electors of the City and County of San Francisco declarations of policy concerning the collection and disposition of garbage.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. The question of the method of collection and disposition of garbage is hereby presented and submitted to the qualified electors of said City and County of San Francisco at the general municipal election to be held on Tuesday, November 5, 1929.

Section 2. It is hereby prescribed that the questions hereby submitted shall be in the following form and shall appear on the ballot at said election as follows:

1. Shall garbage be disposed of by incineration?
2. Shall garbage be disposed of by the fill-and-cover method?
3. Shall the City establish a municipally owned and operated system for the disposal of garbage?
4. Shall the City establish a municipally owned and operated system for the collection of garbage?

It is further prescribed that opposite said questions on the ballot the words "Yes" and "No" shall be printed in separate lines with voting squares.

The question being on the passage to print of the foregoing bill:

Motion.

Supervisor Colman moved as a substitute that it be the policy of this Board of Supervisors to call for bids for the erection of a privately-built and owned incinerator with provision for the City to take over when prepared to do so. Ordinance to be prepared by the City Engineer and City Attorney.

Supervisor Shannon submitted as an amendment a bill providing for the calling for bids for disposal by fill and cover outside of San Francisco. (A. O. Stewart proposal.)

Action Deferred.

Thereupon, Supervisor Shannon moved to postpone one week and have Mr. Stewart present, also others with disposal offers. Special Order, 11 a. m.

Carried.

ADJOURNMENT.

There being no further business the Board at 6:30 p. m. adjourned.

J. S. DUNNIGAN, Clerk.

Approved by the Board of Supervisors October 14, 1929.

Pursuant to Resolution No. 3402 (New Series) of the Board of Supervisors of the City and County of San Francisco, I, John S. Dunnigan, hereby certify that the foregoing is a true and correct copy of the Journal of Proceedings of said Board of the date thereon stated and approved as recited.

Resolution No. 31378 (New Series), as follows:

Resolved, That it is the intention of the Board of Supervisors to change and establish grades on the streets named, at the points specified and at the elevations above city base as shown on map entitled "Grade map showing the proposed change and establishment of grades

on Grafton avenue between Orizaba avenue and Bright street, on Garfield street between Bright street and Head street, and on Bright street between Garfield street and a line parallel with Shields street and 395.90 feet northerly therefrom," in accordance with Resolution No. 107455 (Second Series) of the Board of Public Works, adopted August 19, 1929, and written recommendation of said Board filed August 19, 1929, to-wit:

On Grafton avenue between Orizaba avenue and Bright street, on Garfield street between Bright street and Head street, on Bright street between Garfield street and a line parallel with Shields street and 395.90 feet northerly therefrom.

The Board of Supervisors hereby declares that no assessment district is necessary, as no damage will result from said change of grades, inasmuch as the streets are ungraded and there are no existing street improvements.

The Board of Public Works is hereby directed to cause to be conspicuously posted along the street or streets upon which such change or modification of grade or grades is contemplated, notice of the passage of this resolution of intention.

SPECIAL ORDER—11 A. M.

The following three propositions were taken up at 3 p. m.:

(A)

Declaration of Policy, Garbage Collection and Disposal.

Submitted by the Health Committee.

(To be used if proposition to vote bonds for an incinerator is *not* placed on ballot.)

Shall the Board of Supervisors of the City and County of San Francisco cause to be submitted to the electors of said City and County, at a special election to be held not later than April 1st, 1930, the proposition of voting bonds in the sum of one million dollars for the purpose of defraying the cost of the construction of an incinerator, to be owned and operated by the City for the incineration of the City's garbage and refuse; or

Shall the City and County of San Francisco enter into an agreement with a private individual or corporation, whereby said individual or corporation will agree to build an incinerator of sufficient capacity to incinerate the garbage and refuse collected in the City and to operate the same for the incineration of such garbage and refuse under such conditions as may be provided by the authorities of said City and County, with the understanding that the City and County shall be entitled to acquire said incinerator from the person or corporation building the same, upon such conditions as may be agreed upon when said agreement to build said incinerator is entered into?

To vote in favor of bond issue, mark X here [X]

To vote in favor of privately owned incinerator, mark X here [X]

(Vote for one proposition only.)

(B)

In re Garbage Disposal.

Supervisor Marks withdrew from the Health Committee the following resolution and moved its adoption:

Resolved, That the following declaration of policy be submitted to the electors of the City and County of San Francisco for their action at the general municipal election to be held on Tuesday, the 5th day of November, 1929, namely:

"Shall the City and County establish and maintain a publicly-owned and operated system for the collection and disposal of garbage?"

Be it Further Resolved, That the City Attorney be requested to draft and transmit to this Board a form of resolution for submission of said declaration of policy to the people in such manner as is prescribed by the Charter of the City and County of San Francisco.

(C)

Declarations of Policy Concerning Garbage Collection and Disposition to Be Submitted to the Electors.

Bill No. ———, Ordinance No. ———— (New Series), as follows:

An ordinance presenting and submitting to the qualified electors of the City and County of San Francisco declarations of policy concerning the collection and disposition of garbage.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. The question of the method of collection and disposition of garbage is hereby presented and submitted to the qualified electors

of said City and County of San Francisco at the general municipal election to be held on Tuesday, November 5, 1929.

Section 2. It is hereby prescribed that the questions hereby submitted shall be in the following form and shall appear on the ballot at said election as follows:

1. Shall garbage be disposed of by incineration?
2. Shall garbage be disposed of by the fill-and-cover method?
3. Shall the City establish a municipally owned and operated system for the disposal of garbage?
4. Shall the City establish a municipally owned and operated system for the collection of garbage?

It is further prescribed that opposite said questions on the ballot the words "Yes" and "No" shall be printed in separate lines with voting squares.

Minority Report.

Supervisor Toner presented the following as a minority report:

To the Honorable Mayor and Board of Supervisors of the City and County of San Francisco.

Gentlemen: As chairman of the Public Health Committee of this Board, I signed the last Health Committee report presented to this Board.

After careful thought, and upon serious consideration, I wish to withdraw my name from the majority report and substitute this, a minority report, for the following reasons:

1. I feel that after two years of intensive study of this subject by this Board of Supervisors we are in a better position to solve the garbage problem for the best interests of the City than are the citizens, and that it will be better that this problem shall be settled by this Board than to present to the voters of this City such a perplexing public question. I say this because this Board has had before it this question since the fire of 1906, and the Board of Supervisors has struggled with it, and it would be unfair to ask the citizens, on the eve of a municipal election, to solve in a few weeks' time a question which the Board of Supervisors up to this time could not solve. I believe, as chairman of the committee, that our minority report, respectfully submitted, will fearlessly and properly solve this problem.

2. As a Supervisor, elected by the people, I feel that the responsibility of solving this problem is ours. We are on the verge of receiving a drastic decision from the Superior Court in reference to the present incinerator. We should be prepared to meet that decision promptly and in a business-like manner.

This Board has, by Resolution No. 31004, adopted on June 11, gone on record for the disposition of garbage by incineration and for the construction of a new incinerator on a site adjacent to the present incinerator. By the same resolution this Board has declared itself in favor of a municipally owned and operated incinerator. In conformity with the provisions of this resolution your Committee on Public Health recommend to this Board the passage of an ordinance providing for the submission of a bond issue of a million dollars to the people at the November election, to finance the construction of a new incinerator. This Board declined to adopt this resolution.

Therefore, in my opinion, in view of the policy for incineration already approved by this Board, there is only one other course open, and that is to contract with a private individual or corporation for the construction and operation of an incinerator, proper regard being had for the recapture of the same by the City under proper conditions. Suggestion has been made that the question as to whether an incinerator should be publicly or privately built shall be submitted to the people. While I have due regard at all times for the opinion and wishes of the people, in this particular case I think the question of submitting the problem as to whether the incinerator should be pub-

licly or privately built is an idle one, for the reason that a majority of the people might declare in favor of a publicly owned incinerator, which would necessitate a bond issue, and when the bond issue was submitted it might fail to receive the necessary two-thirds vote, and would therefore fail of approval. Furthermore, there is no assurance that if a bond issue was voted that we could dispose of the bonds. At the present time we have approximately sixty-five million dollars of municipal bonds awaiting a sale to finance projects equally if not more important than the disposition of garbage. If we could not sell our bonds we could not finance the building of our incinerator, and if we should raise the rate of interest on incinerator bonds we can give no good reason for not doing the same with all the bonds awaiting sale. I am not prepared at this time to place this additional financial burden upon the people of San Francisco, especially when an incinerator can be privately built and recaptured by the City at any time that the bond market improves.

My present recommendations are similar to those presented to this Board by your Health Committee on April 29, 1929, with some modifications to meet present conditions.

Disposal.

In conformity with the provisions of Resolution No. 31004, heretofore referred to, I again recommend that incineration be adopted as a method for the disposal of San Francisco's garbage, considering such a method as being the most efficient and sanitary means of disposing of the City's refuse, investigation having shown that this method has been adopted by most of the cities, not only of this country, but also of South America, Europe and Canada.

Location.

I recommend that the incinerator be built upon a site adjacent to the present site, at Fifteenth and De Haro streets, now owned and used by the City for this purpose. The above-described lot is 200 by 400, which is sufficient ground for the erection of a modern incinerator. Furthermore, the aforesaid site will obviate unnecessary expense, realty difficulties, and the possibility of protest against locating an incinerator upon a new and untried location. This locality is sufficiently central to cut the hauling cost, which is an important factor in garbage disposition. It would be difficult to find a more practicable site for an incinerator than on this parcel of land.

Financing of Incinerator.

I am in favor of public ownership of this utility. I find conditions now existing in San Francisco such that the City cannot, without a bond issue, build a $1,000,000 incinerator necessary for the disposal of its refuse; therefore, I recommend that the best offer made by private capital be accepted by the Board. I recommend that a franchise be granted for a period of twenty-five years, at the end of such time the incinerator to revert to the City; that a recapture clause be inserted in the franchise, granting the City the right to purchase the incinerator at any time during the life of the franchise for cost minus depreciation. I also recommend that the legal rate be charged for disposal.

Type and Capacity.

I recommend that any incinerator constructed have a capacity for the disposition of at least 800 tons per day, and that the type thereof be determined by this Board and the Board of Public Works, acting through its City Engineer, provided that the type of incinerator to be selected will be such that it can dispose of all garbage and refuse by the one-can system.

Temporary Disposal of Garbage.

I recommend that the person or persons who will construct the new incinerator, build the same on a lot adjacent to the present incin-

erator, preferably in the same block therewith; then the present incinerator can be used in the future in a limited capacity, without being a nuisance to surrounding property owners, and that our present incinerator be used to its fullest capacity pending the building of a new one.

DR. J. M. TONER.

In view of the foregoing, I hereby present the following resolution:

Health Committee to Confer With City Engineer as to Proper Incinerator to Be Built by Private Enterprise.

Resolution No. ———— (New Series), as follows:

Resolved, That the Committee on Public Health confer with the City Engineer at the earliest possible date, for the purpose of ascertaining the proper incinerator to be built by a private individual or corporation for the incineration of the garbage and refuse of the City and County, and that said committee report the result of said conference to this Board, and that thereupon this Board select a type of incinerator to be constructed by a private individual or corporation, and by resolution call for bids from individuals or corporations for the construction of said incinerator and its operation by said individual or corporation, for the incineration of garbage and refuse for a period of twenty years, subject to the right of the City to take over said incinerator and the property on which it is situated (if built on private property), at cost less depreciation, and at the expiration of said period of twenty years said incinerator to become the property of the City without cost. That upon said bids being received, that the City enter into a contract for the construction and operation of said incinerator with the individual or corporation making the most advantageous bid to the City.

Thereupon, Supervisor Colman withdrew his motion of similar purport, made at the last meeting, and seconded the motion of Supervisor Toner to adopt the foregoing resolution.

Amendment.

Supervisor Shannon offered the following bill and moved its passage to print as an amendment to Supervisor Toner's motion, to-wit:

Supervisor Shannon's Bill.

Bill No. ————, Ordinance No. ———— (New Series), as follows:

Providing for the disposition of refuse and garbage in the City and County of San Francisco; providing for the method of disposing of garbage and refuse; providing for the entering into of a contract for the disposition of garbage and refuse.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. The right to the disposition of all garbage and refuse of the City and County of San Francisco, exclusive of swill from hotels and restaurants, shall be granted to the highest bidder by private contract with the City and County of San Francisco.

Section 2. The rate to be charged by the successful bidder to the collectors of garbage and refuse, for disposal, shall not be greater than one ($1.00) dollar per ton.

Section 3. That any and all garbage and refuse collected shall be disposed of by the fill-and-cover method outside of the City and County of San Francisco.

Section 4. That the Mayor of the City and County of San Francisco is hereby authorized to enter into a contract for the disposition of such garbage and refuse for the period of ten (10) years.

Section 5. That the successful bidder shall deposit a satisfactory

bond with good and sufficient sureties in the sum of fifty thousand ($50,000.00) dollars for the faithful performance of the contract.

Section 6. This ordinance shall take effect immediately.

Privilege of the Floor.

Harry Young, attorney representing A. O. Stewart, was granted the privilege of the floor and heard in support of the bill offered by Supervisor Shannon, indicating that his client was willing to pay as high as $1,000,000 for the privilege of disposing of San Francisco's garbage by fill-and-cover method at Berkeley.

James Hanley was also heard in favor of the disposal of San Francisco's garbage as a means of reclaiming tide lands for commercial sites in the vicinity of Hunters Point.

Mr. Fleming, representing the Industrial Committee of the Chamber of Commerce, was heard in favor of the "fill-and-cover" method in San Francisco for reclamation purposes.

Adolph Uhl and J. J. Kelly, Secretary of the Central Federation of Improvement Clubs, were heard in favor of the "fill-and-cover" method for the reclamation of San Francisco tide lands.

Jos. Anderson, attorney for the Scavengers' Union, offered to construct an incinerator if given a twenty-year franchise, property to revert to City at end of term.

M. Hirsch was heard respecting his dehydration incinerator plan.

Mrs. Frank, San Francisco Center Women's Club's Legislative Committee, was heard in opposition to "fill-and-cover."

Communications.

Communications were read from the San Francisco Housewives' League, the San Francisco Section of the National Council of Jewish Women, and the City and County Federation of Women's Clubs.

Supervisor Hayden objected to the presentation of Supervisor Toner's so-called minority report. Inasmuch as it had not been considered by the committee, he said, it was not properly before the Board.

Whereupon, Supervisor Toner requested that his report be considered a minority report and be referred to the Health Committee.

Thereupon, Supervisor Toner moved the suspension of the rules for the consideration of the following resolution:

Health Committee to Confer With City Engineer as to Proper Incinerator to Be Built by Private Enterprise.

Resolution No. ———— (New Series), as follows:

Resolved, That the Committee on Public Health confer with the City Engineer at the earliest possible date, for the purpose of ascertaining the proper incinerator to be built by a private individual or corporation for the incineration of the garbage and refuse of the City and County, and that said committee report the result of said conference to this Board, and that thereupon this Board select a type of incinerator to be constructed by a private individual or corporation, and by resolution call for bids from individuals or corporations for the construction of said incinerator and its operation by said individual or corporation, for the incineration of garbage and refuse for a period of twenty years, subject to the right of the City to take over said incinerator and the property on which it is situated (if built on private property), at cost less depreciation, and at the expiration of said period of twenty years said incinerator to become the property of the City without cost. That upon said bids being received, that the City enter into a contract for the construction and operation of said incinerator with the individual or corporation making the most advantageous bid to the City.

Motion *lost* by the following vote:

Ayes—Supervisors Andriano, Colman, Deasy, Gallagher, Roncovieri, Stanton, Suhr, Toner—8.

Noes—Supervisors Havenner, Hayden, Kent, McSheehy, Marks, Powers, Schmidt, Shannon, Todd—9.
Absent—Supervisor McGovern—1.

Notice of Reconsideration.

Before the result of the foregoing vote was announced, Supervisor Toner changed his vote from *aye* to *no* and gave notice that he would move for reconsideration at next meeting.

Supervisor Shannon's Bill.

Whereupon, the roll was called on Supervisor Shannon's bill, with the following result:

Bill No. ————, Ordinance No. ———— (New Series), as follows:

Providing for the disposition of refuse and garbage in the City and County of San Francisco; providing for the method of disposing of garbage and refuse; providing for the entering into of a contract for the disposition of garbage and refuse.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. The right to the disposition of all garbage and refuse of the City and County of San Francisco, exclusive of swill from hotels and restaurants, shall be granted to the highest bidder by private contract with the City and County of San Francisco.

Section 2. The rate to be charged by the successful bidder to the collectors of garbage and refuse, for disposal, shall not be greater than one ($1.00) dollar per ton.

Section 3. That any and all garbage and refuse collected shall be disposed of by the fill-and-cover method outside of the City and County of San Francisco.

Section 4. That the Mayor of the City and County of San Francisco is hereby authorized to enter into a contract for the disposition of such garbage and refuse for the period of ten (10) years.

Section 5. That the successful bidder shall deposit a satisfactory bond with good and sufficient sureties in the sum of fifty thousand ($50,000.00) dollars for the faithful performance of the contract.

Section 6. This ordinance shall take effect immediately.

Refused passage by the following vote:

Ayes—Supervisor Shannon—1.

Noes—Supervisors Andriano, Colman, Deasy, Havenner, Hayden, Kent, McSheehy, Marks, Powers, Roncovieri, Schmidt, Suhr, Todd, Toner—14.

Absent—Supervisor Gallagher, McGovern, Stanton—3.

The question being on Proposition (C) "Declarations of Policy Concerning Garbage Collection and Disposition to Be Submitted to the Electors," Supervisor Stanton offered the following amendment:

5. Shall a ten-year contract be awarded to the person making the most advantageous bid to the City for the disposal of all garbage and refuse (other than swill), said garbage and refuse to be disposed of outside the City and County limits of San Francisco?

The rate to be paid for said disposal is to be $1 per ton, which is to be collected from the scavengers and without expense to the City and County of San Francisco.

Action Deferred.

Whereupon, Supervisor McSheehy moved that the amendment and bill be rereferred to the Health Committee for redrafting and that the entire subject matter be made a Special Order of Business for 2 p. m. next Monday.

Motion *carried.*

Action Deferred.

The following matter was, on motion of Supervisor Suhr, *laid over one week*:

In re Engineer for Streets Committee.

Remarks of Supervisor Gallagher on assignment of an engineer to the Committee on Streets:

The Streets Committee for some considerable time has felt the need of the services of an engineer assigned to it for the purpose of the checking that it needs to have done, and for the purpose of investigations needed by that committee. It has asked the Engineer, after conference with the Rules Committee and the chairman of the Finance Committee, for the transfer of John J. Casey to the work of our committee, to be paid out of the County Road Fund.

In re Acquisition of Baker's Beach.

Consideration of matter of acquisition of Baker's Beach for public recreational purposes.

ROLL CALL FOR PETITIONS AND COMMUNICATIONS.

Billboards.

Supervisor Roncovieri presented the following:

Communication, from California Spring Blossom and Wild Flower Association, protesting against construction of unsightly billboards on our highways.

Referred to Streets and Public Welfare Committee.

Communication, from Redwood Empire Association, endorsing proposed campaign to eliminate obnoxious billboards from highways and boulevards of San Francisco.

Referred to Streets and Public Welfare Committee.

Prohibition of Billboards Along Boulevards.

Whereupon, Supervisor Roncovieri presented:

Resolution No. ———— (New Series), as follows:

Whereas, the citizens of San Francisco, at the general election held in November, 1927, ratified a bond issue of $9,380,000 for the construction of a system of boulevards, which system is now nearing completion and is calculated to add materially to the fame of San Francisco throughout the world; and

Whereas, every effort has been made to construct this boulevard system in a manner that shall complement and set off to advantage the natural beauties of this City; and

Whereas, there are many vantage points on these boulevards which afford beautiful scenic vistas which should be preserved and protected for their aesthetic values; and

Whereas, there is a manifest desire on the part of the people throughout California and the United States to banish unsightly billboards from the scenic highways of the cities and of the countryside, which finds utterance by the press and by public officials and leading citizens, and found concrete expression in the action of the California Legislature during its last session in the formation of a joint legislative committee to ban billboards from the California highways, which committee has recently been appointed by Governor C. C. Young; and

Whereas, the indiscriminate placing of billboards and other unsightly obstructions to the view along the boulevards should be adequately regulated and is a proper function of the City and County Planning Commission; and

Whereas, the erection of signboards along our major boulevards is offensive to aesthetic taste and only serves to mar the beauty of the landscape wherever such signboards are erected, and frequently increases traffic hazards by shutting off an unobstructed view at crossroads and on curves, thus constituting a public nuisance and depreciating the scenic assets of this City; and

Whereas, it has come to public notice that signboards have been erected recently along the Bay Shore highway, which highway is an integral part of the new boulevard system; now, therefore, be it

Resolved, That the Board of Supervisors of the City and County of San Francisco deplores the marring of the beauty of this scenic boulevard and considers it necessary that steps be taken for the protection of this and other scenic highways in the City and County of San Francisco; and be it further

Resolved, That the Board of Supervisors directs that steps be taken to prohibit the erection of signboards and other unsightly obstructions on Bay Shore highway, Alemany boulevard, Junipero Serra boulevard, Sloat boulevard, Nineteenth avenue extension, The Esplanade, Great Highway, Portola drive and Market street extension, Roosevelt way, Telegraph Hill drive, Twin Peaks boulevard, El Camino del Mar and Marina boulevard; and be it further

Resolved, That the erection of signboards in the City and County of San Francisco shall be under the jurisdiction of the City Planning Commission, which commission shall refuse to permit any signboards or other unsightly obstructions to be erected along or on any of the boulevards, avenues or streets above named, and shall permit the erection of signboards along other streets only within its discretion; and be it further

Resolved, That the City Attorney be and he hereby is instructed to prepare the necessary legislation, assisted by the City Planning Commission, to effect the purpose of this resolution.

Referred to Streets and Public Welfare Committee.

Opening of Pacific Coast Steel Company's Plant.

Supervisor Todd presented:

Invitation of Pacific Coast Steel Company to participate in the opening of its bolt, nut and rivet plant at South San Francisco, Thursday, September 12, 1929, at 11 a. m.

Supervisors Hayden, Roncovieri, Suhr and Todd indicated their intention to attend.

ADJOURNMENT.

There being no further business, the Board at the hour of 6:45 p. m. adjourned.

J. S. DUNNIGAN, Clerk.

Approved by the Board of Supervisors October 21, 1929.

Pursuant to Resolution No. 3402 (New Series) of the Board of Supervisors of the City and County of San Francisco, I, John S. Dunnigan, hereby certify that the foregoing is a true and correct copy of the Journal of Proceedings of said Board of the date thereon stated and approved as recited.

ROLL CALL FOR PETITIONS AND COMMUNICATIONS.

In re Acquisition of Baker's Beach.

Consideration of matter of acquisition of Baker's Beach for public recreational purposes.

Privilege of the Floor.

Edward Kenny, representing the Geary Street Merchants' Association, was granted the privilege of the floor and addressed the Board, urging that steps be taken to preserve Baker's Beach for public use, declaring that it was the only place that people could swim in safety.

Mr. Allen, representing the Sea Cliff Subdivision, was also heard, saying that he would sell the land at a price if the City was in a position to buy it, but asked that in the meantime the approval of the map be not held up, to his disadvantage, until the electors have had an opportunity to pass upon the acquisition of the land.

Whereupon, subject to Mr. Allen's agreement, the following resolutions were *adopted* on motion of Supervisor Marks:

Approval of Map of Subdivision No. 4 of Sea Cliff.

Resolution No. 31386 (New Series), as follows:

Whereas, the Board of Public Works did, by Resolution No. 105617 (Second Series), adopted March 11, 1929, approve map of Subdivision No. 4 of Sea Cliff, San Francisco, California, in two sheets, and transmitted said map to the City Planning Commission, with the recommendation that said map be approved by the City Planning Commission; and

Whereas, the City Planning Commission did, by Resolution No. 9, passed March 28, 1929, recommend to the Board of Supervisors that certain map designated as Subdivision No. 4 of Sea Cliff for approval, and also the acceptance as a public street the land designated on said map as Sea Cliff avenue; now, therefore, be it

Resolved, That the map of Subdivision No. 4 of Sea Cliff, San Francisco, California, is hereby approved.

Ayes—Supervisors Colman, Deasy, Gallagher, Hayden, Kent, McGovern, McSheehy, Marks, Powers, Roncovieri, Shannon, Stanton, Suhr, Todd, Toner—15.

Absent—Supervisors Andriano, Havenner, Schmidt—3.

Accepting a Deed to Land for Street Purposes as Shown on Map of Subdivision No. 4 of Sea Cliff, San Francisco, California.

Also, Resolution No. 31385 (New Series), as follows:

Resolved, That the deed executed on the 30th day of January, 1929, between Harry B. Allen, Inc., a corporation, and the City and County of San Francisco (a municipal corporation), to land for street purposes as shown on Map of Subdivision No. 4 of Sea Cliff, San Francisco, California, is hereby accepted.

Further Resolved, That the land covered by said deed is hereby declared an open public street.

Ayes—Supervisors Colman, Deasy, Gallagher, Hayden, Kent, McGovern, McSheehy, Marks, Powers, Roncovieri, Shannon, Stanton, Suhr, Todd, Toner—15.

Absent—Supervisors Andriano, Havenner, Schmidt—3.

Motion.

Supervisor McSheehy moved that the City Attorney be requested to draw up proper resolutions so that the citizens of San Francisco might vote at the next election for the acquisition of land desired for recreation beach.

Supervisor Gallagher moved to add, and it was accepted, "that the acting Mayor call a conference of the City Engineer, City Planning Commission, Park Commission, and other City officials and owners of property, to, if possible, delineate by agreement the land in question."

Supervisor Stanton moved, and it was accepted, "that the land abutting the Marina and west of Laguna street be submitted to the electors for acquisition for recreational purposes."

Motion *carried.*

UNFINISHED BUSINESS.

Final Passage.

The following matters, heretofore passed for printing, were taken up and *finally passed* by the following vote:

SPECIAL ORDER—2 P. M.

Appointment of War Memorial Trustees.

The following named were appointed members of the War Memorial Board of Trustees by communication from his Honor Mayor Rolph, dated

August 26, 1929, which communication was read to the Board of Supervisors at the last meeting and laid over for consideration until this meeting: General Hunter Liggett, U. S. A., retired; Frank N. Belgrano, State Commander, American Legion; Jas. I. Herz, 363d Infantry; Chas. H. Kendrick, World's War veteran; Herbert Fleishhacker, president of the Anglo and London Paris National Bank; Kenneth R. Kingsbury, president of the Standard Oil Company of California; Robert I. Bentley, president of the California Fruit Packers' Association; George Cameron, publisher of the San Francisco Chronicle; George Hearst, publisher of the San Francisco Examiner; J. W. Mullen, publisher of the Labor Clarion, and Col. Jesse C. Colman, Supervisor.

Communications.

The following matters were read and ordered *filed*:

Communications, from S. O. Johnson and other World War veterans, Major Milton H. Epstein, San Francisco Chamber of Commerce, and Edw. J. Mitchell, formerly major 363d Infantry, 91st Division, endorsing Mayor's nominees for War Memorial Trustees, were read and ordered *filed*.

Communications, from San Francisco Post No. 58, Veterans of Foreign Wars of the United States, from Advisory Board to Veterans' War Memorial Committees, and from Myron B. Goldsmith, protesting Mayor's nominations for War Memorial Trustees.

Communication, from the 363d Infantry Association, 91st Division, endorsing the nomination of Jas. I. Herz as one of War Memorial Trustees.

Communication from Advisory Board to Veterans' War Memorial Committees.

September 7, 1929.

To the Board of Supervisors, City and County of San Francisco, San Francisco, California.

Gentlemen: The Veterans' Advisory Board has been instructed by the twenty Posts of the American Legion in San Francisco, five Posts of the Veterans of Foreign Wars, four Camps of the United Spanish War Veterans, the Disabled American Veterans of the World War, and the United Veterans Council, the latter organization representing the other veteran organizations in San Francisco, to convey to your honorable Board the information that the veteran organizations of San Francisco emphatically protest the confirmation of the Board of War Memorial Trustees now submitted to your Board for confirmation. Therefore, the Advisory Board speaks to you for all active veteran organizations in San Francisco.

The Advisory Board has further been instructed to submit a written statement fully setting forth the veterans' objections and the reasons therefor.

The veterans first object to the appointment and confirmation of this Board upon the ground that a majority of the members are not veterans.

By Ordinance No. 7516 (New Series) a special election was called and held in this City on the 14th day of June, 1927, for the purpose of submitting to the voters a proposition to incur a bonded indebtedness in the sum of four million dollars for the acquisition of land and the construction of the War Memorial. The project was specifically described in the ordinance as:

"The construction, completion and equipment of permanent buildings in or adjacent to the Civic Center of the City and County of San Francisco, to be used as a memorial hall for war veterans and for educational, recreational, entertainment and other municipal purposes."

By a resolution of your Board, adopted at its meeting on Monday, May 16, 1927, signed by sixteen members of the Board and approved by the Mayor, an argument was ordered mailed by the Registrar to

the voters on behalf of your Board in support of the bond issue, in which argument the following statement was made, speaking of the contemplated building:

"The utilitarian value of these buildings alone merit their construction. One of them shall be the Veterans' Building, housing all the veteran organizations in San Francisco. It was to give these splendid organizations a permanent headquarters in the name of the public which honors their deeds that the War Memorial Fund originally was launched."

This argument is entirely consistent with the ordinance, because in such ordinance there is but one specific purpose named for the bond issue. That purpose is for the construction and equipment of buildings to be used as a memorial hall for war veterans. Any other purpose is incidental thereto. Such being the purpose as expressed by your Board and by the people of San Francisco in the overwhelming vote by which the bonds were passed, the veterans of San Francisco are unable to see any valid reason why the erection, supervision, maintenance and administration of this building, designed and intended primarily as a place to house their organizations, should not be committed to a Board at least a majority of which are veterans who have served this country in some one of its wars.

The veterans of San Francisco recognize that the people of San Francisco could have created a war memorial in any form that they wished—a monument, a bridge, an arch or a statue. They have, in fact, however, adopted the practical rather than the idealistic form of memorial, and provided for the erection of a building that will be of some real benefit to the living veterans as well as stand in commemoration of those who have passed on in heroic sacrifice, that the people of San Francisco might have peace and prosperity and enjoyment of the arts and sciences which is now theirs.

The veterans of San Francisco do not now claim, and never have claimed, the entire use of these memorial buildings. All they have ever asked, and all they are now asking, is sufficient space so arranged as to be a practical response to their minimum needs. They have waited almost ten years to secure this, and the wishes of the people of San Francisco have been thwarted by an evident attempt to defeat the needs of the veterans.

The veterans refused to stand idly by and have the moneys subscribed and voted by the citizens of San Francisco used for a purpose that would defeat the pledges made to the citizens and the veterans of San Francisco. This resulted in controversy, which finally led to the exposure of the inefficiency and extravagant wastefulness of the present private Board of Trustees, that has spent several hundred thousand dollars for architects' fees and expenses and yet have not a plan for a War Memorial within the total sum subscribed and voted for use.

The veterans of San Francisco, for whose deeds and in whose name this War Memorial project was launched, demand that the purposes for which the War Memorial Fund was created be carried out. The main purpose was to erect a building to house the veterans' organizations of San Francisco. Other uses and purposes were incidental. This cannot be denied. The ordinance so provides in plain terms. In view of the determined effort that has been made to defeat this purpose and divert the buildings to other uses, the veterans unhesitatingly assert that they can only be assured of the lawful purpose of the War Memorial being accomplished if a majority of war veterans are placed upon the Board of Trustees, which Board is charged by law with the duties of erecting, equipping, maintaining and administering the same.

There is a sufficient group of men living in San Francisco today who have served this country in its armed forces in time of war from whose number a majority of qualified Trustees can well be chosen. In all other cities of California, and we believe throughout the United States, when administrative bodies to administer the functions of war

memorials have been selected, their membership has consisted not of a majority of veterans, but entirely of veterans. Only in San Francisco has there been an apparent and perhaps a deliberate neglect of the recognition to which war veterans are entitled. The War Memorial is a tribute to their services, and why should not they be permitted to administer it during their lifetime, as they are fully qualified to do?

We are further directed to say that the veterans of San Francisco are opposed to the appointment and confirmation of any member of the Board of Supervisors as a member of such War Memorial Trustees. The objections of the veterans in this regard is not personal or political, but practical. There is also a precedent established by your Board against making such appointment. Under the terms of the City Charter the Board of War Memorial Trustees, in the erection and administration of the War Memorial, are subordinate in many respects to the Board of Supervisors. Each and every member of the Board of Supervisors should be prepared to exercise calm, unbiased and impartial judgment with respect to all matters submitted to it by the Board of War Memorial Trustees. A member of the Board of Supervisors also serving upon the Board of War Memorial Trustees could not bring to the solution of problems submitted to him as Supervisor the calm, unbiased and impartial judgment in matters of administration or appropriation for the administration of such buildings if he is also a member of the Board of Trustees and, as such, officially interested in the decisions. Such a situation is wrong in principle. The veterans respectfully urge upon your Board that it is fundamentally unsound that a member of the legislative body who must decide upon policies and pass ordinances governing the administrative body should also be a member of such administrative body.

The members of the Advisory Board personally regret that under their instructions they are obliged to file specific objections to confirmation of any Board of which one of their own numbers, namely, Charles H. Kendrick, is a member. In fairness to Colonel Kendrick it must be said that this is not any personal objection to him, but arises primarily by reason of certain differences of opinion, which we concede to be honest, with respect to the position of the veterans in connection with this project. In further explanation it should be said that nine years ago Colonel Kendrick was a unanimous and very satisfactory choice of the American Legion to represent it on the Board of Trustees appointed to administer the privately subscribed trust fund. With the passage of time there came differences of opinion, to the end that the American Legion and other veterans concluded that Colonel Kendrick did not represent the American Legion on such Board of Trustees. Finally, on November 1, 1928, the War Memorial Committee of the American Legion of San Francisco, composed of representatives of all Posts of the American Legion in San Francisco, passed a motion that Colonel Kendrick be immediately requested to resign as a member of the Board of Trustees, for the reason that he had not represented the best interests of the American Legion, the body specifically selecting him for service on that Board, and had taken action in a manner directly opposed to the expressed desires of the organization he represented. Thereafter, and on November 14, 1928, Colonel Kendrick appeared before the County Council of the American Legion and there stated that none of the present Trustees would be anxious to continue serving in this capacity and would be glad of the opportunity to turn the whole matter over to the City and sever their connection with the War Memorial. In answer to a question by a member of the Council as to why he did not resign, in view of an admission he had made that he did not represent the American Legion, Colonel Kendrick replied that he would resign when the project was turned over to the City. The foregoing statements are based upon excerpts from the minutes of the County Council and War Memorial Committee of the American Legion.

Under these circumstances the veterans must emphatically protest against the confirmation of Colonel Kendrick as a member of this or any other Board of permanent Trustees of the San Francisco War Memorial. Why one of the few veterans who have opposed the position and stand of the united veteran organizations of San Francisco, and whose appointment was duly protested by these organizations, should be designated as one of the war veteran members of the new Board of Trustees is beyond comprehension.

The veterans further object to the confirmation of this Board upon the ground that the Charter, as amended by Charter Amendment No. 32, provides:

"* * * the Mayor, in making appointments, shall give due consideration to the veterans of all wars in which the United States has engaged * * *"

and charge that in making these nominations the Mayor has not given due consideration to the veterans of all wars. In this connection you are advised that in March, 1929, the veterans of San Francisco, after careful and earnest consideration, submitted to the Mayor a list of names of fifteen veterans selected from the ranks of the United Spanish War Veterans, Veterans of Foreign Wars, Disabled Veterans, American Legion, Indian War Veterans, and other nationally known and accredited organizations.

These men were not selected for political expediency, but for their standing in the community, their business experience and ability to supervise the erection and administration of this six-million-dollar building project. Consideration had also been given to their intimate knowledge of the needs of the various veteran organizations in San Francisco, their activities and prospects of future growth. The veterans at that time stated that any of these men would be satisfactory to the veterans of San Francisco for appointment to the Board of War Memorial Trustees.

Not one of these men has been nominated to your Board for confirmation. In this connection it is proper to say that two of the men whose names have been submitted to your Board for confirmation were not selected by the veterans of San Francisco for the reason that at the time the veterans' list was submitted it was understood that these two men would be unable to serve. They are General Hunter Liggett and Frank N. Belgrano, Jr. The veterans are entirely satisfied with these two nominees and would be pleased to see them confirmed as members of the new Board of Trustees.

The veterans further object to the confirmation of these nominees upon the ground that, by resolution of this Board of Supervisors, adopted on December 10, 1928, this Board urged and recommended that his Honor the Mayor appoint a majority of the members of the War Memorial Trustees from that portion of the citizenry of San Francisco that had seen service with army, navy or marine corps; and further resolved "that the advice and counsel of the veterans' organizations, through the medium of their properly constituted representatives, be sought before said appointments are made, it being the opinion of the Board of Supervisors that every class or group of the people of San Francisco, with a confidence inspired by service in time of war, may look to such men for purposeful loyalty and unselfish devotion to San Francisco in time of peace."

The advice and counsel of the veteran organizations was not sought before the nomination of the proposed Board, now before you, was made. In this connection it is fair to say that this Advisory Board met with the Mayor, at which time he presented a list of names, nine of which names are now before you. The veterans were then asked if they had any objection to the appointment of those men. With respect to one name submitted it was then emphatically stated that the veterans did object. There are now two names before you that were never submitted to the veterans at all. The Board as now proposed has never been discussed with nor submitted to the veterans at all.

Obviously it is a useless matter to submit the names of individuals and ask the veterans if they have any objections to such individuals. Probably hundreds of names could be selected in San Francisco and the veterans could truthfully state that they had no objection to the appointment of any one of such men. It is, however, the constitution of the Board as a whole to which consideration must be given, and this Board as a whole has never been submitted to the veterans, although at the time of the interview last referred to it was stated by the Mayor that before a submission was made to the Board of Supervisors the veterans would again be consulted.

In conclusion, the veterans of San Francisco, speaking with one voice, say to you that it is painful to thus be compelled to discuss frankly and publicly a Board composed of men who individually are highly esteemed fellow-citizens, and in some instances close personal friends. We feel, however, that we have been forced into this position by the effort that has been made over eight years, notwithstanding the express provisions of the agreement under which the people subscribed and paid nearly two million dollars; notwithstanding the plain terms of the ordinance above mentioned, to convert this project from a War Memorial, primarily of service to war veteran organizations, into some other type of project. If it is your intention to disregard the law and build art museums and/or other buildings, leaving to the veterans such scraps of space as may be available and which some of their bodies can use, the best and most conclusive way for your Board to manifest such intention is to confirm these appointments.

If, on the other hand, you intend to follow the terms of the ordinance, pay due and proper tribute to the service our comrades have given, and build a building in accordance with Ordinance No. 7516, "to be used as a memorial hall for war veterans," we respectfully request that the erection and administration of such buildings be placed where it belongs, in the hands of the veteran bodies of San Francisco, and that this Board of Trustees as now constituted be not confirmed.

Respectfully submitted,

ADVISORY BOARD TO VETERANS' WAR MEMORIAL COMMITTEES.
JAMES B. BURNS.
H. W. GLENSOR.
H. J. BOYD.

J. C. CLARIDGE, Secretary.

Privilege of the Floor.

Harold Glensor, member of the Advisory Board to Veterans' War Memorial Committees, was heard at length.

Motion.

Supervisor Andriano moved that the matter of confirmation be postponed one week. Motion *lost* by the following vote:

Ayes—Supervisors Andriano, McSheehy, Marks, Toner—4.

Noes—Supervisors Deasy, Gallagher, Havenner, Hayden, Kent, McGovern, Powers, Roncovieri, Schmidt, Shannon, Stanton, Suhr, Todd—13.

Excused from Voting—Supervisor Colman—1.

Whereupon, the roll was called on a motion to confirm the nominations, and the same was *defeated* by the following vote:

Ayes—Supervisors Andriano, Hayden, McSheehy, Marks, Toner—5.

Noes—Supervisors Deasy, Gallagher, Havenner, Kent, McGovern, Powers, Roncovieri, Schmidt, Shannon, Stanton, Suhr, Todd—12.

Excused from Voting—Supervisor Colman—1.

Explanation of Vote.

Supervisor Havenner: I would like to make a statement for the record, if I may be permitted to do so. I regret that I cannot vote to confirm the nominations of the Mayor, but I feel that an affirma-

tive vote on my part at this time would be a stultification of the position which I have publicly taken in this Board on a number of occasions in connection with the War Memorial project. I was the author of the resolution unanimously adopted by this Board nearly two years ago to the effect that this Board would not approve any appropriations from the bond issue voted for the War Memorial project until such time as the plans and specifications for that project had been approved by the representatives of a majority of the duly constituted war veterans' organizations of San Francisco. I was also the author of the resolution requesting his Honor the Mayor to appoint a majority of the new board of War Memorial trustees from the ranks of the veterans of the wars in which this republic has been engaged. I regret that his Honor the Mayor did not see fit to meet the request of the Board, because I feel that the Charter amendment which provides for the creation of this new Board definitely places that joint responsibility for the appointment and confirmation of these trustees as between the Mayor and the Board, and I think that the request of the Board was entirely a proper one. I have no criticism whatever to make of any of the individuals who have been nominated by the Mayor for these trusteeships. I desire to say, publicly, that in my opinion every man, as a citizen, is worthy in every respect to fulfill the obligations of this trusteeship and to function as the citizens of San Francisco would have him function. But the question has become controversial, very bitterly controversial in the community, and I personally agree with the viewpoint expressed by the representatives of the organized veterans who have appeared here. I know—and there can be no contradiction of the record—that in the appeal to the voters to ratify the bond issue proposed for the War Memorial project the paramount argument was that this money would be used, first, to construct a building as a home for the San Francisco veterans of the wars. There was little mention during that campaign of the proposal to build an opera house. It was generally understood that an opera house would probably be part of the War Memorial project, but the voters were told that the money was to be used, primarily, for the other purpose first and that the residue of the money should be used then for such other purposes as the trustees might recommend. I desire at this time to express my conviction that the responsibility for the long delay in the carrying forward of this War Memorial project rests, squarely and exclusively, upon the shoulders of the men who have been acting as the private board of trustees for the War Memorial project. I have stated previously that, in my opinion, the responsibility rested mainly upon one or two individuals in that board who had the fixed opinion that an opera house of a certain size must be constructed, and that every other feature of that project must be subordinated to their opinion. If this matter had been in the hands of this Board of Supervisors, or of any other public body, public condemnation would have rested upon us, and justly, in severest fashion, but the responsibility here cannot be placed upon public officials. It rests in one place, and one place only, and that is where I have placed it in my statement to you. I think that this situation could be adjusted very simply, meeting the opinions of the war veterans by just one or two changes. I would not presume to suggest what those changes should be, but it is obvious to all of us that, however fine the selections made by his Honor may be, there are in the citizenship of San Francisco other selections that could be made to give the war veterans their proper representation, which would be equally satisfactory. And the change that need be made would be only very small. I feel it my duty, in view of my previously expressed public attitude on this question, to vote against confirmation.

Notice of Reconsideration.

Before the result of the foregoing ballot was announced Supervisor

Andriano changed his vote from *aye* to *no* and gave notice of reconsideration.

Supervisor Roncovieri moved for immediate reconsideration.

Supervisor Roncovieri raised the point of order that the very purpose of reconsideration was to refer action and quoted Section 12, Chapter II, Article I, in support of his contention.

Supervisor Shannon moved suspension of the rules and immediate reconsideration of the foregoing ballot.

Supervisor Andriano renewed his point of order.

Chair (Supervisor Havenner): Point of order not well taken.

Whereupon, Supervisor Andriano appealed from the decision of the chair.

Thereupon, the question being put: "Shall the ruling of the chair be the decision of the Board?" the roll was called and the chair was *sustained* by the following vote:

Ayes—Supervisors Deasy, Gallagher, Hayden, Kent, McGovern, Marks, Powers, Roncovieri, Schmidt, Shannon, Stanton, Suhr, Todd—13.

Noes—Supervisors Andriano, McSheehy, Toner—3.

Excused from Voting—Supervisors Colman, Havenner—2.

Reconsideration Denied.

Whereupon, the roll was called on reconsideration and the same *defeated* by the following vote:

Ayes—Supervisors Andriano, McSheehy, Marks, Toner—4.

Noes—Supervisors Deasy, Gallagher, Havenner, Hayden, Kent, McGovern, Powers, Roncovieri, Schmidt, Shannon, Stanton, Suhr, Todd—13.

Excused from Voting—Supervisor Colman—1.

SPECIAL ORDER—2 P. M.

The following matters were taken up:

Declaration of Policy, Garbage Collection and Disposal.

Submitted by the Health Committee.

(To be used if proposition to vote bonds for an incinerator is *not* placed on ballot.)

Shall the Board of Supervisors of the City and County of San Francisco cause to be submitted to the electors of said City and County, at a special election to be held not later than April 1st, 1930, the proposition of voting bonds in the sum of one million dollars for the purpose of defraying the cost of the construction of an incinerator, to be owned and operated by the City for the incineration of the City's garbage and refuse; or

Shall the City and County of San Francisco enter into an agreement with a private individual or corporation, whereby said individual or corporation will agree to build an incinerator of sufficient capacity to incinerate the garbage and refuse collected in the City and to operate the same for the incineration of such garbage and refuse under such conditions as may be provided by the authorities of said City and County, with the understanding that the City and County shall be entitled to acquire said incinerator from the person or corporation building the same, upon such conditions as may be agreed upon when said agreement to build said incinerator is entered into?

To vote in favor of bond issue, mark X here [X]

To vote in favor of privately owned incinerator, mark X here [X]

(Vote for one proposition only.)

In re Garbage Disposal.

Supervisor Marks withdrew from the Health Committee the following resolution and moved its adoption:

Resolved, That the following declaration of policy be submitted to

the electors of the City and County of San Francisco for their action at the general municipal election to be held on Tuesday, the 5th day of November, 1929, namely:

"Shall the City and County establish and maintain a publicly-owned and operated system for the collection and disposal of garbage?"

Be it Further Resolved, That the City Attorney be requested to draft and transmit to this Board a form of resolution for submission of said declaration of policy to the people in such manner as is prescribed by the Charter of the City and County of San Francisco.

Declarations of Policy Concerning Garbage Collection and Disposition to Be Submitted to the Electors.

Bill No. ———, Ordinance No. ———— (New Series), as follows:

An ordinance presenting and submitting to the qualified electors of the City and County of San Francisco declarations of policy concerning the collection and disposition of garbage.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. The question of the method of collection and disposition of garbage is hereby presented and submitted to the qualified electors of said City and County of San Francisco at the general municipal election to be held on Tuesday, November 5, 1929.

Section 2. It is hereby prescribed that the questions hereby submitted shall be in the following form and shall appear on the ballot at said election as follows:

1. Shall garbage be disposed of by incineration?
2. Shall garbage be disposed of by the fill-and-cover method?
3. Shall the City establish a municipally owned and operated system for the disposal of garbage?
4. Shall the City establish a municipally owned and operated system for the collection of garbage?

It is further prescribed that opposite said questions on the ballot the words "Yes" and "No" shall be printed in separate lines with voting squares.

Shannon's Proposed Amendment.

5. Shall a ten-year contract be awarded to the person making the most advantageous bid to the City for the disposal of all garbage and refuse (other than swill), said garbage and refuse to be disposed of outside the city and county limits of San Francisco.

The rate to be paid for said disposal is to be $1 per ton, which is to be collected from the scavengers and without expense to the City and County of San Francisco.

Supervisor Toner's Resolution.

The following resolution was, on September 10, 1929, presented by Supervisor Toner as a minority report, and *refused passage* by the following vote:

Resolution No. ———— (New Series), as follows:

Resolved, That the Committee on Public Health confer with the City Engineer at the earliest possible date for the purpose of ascertaining the proper incinerator to be built by a private individual or corporation for the incineration of the garbage and refuse of the City and County, and that said committee report the result of said conference to this Board, and that thereupon this Board select a type of incinerator, to be constructed by a private individual or corporation, and by resolution call for bids from individuals or corporations for the construction of said incinerator, and its operation by said individual

or corporation, for the incineration of garbage and refuse for a period of twenty-five years, subject to the right of the City to take over said incinerator and the property on which it is situated (if built on private property), at cost less depreciation, and at the expiration of said period of twenty-five years said incinerator to become the property of the City without cost. That upon said bids being received, the City enter into a contract for the construction and operation of said incinerator with the individual or corporation making the most advantageous bid to the City.

Ayes—Supervisors Andriano, Colman, Deasy, Roncovieri, Suhr, Toner—6.

Noes—Supervisors Havenner, Hayden, Kent, McSheehy, Marks, Powers, Schmidt, Shannon, Todd—9.

Absent—Supervisors Gallagher, McGovern, Stanton—3.

Notice of Reconsideration.

Before the result of the foregoing vote was announced, Supervisor Toner changed his vote from *aye* to *no* and gave notice that he would move for a reconsideration of the action whereby the foregoing resolution was refused passage.

Privilege of the Floor.

Mr. Carron, representing the Biltmore Conservation Corporation, with a garbage disposal plant at Petaluma, was granted the privilege of the floor and explained his dehydration process. He asked for an opportunity to submit his proposition in the near future.

J. J. Regan, representing Bay View residents and property owners, was heard in opposition to "fill-and-cover" method.

Mr. Franks, representing the San Francisco Center, Women's Organizations, was also heard in opposition to the "fill-and-cover" method.

Reconsideration.

Thereupon, the question being on reconsideration of the vote whereby Supervisor Toner's resolution was refused adoption at the last meeting, the roll was called and reconsideration *carried* by the following vote:

Ayes—Supervisors Andriano, Colman, Deasy, Gallagher, McGovern, McSheehy, Marks, Roncovieri, Schmidt, Shannon, Stanton, Suhr, Todd, Toner—14.

Noes—Supervisors Havenner, Hayden, Kent, Powers—4.

Amendment.

Supervisor Shannon moved that Dr. Toner's resolution be amended as follows: In lines 11 and 14, strike out the words "twenty-five years" and insert in lieu thereof "twenty years."

So *ordered.*

The question being on Supervisor Toner's resolution, as amended, Supervisor Hayden moved the adoption of the following declaration of policy:

Resolved, That the following declarations of policy be submitted to the electors of the City and County of San Francisco at the election to be held in said City and County on the 5th day of November, 1929.

1. "Shall garbage be disposed of by incineration?"
2. "Shall garbage be disposed of by the fill and cover method?"
3. "Shall the City establish a municipally owned and operated system for the collection of garbage?"
4. "Shall the City establish a municipally owned and operated system for the disposal of garbage?"
5. "Shall a ten-year contract be awarded to the person making the most advantageous bid to the City for the disposal of all garbage (other than swill), said garbage to be disposed of outside the City

and without expense to the City, the collector of garbage delivering the same to pay one dollar per ton for the disposal thereof?"

Be It Further Resolved, That the Board of Election Commissioners be, and they are hereby, directed to place each of the above propositions upon the ballot at said election, so that the electors can express their preference for or against each of said propositions by voting "Yes" or "No" thereon.

HEALTH COMMITTEE,
JAS. B. McSHEEHY,
J. EMMET HAYDEN.

Point of Order.

Supervisor Andriano raised the point of order that a substitute is in the nature of an amendment, but that this proposed amendment was directly contrary to the resolution under consideration.

Chair: Not well taken:

Supervisor Gallagher raised the point of order that if this procedure is allowed, the main question is made an amendment, which is unparliamentary, to say the least.

Chair: Not well taken.

Thereupon, Supervisor Gallagher appealed from the decision of the chair.

The question being put, "Shall the ruling of the chair stand as the decision of the Board, the chair was sustained by the following vote:

Ayes—Supervisors Andriano, Colman, Deasy, Havenner, Hayden, Kent, McGovern, McSheehy, Marks, Powers, Suhr, Toner—12.

Noes—Supervisors Gallagher, Roncovieri, Schmidt, Shannon, Stanton, Todd—6.

Explanations of Vote.

Supervisor Roncovieri: I arose a moment ago to give you my advice as to why Doctor Toner's resolution should be adopted by this Board. I am trying to reason sensibly in this matter, and I trust I will be able to convince you that I am right. I think this resolution will settle the entire matter once and for all. First, because incineration is certainly one of the best methods for the disposal of garbage and is used by nearly all the large cities of the world. I will not go into the details of that. Secondly, the man or firm who will undertake to build this incinerator will take all the hazards, all the grief that may come in the building of it. If it turns out to be a success we have a recapture clause whereby the City can take it over at a given price, a reasonable price—cost less depreciation. If the incinerator is a failure, we will then possibly be in the position of granting some one else a franchise. It seems to me that that is public ownership to the *n*th degree. Those who wish public ownership can get it, and have an assurance, a security, that they are buying something that will work successfully, that is worth the money.

Public ownership does not necessarily mean that the City shall furnish another million dollars, and when I say a million dollars, I mean exactly that. We are still paying taxes for the payment of those bonds already issued, I think it was in 1908, and they have not all been redeemed yet. I do not believe that the people of San Francisco will go merrily to the polls and grant another million dollars, and if they do, for bonds at 4½ per cent, we will not be able to sell them, and if they are made for more than 4½ per cent, we will have to raise the interest rate on all the other bonds that have been authorized. You will then be plunging into a financial whirlpool you will never get out of if you attempt to sell bonds for an incinerator at this time. So I say, let any man or corporation undertake to build an incinerator according to the rules laid down by our engineer, and if it is successful, we will take it over; we can

then go to the people and say, "This incinerator is a success, we believe it should be owned by the City, and we can get it for this much money." That is public ownership in an intelligent way, it seems to me.

Suppose that this privately built incinerator should not work, and it might not, we are out nothing. The man who put up the money is out, and that is the end of it.

Now, we can depend upon it, that the firm that will undertake to build an incinerator will do the very best to give us the finest incinerator that can be built; they don't want to lose their money; and we solve the problem immediately, and Judge Mogan, who has waited patiently for us, and who has been very kind in this matter, will recognize that we have made one big progressive step in this matter, and we solve the garbage question and have it behind us.

In talking about the fill-and-cover method, fill-and-cover in certain districts, no one would want that stuff brought to his neighborhood, and although I live miles from there, miles from the Bay View District, I would not want to impose it on those people. It is a crude method used by pioneers of every city in the world.

Supervisor Colman told me, in conversation one day, in the presence of a gentleman who had just come back from Paris, that in Paris they have five or six incinerators, and in each of those incinerators they develop about 6000 kilowatts of electricity. It is possible something of that kind can be done here. Anyway, incineration seems to me the most sensible method I can think of.

This passing the buck and waiting for the people to decide on questions which, with all due respect to the people, they do not understand—we are here and apparently we don't understand, because we have not come to a solution yet—is not the right way to do.

I think a privately-built incinerator with a recapture clause is the only way to solve the question, and I strongly advise every member of the Board to vote for this question.

Supervisor Shannon: Last week I made a statement that I did not like to see this matter passed to the voters without considering the proposal of Mr. Stewart, but in introducing the resolution to have the award made to Mr. Stewart, I did it feeling that it was a splendid proposition which Mr. Stewart presented. To me it made a great appeal, for the reason that there was no financial outlay on the part of the City, and when I introduced it I thought it would make an appeal to this Board and to the people, but it did not seem to make any appeal to any of the people I talked with, and I talked to a number of people during the week. It does not seem to be understood, and I doubt if any individual will make any campaign or spend any money in an attempt to put it over, and therefore I feel that the matter would be very difficult to explain to the voters, especially when we are putting on the ballot four or five different matters, and somebody suggested here today two more. I felt perfectly justified in submitting this proposition, which, as I explained previously, would not entail any outlay to the City.

The Chairman: You are withdrawing that proposition?

Supervisor Shannon: Yes.

The Chairman: There being no opposition, such will be the order.

Whereupon, Supervisor Hayden's resolution was on motion taken up seriatim, to-wit:

1. "Shall garbage be disposed of by incineration?"

Motion *carried* by the following vote:

Ayes—Supervisors Deasy, Gallagher, Havenner, Hayden, Kent, McSheehy, Marks, Powers, Schmidt, Stanton, Todd—11.

Noes—Supervisors Andriano, Colman, McGovern, Roncovieri, Shannon, Suhr, Toner—7.

2. "Shall garbage be disposed of by the fill-and-cover method?"
Motion *lost* by the following vote:
Ayes—Supervisors Havenner, Hayden, Kent, McSheehy, Marks—5.
Noes—Supervisors Andriano, Colman, Deasy, Gallagher, McGovern, Powers, Roncovieri, Schmidt, Shannon, Stanton, Suhr, Todd, Toner—13.

3. "Shall the City establish a municipally owned and operated system for the collection of garbage?"

Amendment Proposed.

Supervisor Roncovieri moved to amend as follows:
Insert after the word "garbage" the following: "at an estimated initial cost of one million dollars, which sum shall be provided by a bond issue to be voted upon not later than April 1, 1930, for the purpose of defraying the cost of trucks, garages, machine repair shops and other equipment for the collection of garbage."
Amendment *lost* by the following vote:
Aye—Supervisor Roncovieri—1.
Noes—Supervisors Andriano, Colman, Deasy, Gallagher, Havenner, Hayden, Kent, McGovern, McSheehy, Marks, Powers, Schmidt, Shannon, Stanton, Suhr, Todd, Toner—17.

Motion Carried.

Whereupon, the roll was called on subdivision 3 relative to a municipally owned and operated garbage collection system and the motion *carried* by the following vote:
Ayes—Supervisors Deasy, Havenner, Hayden, Gallagher, Kent, McSheehy, Marks, Powers, Schmidt, Stanton, Todd—11.
Noes—Supervisors Andriano, Colman, McGovern, Roncovieri, Shannon, Suhr, Toner—7.

4. "Shall the City establish a municipally owned and operated system for the disposal of garbage?"

Amendment Proposed.

Supervisor Roncovieri offered the following proposed amendment:
Insert after the word "garbage" the following: "and a special election be held not later than April 1, 1930, for the purpose of voting bonds in the sum of one million dollars for defraying the cost of the construction of an incinerator which will require householders to separate garbage into wet and dry in two cans respectively."
No second.

Motion Carried.

Whereupon, the roll was called on subdivision 4, relative to a municipally owned and operated system for the disposal of garbage, and the motion *carried* by the following vote:

Ayes—Supervisors Deasy, Gallagher, Havenner, Hayden, Kent, Marks, McSheehy, Powers, Schmidt, Stanton, Todd—11.
Noes—Supervisors Andriano, Colman, McGovern, Roncovieri, Shannon, Suhr, Toner—7.

5. "Shall a ten-year contract be awarded to the person making the most advantageous bid to the City for the disposal of all garbage (other than swill), said garbage to be disposed of outside the City and without expense to the City, the collector of garbage delivering same to pay one dollar per ton for the disposal thereof?"

Motion *lost* by the following vote:

Ayes—Supervisors Hayden, McSheehy—2.
Noes—Supervisors Andriano, Colman, Deasy, Gallagher, Havenner, Kent, McGovern, Marks, Powers, Roncovieri, Schmidt, Shannon, Stanton, Suhr, Todd, Toner—16.

Supervisor Roncovieri, seconded by Supervisor Andriano, moved to add subdivision 6, as follows:

6. "Shall the City and County of San Francisco enter into an agreement with a private individual or corporation whereby said individual or corporation will agree to build an incinerator of sufficient capacity to incinerate the garbage and refuse collected in the City, and to operate the same for the incineration of such garbage and refuse under such conditions as may be provided by the authorities of said City and County, with the understanding that the City and County shall be entitled to acquire said incinerator from the person or corporation building the same, upon such conditions as may be agreed upon when said agreement to build said incinerator is entered into?"

To vote in favor of bond issue, mark X here [X]
To vote in favor of privately owned incinerator, mark X here [X]
(Vote for one proposition only.)

Motion Carried.

Motion *carried* by the following vote:

Ayes—Supervisors Andriano, Havenner, Hayden, Kent, McGovern, McSheehy, Roncovieri, Shannon, Suhr, Todd, Toner—11.

Noes—Supervisors Colman, Deasy, Gallagher, Marks, Powers, Schmidt, Stanton—7.

Motion to Rescind.

Supervisor Marks moved to rescind vote just taken on No. 6.

Motion *lost* by the following vote:

Ayes—Supervisors Gallagher, Hayden, McSheehy, Marks, Powers, Schmidt, Stanton—7.

Noes—Andriano, Colman, Deasy, Havenner, Kent, McGovern, Roncovieri, Shannon, Suhr, Todd, Toner—11.

Whereupon, the roll was called on the resolution as amended and renumbered, and the same was *adopted* by the following vote:

Resolution No. 31412 (New Series), as follows:

Resolved, That the following declaration of policy be submitted to the electors of the City and County of San Francisco at the election to be held in said City and County on the 5th day of November, 1929.

1. "Shall garbage be disposed of by incineration?"
2. "Shall the City establish a municipally owned and operated system for the collection of garbage?"
3. "Shall the City establish a municipally owned and operated system for the disposal of garbage?"
4. "Shall the City and County of San Francisco enter into an agreement with a private individual or corporation, whereby said individual or corporation will agree to build an incinerator of sufficient capacity to incinerate the garbage and refuse collected in the City, and to operate the same for the incineration of such garbage and refuse under such conditions as may be provided by the authorities of said City and County, with the understanding that the City and County shall be entitled to acquire said incinerator from the person or corporation building the same, upon such conditions as may be agreed upon when said agreement to build said incinerator is entered into?"

Be it further

Resolved, That the Board of Election Commissioners be and they are hereby directed to place each of the above propositions upon the ballot at said election, so that the electors can express their preference for or against each of said propositions by voting "Yes" or "No" thereon.

Ayes—Supervisors Deasy, Gallagher, Havenner, Hayden, Kent, McSheehy, Marks, Powers, Schmidt, Shannon, Stanton, Suhr, Todd—13.

Noes—Supervisors Andriano, Colman, McGovern, Roncovieri, Toner —5.

Motion to Rescind.

Supervisor Marks moved to rescind action on foregoing resolution with the idea of striking out the last proposal.

Motion *lost* by the following vote:

Ayes—Supervisors Gallagher, Marks, Powers, Stanton, Suhr—5.

Noes—Supervisors Andriano, Colman, Deasy, Havenner, Hayden, Kent, McGovern, McSheehy, Roncovieri, Schmidt, Shannon, Todd, Toner—13.

Adopted.

The following resolutions were *adopted*:

Closing and Abandoning Certain Portions of Georgia and Michigan Streets.

On recommendation of Streets Committee.

Resolution No. 31413 (New Series), as follows:

Whereas, this Board has, by Resolution No. 30363 (New Series), declared its intention to close and abandon certain portions of Georgia and Michigan streets, in the City and County of San Francisco, and hereinafter more particularly described; and

Whereas, proper notice of said resolution and of said proposed closing and abandonment of certain portions of Georgia and Michigan streets was duly given by the Board of Public Works of said City and County of San Francisco, by publication and posting in the manner provided by the Charter of the City and County of San Francisco; and

Whereas, more than ten days have elapsed after the expiration of time of publication of said notice; and

Whereas, no objection or objections to said closing and abandonment of said portions of Georgia and Michigan streets, as hereinafter described, was or were made or delivered to the Clerk of this Board within said period of ten days, or at all; and

Whereas, it is the opinion of this Board that the public interest and convenience will be conserved by the closing and abandonment of said portions of Georgia and Michigan streets; and

Whereas, in and by said Resolution No. 30363 (New Series), this Board did declare that the damages, costs and expenses of closing said portions of Georgia and Michigan streets are nominal, and no assessment district is necessary to be formed for the purpose of paying the damages, costs and expenses thereof, the Board of Supervisors hereby declares and determines that the whole damage, cost and expense of closing said portions of Georgia and Michigan streets shall be paid out of revenues of the City and County of San Francisco;

Resolved, That said closing and abandonment of said portions of Georgia and Michigan streets be and the same are hereby ordered and that the said portions of Georgia and Michigan streets be and the same are hereby closed and abandoned as public streets.

The said portions of Georgia and Michigan streets hereinabove referred to are more particularly described as follows, to-wit:

(1) Georgia street lying between the southerly line of Twenty-third street and the northerly line of Twenty-fourth street.

(2) Michigan street lying between the southerly line of Twenty-third street and the northerly line of Twenty-fourth street.

Further Resolved, That the Clerk of this Board transmit a certified copy of this resolution to the Board of Public Works and that the Board of Public Works be instructed to proceed thereafter as required by the law and the Charter of the City and County of San Francisco.

Ayes—Supervisors Andriano, Colman, Deasy, Gallagher, Havenner,

Hayden, Kent, McGovern, McSheehy, Marks, Powers, Roncovieri, Schmidt, Shannon, Stanton, Suhr, Toner—17.

No—Supervisor Todd—1.

Death of Captain Timothy Harrington, Fire Department.

The following resolution was presented by Supervisor McSheehy and *adopted by rising vote*:

Resolution No. 31414 (New Series), as follows:

Whereas, death has called from the ranks of the Fire Department of San Francisco Captain Timothy Harrington; and

Whereas, the late Captain Harrington did yeoman service in the department for many years, and also organized the fire-fighting forces in Yosemite Valley; and

Whereas, the late Captain Harrington was a good citizen of San Francisco, an excellent man of family and a faithful follower of the dictates of sound philosophy of life; be it therefore

Resolved, That the Board of Supervisors of the City and County of San Francisco does hereby extend its sympathies and condolences to the widow of the late Timothy Harrington; and be it further

Resolved, That a copy of this resolution be spread upon the minutes of this Board and another copy sent to the widow of the late Timothy Harrington.

Rejection of Bids for Library Bonds.

Supervisor Havenner presented:

Resolution No. 31415 (New Series), as follows:

Whereas, Heller, Bruce & Co., on July 22, 1929, submitted a bid for the purchase of fifty-six thousand dollars ($56,000) three and one-half per cent (3½%) "Library Bonds," dated July 1, 1904, and deposited with the Board of Supervisors a certified check in the sum of twenty-five hundred and fifty dollars ($2550); and

Whereas, Heller, Bruce & Co. altered the specifications of the sale of said bonds by adding the following condition to their bid: "The above bid is made subject to our securing an approving opinion from Messrs. Orrick, Palmer & Dahlquist, San Francisco"; and

Whereas, Thomson, Wood & Hoffman, attorneys, of New York, who have for many years last past approved or disapproved bond issues of the City and County of San Francisco, for the purpose of making them attractive to New York purchasers, have given their opinion that the proposed sale of the bonds heretofore described was legal; now, therefore, be it

Resolved, That the sales of all Library Bonds heretofore made have been made in accordance with law and are legal and just obligations of the City and County of San Francisco; and be it further

Resolved, Because of the departure from the terms of the sale of the fifty-six thousand dollars ($56,000) Library Bonds made by Heller, Bruce & Co., in stating that an approving opinion should be obtained first from Messrs. Orrick, Palmer & Dahlquist, that the certified check in the sum of twenty-five hundred and fifty dollars ($2550), deposited by the said Heller, Bruce & Co., be returned to that firm, and that the bid of Heller, Bruce & Co. is hereby rejected.

Proposed Dirigible Base at Redwood City.

Supervisor Kent presented:

Resolution No. ———— (New Series), as follows:

Whereas, transcontinental and transpacific dirigible passenger service is most probable in the very near future; and

Whereas, the City of San Francisco is the most logical terminal for a dirigible base, being the metropolitan port of the Pacific Coast; and

Whereas, time is of most importance in rapid transportation; and

Whereas, ground facilities are a necessity for the reception of the aircraft industry; therefore, be it

Resolved, That the City of San Francisco shall take cognizance of these facts and that the authorities take steps as soon as possible, and in accordance with the public will, to establish the adequate facilities for the mooring and housing of the dirigible type of aircraft on City-owned land which lies in the County of San Mateo, being a portion of Lot 14, as shown and designated on a map entitled "Map of Subdivision of Sweeney Ranch, near Redwood City, San Mateo County," consisting of 26 acres, more or less, or any other suitable site which does not interfere with the heavier-than-air airport ground facilities.

Referred to Airport Committee.

SPECIAL ORDER—2:30 P. M.

Ornamental Lighting System on Hyde Street.

Bill No. ———, Ordinance No. ———— (New Series), as follows:

Ordering the improvement of Hyde street, from Market street to California street, by the furnishing and installing of an ornamental street lighting system, approving and adopting specifications therefor; providing for the payment thereof by installments, and outlining the district to be assessed for said improvement.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. The Board of Public Works in written communication dated ————————, and filed in the office of the Clerk of the Board of Supervisors August 6, 1929, having recommended to the Board of Supervisors the ordering of the following street work or improvement, the same is hereby ordered to be done in the City and County of San Francisco in conformity with the provisions of the Street Improvement Ordinance of 1918 of said City and County of San Francisco, said work to be performed under the direction of the Board of Public Works, and to be done in accordance with the specifications prepared therefor by said Board of Public Works, and on file in its office, which said plans and specifications are hereby approved and adopted.

That said Board of Supervisors, pursuant to the provisions of the Street Improvement Ordinance of 1918 of said City and County of San Francisco, does hereby determine and declare that the assessment to be imposed for the said contemplated improvements, respectively, may be paid in four installments; that the period of time after the time of the payment of the first installment when each of the succeeding installments must be paid is to be one year from the time of the payment of the preceding installment, and that the rate of interest to be charged on all deferred payments shall be seven per centum per annum.

The improvement of Hyde street, from Market street to California street, by the furnishing and installing of an ornamental street lighting system.

The assessment district is described as follows:

All the lands within the exterior boundaries of all those certain lots delineated, designated and numbered respectively as follows:

Lots 1, 2, 3, 3-A, 3-B, 3-C and 3-D of Block 250; Lots 15, 16, 17, 18, 19, 20, 21, 22 and 23 of Block 251; Lots 10, 13, 14 and 15 of Block 277; Lots 1, 1-A, 1-D, 1-B and 2 of Block 278; Lots 1, 2, 3, 4 and 5 of Block 279; Lots 16, 17, 18, 19, 20 and 21 of Block 280; Lots 9, 10, 11 and 12 of Block 300; Lots 1, 1-A, 2, 3, 4, 5, 6 and 7 of Block 301; Lots 1, 2, 3, 4, 5, 6, 7 and 8 of Block 302; Lots 10, 11, 12, 13, 13-A and 13-B of Block 303; Lots 18, 19, 20 and 21 of Block 319; Lots 1, 2, 3, 3-A, 4, 5 and 6 of Block 320; Lots 1, 2, 3, 4, 5, 6, 7, 8, 9 and 10 of Block 321; Lots 6-A, 6-B, 7, 8 and 9 of Block 322; Lots 16, 17, 18, 19, 20 and 21 of Block 334; Lots 1, 1-A, 1-B, 2, 2-B and 2-C of Block 335; Lots 1, 2 and 3 of Block 336; Lots 11, 12, 13, 14 and 15 of Block 337; Lots 9, 10, 11, 12 and 12-A of Block 345; Lots 1, 2 and 3 of Block 346; Lots 1, 2 and 3 of Block 347; Lots 11, 12, 13 and 14 of Block 348; Lots 21 and 22 of Block 351-A; all of Block 352; all of Block 353; and all of Block 354, all being designated on the maps and books of the Assessor of the City and County of San Francisco, and upon the assessment book of the City and County of San Francisco current at the time of the inception of the proceedings for the above-mentioned improvement.

Section 2. This ordinance shall take effect immediately.

Rereferred.

The following matter was, on motion of Supervisor Gallagher, *rereferred to the Joint Committee on Streets and Lighting*:

SPECIAL ORDER—2:30 P. M.

Consideration of the matter of the adoption of boulevard lighting standards made a Special Order for 2:30 p. m. this day on motion of Supervisor Stanton, chairman of the Lighting Committee.

Confirmation of Sale of City Lands—3 P. M.

Consideration of the matter of confirming the sale to the Enterprise Brewing Company, for the sum of three thousand ($3,000.00) dollars, of the following described City lands, to-wit:

Commencing at a point which is distant 162.472 feet at right angles northerly from the northerly line of Seventeenth street and 284.922 feet at right angles easterly from the easterly line of Folsom street, said point being on the northwesterly line of the property of the City and County of San Francisco; thence deflecting 16 degrees 26 minutes 01 second to the right from a line drawn at right angles to said northerly line of Seventeenth street and parallel with said easterly line of Folsom street, and running thence northeasterly along said northwesterly line of the property of said City and County 31.345 feet; thence deflecting 55 degrees 38 minutes 23 seconds to the right from the preceding course and running northeasterly 82.731 feet to the southeasterly line of the property of said City and County; thence deflecting 124 degrees 06 minutes 32 seconds to the right and running southwesterly along said southeasterly line 42.147 feet; thence deflecting 62 degrees 35 minutes 28 seconds to the right from the preceding course and running southwesterly 77.316 feet to the point of commencement.

Containing 2517 square feet.

If at said meeting an offer of 10 per cent more in amount than that hereinabove named shall be made to the Supervisors in writing by a responsible person, the Supervisors will confirm such sale to such person or order a new sale in conformity with the provisions of the Charter; otherwise said sale to the Enterprise Brewing Company will be confirmed for the price hereinabove stated.

The chair inquired whether there was anyone in the chambers who desired to increase by 10 per cent the bid of the Enterprise Brewing Company.

Passed for Printing.

There being no response, the following bill was presented and *passed for printing*:

Confirming Sale of City Lands.

Bill No. 9056, Ordinance No. ———— (New Series), as follows:

Confirming the sale of lands owned by the City and County of San Francisco and situate in the City and County of San Francisco, State of California.

Whereas, by Ordinance No. 8453 (New Series), approved June 21, 1929, the Board of Supervisors determined that public interest and necessity demanded the sale of the land hereinafter described, and by said ordinance directed the Mayor of the City and County of San Francisco to sell all of said land at private sale to be held on July 11, 1929, and directed that notice of said sale be given for two weeks successively next before the sale, as required by law; and

Whereas, the Clerk of the Board of Supervisors thereafter proceeded to publish notice of said sale in the official newspaper and one other daily newspaper published in the City and County of San Francisco for two weeks successively next before said sale was directed to be made, describing the lands to be sold therein with common certainty and stating the date on which said sale would be made, as specified in Ordinance No. 8453 (New Series), and that all bids or offers would be received by the Mayor at his office in the City Hall, City and County of San Francisco, State of California, on July 11, 1929; and

Whereas, the Mayor, the Assessor and the chairman of the Finance Committee, being the Board of Appraisers constituted by the Charter of the City and County of San Francisco for such purpose, thereafter duly met and made an appraisement of said lands and fixed the fair value thereof and reported said appraisement to the Board of Supervisors in writing; and

Whereas, thereafter, and on said date, at private sale, the Mayor of the City and County of San Francisco sold the said parcel of land to the Enterprise Brewing Company for the sum of $3,000, and accepted from said Enterprise Brewing Company a deposit in the amount of ten per cent or more of the amount bid, and thereafter, on August 6, 1929,

duly notified the Board of Supervisors, in writing, of the fact of such sale, stating the amount bid, the name of the bidder, and requesting that the Board confirm the sale; and

Whereas, the Clerk of the Board of Supervisors immediately thereupon proceeded to give notice by publication in the official newspaper and one other newspaper published in the City and County of San Francisco for a period of three weeks from and after the 15th day of August, 1929, that at a meeting of the Board of Supervisors to be held on the 10th day of September, 1929, the matter of said sale would come up for confirmation, stating also in said notice the fact of the sale, the amount for which the land had been sold as aforesaid, and the name of the purchaser, and also stating that if at such meeting on the 10th day of September, 1929, an offer of ten per cent more in amount than that named in said notice should be made to the Supervisors, in writing, by a responsible person, the Supervisors would confirm such sale to such person, or order a new sale; and

Whereas, the date of confirmation specified in said notice has now arrived, and a higher bid has not been obtained, and it appearing to the Board of Supervisors that the amount bid as aforesaid is not disproportionate to the value of the property sold, and that a greater sum cannot be obtained; therefore,

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. That said sale of the said land hereinafter described is hereby ratified, approved and confirmed, and the Mayor and the Clerk of the Board of Supervisors are hereby authorized to execute and deliver to said purchaser, the Enterprise Brewing Company, upon payment of the balance of the purchase price, a good and sufficient conveyance in the name of the City and County of San Francisco, conveying all the right, title and interest of the City and County in and to the land sold as aforesaid, and more particularly described as follows, to-wit:

Commencing at a point which is distant 162.472 feet at right angles northerly from the northerly line of Seventeenth street and 284.922 feet at right angles easterly from the easterly line of Folsom street, said point being on the northwesterly line of the property of the City and County of San Francisco; thence deflecting 16 degrees 26 minutes 01 second to the right from a line drawn at right angles to said northerly line of Seventeenth street and parallel with said easterly line of Folsom street; and running thence northeasterly along said northwesterly line of the property of said City and County 31.345 feet; thence deflecting 55 degrees 38 minutes 23 seconds to the right from the preceding course and running northeasterly 82.731 feet to the southeasterly line of the property of said City and County; thence deflecting 124 degrees 06 minutes 32 seconds to the right and running southwesterly along said southeasterly line 42.147 feet; thence deflecting 62 degrees 35 minutes 28 seconds to the right from the preceding course and running southwesterly 77.316 feet to the point of commencement. Containing 2517 square feet.

Section 2. The City Attorney is hereby directed to prepare the necessary conveyances and supervise the delivery of deed upon payment of purchase price as aforesaid.

Section 3. This ordinance shall take effect immediately.

Ordering Street Work, Holladay Avenue.

On recommendation of Streets Committee.

Bill No. 9037, Ordinance No. ———— (New Series), as follows:

Ordering the performance of certain street work to be done in the City and County of San Francisco, approving and adopting specifications therefor.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. The Board of Public Works in written communication filed in the office of the Clerk of the Board of Supervisors September 11, 1929, having recommended the ordering of the following street

work, the same is hereby ordered to be done in the City and County of San Francisco in conformity with the provisions of the Street Improvement Ordinance of 1918 of said City and County of San Francisco, said work to be performed under the direction of the Board of Public Works, and to be done in accordance with the specifications prepared therefor by said Board of Public Works, and on file in its office, which said plans and specifications are hereby approved and adopted.

That said Board of Supervisors, pursuant to the provisions of Part II of the said Street Improvement Ordinance of 1918 of said City and County of San Francisco, does hereby determine and declare that the assessment to be imposed for the said contemplated improvements, respectively, may be paid in twenty installments; that the period of time after the time of the payment of the first installment when each of the succeeding installments must be paid is to be six months from the time of the payment of the preceding installment, and that the rate of interest to be charged on all deferred payments shall be seven per centum per annum.

The improvement of Holladay avenue between the existing pavement at the intersection of Holladay avenue and Peralta avenue and the existing pavement 126.31 feet southerly from the southerly line of York street, including the intervening intersections, by the construction of concrete curbs; by the construction of artificial stone sidewalks; by the construction of a concrete pavement on the roadways thereof, and by the construction of a concrete rail fence with warning signal at the intersection of Holladay avenue and Peralta avenue.

That, in the opinion of the said Board of Public Works, the assessment to defray the costs and expenses of said work or improvement can be more equitably imposed upon the property benefited thereby, and, therefore, the said Board does hereby determine and declare that the expense of such work or improvement be made chargeable upon a district in accordance with the provisions of Section 5 of the Street Improvement Ordinance of 1918 of said City and County, and does hereby set out the district benefited by said contemplated work or improvement, and to be assessed to pay the costs and expenses thereof, as follows:

Within the exterior boundary of all those certain lots delineated, designated and numbered respectively as Lots 6, 7, 8, 9, 10, 11, 12, 13 and 14 of Block 5534; Lots 1, 2, 3, 4, 5, 6, 7, 8, 17, 18 and 19 of Block 5532; Lots 1, 2, 3, 4, 5, 6, 7, 8, 17, 18 and 19 of Block 5531; Lots 1, 2 and 3 of Block 5512; Lots 64, 65, 66, 67, 68 69, 70, 71 and 72 of Block 5511; Lots 31, 32, 33, 34, 35, 36, 37, 38, 39, 40, 41, 42, 43, 43A, 44 and 45 of Block 5533, all being designated on the maps and books of the Assessor of the City and County of San Francisco and upon the assessment book of the City and County of San Francisco current at the time of the inception of the proceedings for the above mentioned improvement.

The foregoing described lots of land are contained within and constitute the extent of the district benefited by said contemplated work or improvement, and to be assessed to pay the costs and expenses thereof, and reference to the same is hereby made for the description of such district.

Section 2. This ordinance shall take effect immediately.

Ordering Street Work, Southard Place.

Also, Bill No. 9038, Ordinance No. ———— (New Series), as follows:

Ordering the performance of certain street work to be done in the City and County of San Francisco, approving and adopting specifications therefor.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. The Board of Public Works, in written communication filed in the office of the Clerk of the Board of Supervisors September

11, 1929, having recommended the ordering of the following street work, the same is hereby ordered to be done in the City and County of San Francisco in conformity with the provisions of the Street Improvement Ordinance of 1918 of said City and County of San Francisco, said work to be performed under the direction of the Board of Public Works, and to be done in accordance with the specifications prepared therefor by said Board of Public Works, and on file in its office, which said plans and specifications are hereby approved and adopted.

That said Board of Supervisors, pursuant to the provisions of Part II of the said Street Improvement Ordinance of 1918 of said City and County of San Francisco, does hereby determine and declare that the assessment to be imposed for the said contemplated improvements, respectively, may be paid in ten installments; that the period of time after the time of the payment of the first installment when each of the succeeding installments must be paid is to be one year from the time of the payment of the preceding installment, and that the rate of interest to be charged on all deferred payments shall be seven per centum per annum.

The improvement of Southard place from Greenwich street to its northerly termination, including the construction of the necessary outlet sewer in Greenwich street easterly from Southard place, by grading to official line and grade; by the construction of concrete curbs; by the construction of artificial stone sidewalks; by the construction of Class "B" concrete to be included in steps, balustrades and concrete walls; by the furnishing and placing of reinforcing steel; by the construction of brick catchbasins with accompanying 10-inch ironstone pipe culverts; by the construction of 12-inch ironstone pipe sewers, and by the construction of 12-inch ironstone pipe sewers, embedded in concrete, with accompanying manholes, Y branches and side sewers, and by the construction of a concrete pavement on the roadway thereof.

That, in the opinion of the said Board of Public Works, the proposed work or improvement is of more than local or ordinary benefit, and that the assessment to defray the costs and expenses thereof can be more equitably imposed upon the property benefited thereby, and, therefore, the said Board does hereby determine and declare that the expense of such work or improvement be made chargeable upon a district in accordance with the provisions of Section 5 of the Street Improvement Ordinance of 1918 of said City and County, and does hereby set out the district benefited by said contemplated work or improvement, and to be assessed to pay the costs and expenses thereof as follows:

Beginning at a point on the northerly line of Greenwich street 28 feet westerly from the westerly line of Southard place, thence easterly along the northerly line of Greenwich street to a point 56 feet easterly from the easterly line of Southard place; thence at right angles northerly 137 feet 6 inches; thence at right angles westerly 22 feet; thence at right angles northerly 137 feet 6 inches to the southerly line of Lombard street; thence westerly along the southerly line of Lombard street 42 feet; thence at right angles southerly 84 feet; thence at right angles westerly 22 feet; thence at right angles southerly 53 feet 6 inches; thence at right angles westerly 51 feet 6 inches to the easterly line of Hyde street; thence southerly along the easterly line of Hyde street 81 feet; thence at right angles easterly 28 feet; thence at right angles southerly 56 feet 6 inches to the point of beginning, excepting and excluding all public streets.

Management and Allotment of Receipts of Municipal Railway.

Bill No. ———, Ordinance No. ———— (New Series), as follows:

Providing for the payment into the treasury of the City and County of San Francisco of the receipts from the operation of the Municipal Railway and creating certain funds and accounts for the segregation of said receipts, and making appropriations from such fund for the purposes specified herein, and providing for the investment of said funds, and for the manner in which the accounts of said railway shall be kept, and repealing Ordinance No. 7060 (New Series), approved April 30, 1926, on the same subject.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. All moneys derived from the operation of the Municipal Railway of the City and County of San Francisco shall be deposited in the treasury to the credit of the Municipal Railway Fund, and appropriations are hereby made from said fund for the following purposes:

(a) For the payment of the operating expenses of said Municipal Railway of every kind and character, including all sums to be paid out on account of, or in settlement of, claims for damages arising by reason of the operation of said Municipal Railway.

(b) For repairs to and reconstruction of the property of said Municipal Railway as the same shall become necessary.

(c) For the payment of interest and sinking funds upon the bonds issued for the construction or acquisition of the said Municipal Railway, as the interest and principal on said bonds becomes due.

(d) For extensions and improvements to the Municipal Railway, as the same may be authorized in the manner provided by law.

(e) For a reserve fund.

Section 2. To better facilitate the handling of the reserve fund provided for in the preceding section hereof, and to provide for the payment of extraordinary liabilities for accidents and replacement of properties, there shall be set up two accounts for said Reserve Fund, (a) an Accident Reserve Fund, and (b) a Depreciation Reserve Fund.

Section 3. There shall be placed in said Accident Reserve Fund all moneys in the Accident Reserve Fund created by Ordinance No. 7060 (New Series), heretofore adopted by the Board of Supervisors of the

City and County of San Francisco, which may remain unexpended in said Fund at the date of this ordinance becoming effective, and in addition thereto there shall annually, during the month of July, be placed in said Accident Reserve Fund two and one-half (2½) per cent of the gross revenues of the Municipal Railway during the preceding fiscal year, after crediting against said two and one-half (2½) per cent of said gross revenue for said year such amounts as may have been expended during said year in the payment of claims for damages arising by reason of the operation of said Municipal Railway, as provided in Subdivision a of Section 1 hereof.

Section 4. There shall be placed in said Depreciation Reserve Fund all moneys in the Depreciation Fund created by Ordinance 3109 (New Series), and in the Depreciation Reserve Fund created by Ordinance No. 7060 (New Series), heretofore adopted by the Board of Supervisors of the City and County of San Francisco, which remains unexpended in either of said funds at the date of this ordinance becoming effective, and in addition thereto, there shall annually, during the month of July, be placed in said Depreciation Reserve Fund a sum equal to three (3) per cent of the total cost of said Municipal Railway, less such amounts as may have been expended for repairs and reconstruction during the preceding fiscal year, as provided in Subdivision b of Section 1 hereof.

Section 5. Moneys necessary for the payment of the operating expenses of said Municipal Railway, or for the payment of interest or sinking fund on said bonds, or for the Accident Reserve Fund or Depreciation Reserve Fund, shall not be used or appropriated for the construction or acquisition of any extension or addition to said Municipal Railway.

Section 6. Whenever there are not sufficient moneys for the purpose of meeting the payment of matters provided for in Subdivisions a, b or c of Section 1 of this ordinance, appropriations may be made from any other fund provided for by this ordinance in order to meet the payments provided for in said Subdivisions a, b and c.

Section 7. The Treasurer is hereby authorized to invest any surplus in said funds in such interest-bearing bonds as the law may authorize for the investment of surplus municipal funds. All interest earned thereon, and all interest accruing by reason of any Municipal Railway funds being deposited in any bank, shall be credited to Municipal Railway Fund.

Section 8. That the classification of accounts as prescribed by the Interstate Commerce Commission for electric railways be adopted by the Board of Public Works as its authority in accounting for all transactions of the utility, and, in accordance with the common custom, accounts shall be so arranged that a complete profit and loss account and balance may be furnished monthly.

Section 9. Ordinance No. 7060 (New Series), approved April 30, 1926, is hereby repealed.

Section 10. This ordinance shall take effect immediately.

Privilege of the Floor.

Ernest Ecland, representing U. S. Weather Bureau, was granted the privilege of the floor and explained the methods employed under his supervision in obtaining meteorological data over a period of twelve months, which resulted in his determination that the Mills Airport site was the best in all respects as regards flying conditions of the six proposed sites in the bay region.

Communications.

The following matters were presented and read by the Clerk:

Hon. Ogden Mills, Assistant Secretary of the Treasury,
Washington, D. C.

My dear Mr. Mills:

Perhaps you will not recall meeting me several years ago in New York. You may recall me, however, as director of the Hoover-Curtis Clubs in the State of California during the recent campaign.

I am writing to you because I was recently appointed chairman of the Airport Advisory Committee to the Board of Supervisors to the City of San Francisco, Lieutenant-Colonel Gerald C. Brant, Commander of Crissy Field, and E. E. Mouton, Aeronautical Inspector for the Department of Commerce, are the other members of my committee.

We have held several meetings and it is the consensus of opinion of our Advisory Committee that the City of San Francisco needs a really good municipal airport. In spite of adverse criticisms of Mills Field, we, who are all practical flyers, feel that Mills Field can be developed eventually into a class A airport if sufficient money is spent upon it by the City of San Francisco. However, we naturally feel that the City cannot spend a great sum of money on this field until title is vested in the City of San Francisco. Already certain of the Supervisors are trying to make a political football out of this issue and the only result will be to retard the development of a first-class airport for our City.

I am writing to you because I feel that the perpetuation of the memory of your father in the name "Mills Field," and the welfare of the City of San Francisco, are both matters of great interest and concern to you. I feel that it would be much better to purchase the property from you directly than to attempt to condemn it for City purposes, as was recently suggested by one of the Supervisors. I feel that you have a splendid opportunity to gain the affection and good will of the citizens of San Francisco by making us a liberal offer for the purchase of this property, and I feel that if such an offer is made by you that the transaction can be quickly consummated.

I am writing this frankly to you because I feel the situation should not be allowed to drag on, but that a constructive program should be made in the very near future, and, as chairman of the Airport Advisory Committee, I feel it is my duty to recommend a definite program as quickly as possible.

Trusting I may hear from you regarding this matter at your earliest convenience, I am

Yours very sincerely,
(Signed) WILLIAM G. MARVIN.

Mr. Mills then replied to my letter under date of September 3d, as follows:

Ogden L. Mills, 15 Broad Street, New York.
September 3, 1929.

William G. Marvin, Esq., 315 Montgomery street,
San Francisco, Calif.

My dear Mr. Marvin:

I have your courteous letter of August 21st and appreciate the friendly spirit in which you write. There seems to be some confusion as to the Mills Field situation.

My father leased the field to the City with the understanding that the City could use it more or less on an experimental basis until a permanent location could be found. There was no intention on his part to sell the field to the City as a permanent airport, nor do I understand that the City contemplated such a program at that time.

You suggest that this is a fine opportunity to gain the affection and good will of the citizens of San Francisco by making a liberal offer for the purchase of this property. In this connection you should understand that it does not belong to me and that in so far as I am responsible for its management, I am acting as a trustee, bound to

protect the interests of a number of other people, some of them minors, as well as my own interests. Under these circumstances I feel that you will appreciate that I am not in a position to make a generous gesture, nor is my aunt, Mrs. Whitelaw Reid.

Moreover, as we view the situation, the property is by no means an ideal site for an airport, while, on the other hand, it should be extremely available some day for industrial purposes. I do not know any other property in the vicinity of San Francisco so well adapted to industrial development which, in the long run, would mean a great deal more to San Francisco than the location there of an airport for which a more suitable site can, I am informed, be found elsewhere.

Trusting you will understand my position, believe me,

Sincerely yours,

(Signed) OGDEN L. MILLS.

Immediately upon receiving the letter, which was on Tuesday, September 10th (Monday being a holiday), I telephoned to you before showing the letter to anyone else. As I was not able to get you on the telephone, I held the letter in confidence until such time as I could talk it over with you. You then came to my office on Wednesday, September 11th, and I gave you the original of this letter to read.

Immediately thereafter I communicated its contents to my fellow-members on the Advisory Committee. We were sorry to receive the letter, in so far as it seemed to close the gate for further negotiations with Mr. Mills, but all of us felt that it was better to have the matter brought to a definite head as soon as possible.

In conclusion, I might state that our committee feels that if proper legal authority will recommend condemnation proceedings under the State law, as being reasonably certain of success, the City should make every effort to get title to this property before making further expenditures. At the same time we feel that the taxpayers of San Francisco should be protected against other than absolutely necessary outlays until the question of title is definitely determined.

Yours truly,

(Signed) WM. G. MARVIN, Chairman.

Consolidated Bus Service, Forest Hill-Laguna Honda.

Resolution No. 31456 (New Series), as follows:

Whereas, the Laguna Honda boulevard will be opened to traffic on Thursday, September 26, 1929; and

Whereas, the Superintendent of the Municipal Railway has advised that the bus line now operating across Golden Gate Park from Tenth avenue and Fulton street to Ninth avenue and Irving street, can be connected with the bus route now operated from Monterey boulevard and Edna street, via Miraloma drive, to the Forest Hill station, without increasing the number of buses in use, by utilizing the time now lost in layovers at Ninth avenue and Irving street and at the Forest Hill station;

Now, therefore, be it resolved:

Section 1. That the Board of Supervisors of the City and County of San Francisco does hereby authorize and direct the Board of Public Works to consolidate bus route No. 1, operating across Golden Gate Park from Tenth avenue and Fulton street to Ninth avenue and Irving street, and bus route No. 3, operating from Edna street and Monterey boulevard, via Miraloma drive, to the Forest Hill station of the

Municipal Railway, by means of a connection over Ninth avenue from Irving street to Judah, thence over Judah street to Seventh avenue, and thence over Seventh avenue and Laguna Honda boulevard to the Forest Hill station, to the end that through bus service may be had over these combined routes.

Section 2. This resolution shall take effect immediately.

Ayes—Supervisors Andriano, Colman, Deasy, Gallagher, Havenner, Hayden, Kent, McGovern, McSheehy, Marks, Powers, Roncovieri, Schmidt, Shannon, Todd—15.

Absent—Supervisors Stanton, Suhr, Toner—3.

In Memory—John W. Sandy.

Supervisor Schmidt presented:

Resolution No. 31457 (New Series), as follows:

Whereas, there has been called to his eternal rest John W. Sandy, pioneer merchant of the Mission District and father of George Sandy, his successor in business there; and

Whereas, for over fifty years John W. Sandy has been identified with the progress and development of that section of San Francisco, and has left a name for sturdy character and outstanding ability as one of our foremost citizens; now, therefore, be it

Resolved, That this Board express to the bereaved family and relatives of John W. Sandy its sincere sorrow at the passing of so honored and beloved citizen of our city.

Adopted unanimously by rising vote.

Action Deferred.

The following matter was *laid over one week*:

Declaration of Policy in re Extension of Marina Park.

Resolved, That the following declaration of policy be submitted to the electors of the City and County of San Francisco, for their approval or disapproval, at the election to be held in said City and County on Tuesday, the 5th day of November, 1929:

"Shall the City acquire a tract of land bounded by Lewis street, Webster street, Marina boulevard and Laguna street, said tract to be acquired and used for the extension of the Marina Park, the purchase price of said tract not to exceed $400,000?"

And be it further

Resolved, That the Registrar of Voters be and he is hereby directed to place upon the ballot at said election to be held on the 5th day of November, 1929, the aforesaid declaration of policy, so that the electors of the City and County may approve of said policy by voting "Yes" thereon and disapprove of the same by voting "No" thereon.

Action Deferred.

The following matter was presented and *laid over one week*:

Closing and Abandoning Certain Portions of Donner, Carroll and Bancroft Avenues and Newhall and Mendell Streets.

Resolution No. ———— (New Series), as follows:

Whereas, this Board has, by Resolution No. 27860 (New Series), declared its intention to close and abandon certain portions of Donner, Carroll and Bancroft avenues and Newhall and Mendell streets, in the City and County of San Francisco, and hereinafter more particularly described; and

Whereas, proper notice of said resolution, and of said proposed closing and abandonment of certain portions of said avenues and streets, was duly given by the Board of Public Works of said City and

County by publication and posting in the manner provided by the Charter of said City and County; and

Whereas, more than ten days have elapsed after the expiration of time of publication of said notice; and

Whereas, no objection or objections to said closing and abandonment of said portions of said avenues and streets, as hereinafter described, was or were made or delivered to the Clerk of this Board within said period of ten days, or at all; and

Whereas, it is the opinion of this Board that the public interest and convenience will be conserved by the closing and abandonment of said avenues and streets; and

Whereas, in and by Resolution No. 27860 (New Series) this Board did declare that the damages, costs and expenses of closing of said portions of said avenues and streets are nominal and no assessment district is necessary to be formed for the purpose of paying the damages, costs and expenses thereof, the Board of Supervisors hereby declares and determines that the whole damage, cost and expense of closing said portions of said avenues and streets, as hereinafter more particularly described, shall be paid out of the revenues of the City and County of San Francisco.

Resolved, That said closing and abandonment of said portions of said avenues and streets be and the same are ordered and that said portions of said avenues and streets be and the same are hereby closed and abandoned as public streets.

The said portions of said avenues and streets hereinabove referred to are more particularly described as follows, to-wit:

All such portions of Donner, Carroll and Bancroft avenues and Newhall and Mendell streets as are included within the boundaries of Parcels I, III and IV of that certain decree of the Superior Court of the State of California, in and for the City and County of San Francisco, made and entered the 18th day of September, 1929, in an action entitled, "Bank of California, National Association, as executor of the last will and testament of Frank H. Gardiner, deceased," numbered 39632 thereon, and recorded in the office of the Recorder of said City and County on the 19th day of September, 1929, in Volume 1912, Official Records, at page 171.

Further Resolved, That the Clerk of this Board transmit a certified copy of this resolution to the Board of Public Works, and that the Board of Public Works be instructed to proceed thereafter as required by the law and the Charter of the City and County of San Francisco.

Passed for Printing.

The following resolution was presented by Supervisor Shannon and *passed for printing*:

Appropriation for Subway Study and Report.

Resolution No. ———— (New Series), as follows:

Resolved, That the sum of $25,000 be and the same is hereby set aside, appropriated and authorized to be expended out of "Subway Survey," Budget Item No. 69, Fiscal Year 1929-1930, for the expense of making a study and report of a subway and rapid transit system for the City and County of San Francisco.

Cut Down Southwest Corner Precita Avenue and Folsom Street.

Supervisor McGovern called attention to dangerous condition of curb at southwest corner of Precita avenue and Folsom street and requested that matter of cutting down curb at that point be referred to the Streets Committee.

Confirming Sale of City Lands.

On recommendation of Public Buildings and Lands Committee.

Bill No. 9056, Ordinance No. 8543 (New Series), as follows:

Confirming the sale of lands owned by the City and County of San Francisco and situate in the City and County of San Francisco, State of California.

Whereas, by Ordinance No. 8453 (New Series), approved June 21, 1929, the Board of Supervisors determined that public interest and necessity demanded the sale of the land hereinafter described, and by said ordinance directed the Mayor of the City and County of San Francisco to sell all of said land at private sale to be held on July 11, 1929, and directed that notice of said sale be given for two weeks successively next before the sale, as required by law; and

Whereas, the Clerk of the Board of Supervisors thereafter proceeded to publish notice of said sale in the official newspaper and one other daily newspaper published in the City and County of San Francisco for two weeks successively next before said sale was directed to be made, describing the lands to be sold therein with common certainty and stating the date on which said sale would be made, as specified in Ordinance No. 8453 (New Series), and that all bids or offers would be received by the Mayor at his office in the City Hall, City and County of San Francisco, State of California, on July 11, 1929; and

Whereas, the Mayor, the Assessor and the chairman of the Finance Committee, being the Board of Appraisers constituted by the Charter of the City and County of San Francisco for such purpose, thereafter duly met and made an appraisement of said lands and fixed the fair value thereof and reported said appraisement to the Board of Supervisors in writing; and

Whereas, thereafter, and on said date, at private sale, the Mayor of the City and County of San Francisco sold the said parcel of land to the Enterprise Brewing Company for the sum of $3,000, and accepted from said Enterprise Brewing Company a deposit in the amount of ten per cent or more of the amount bid, and thereafter, on August 6, 1929, duly notified the Board of Supervisors, in writing, of the fact of such sale, stating the amount bid, the name of the bidder, and requesting that the Board confirm the sale; and

Whereas, the Clerk of the Board of Supervisors immediately thereupon proceeded to give notice by publication in the official newspaper and one other newspaper published in the City and County of San Francisco for a period of three weeks from and after the 15th day of August, 1929, that at a meeting of the Board of Supervisors to be held on the 10th day of September, 1929, the matter of said sale would come up for confirmation, stating also in said notice the fact of the sale, the amount for which the land had been sold as aforesaid, and the name of the purchaser, and also stating that if at such meeting on the 10th day of September, 1929, an offer of ten per cent more in amount than that named in said notice should be made to the Supervisors, in writing, by a responsible person, the Supervisors would confirm such sale to such person, or order a new sale; and

Whereas, the date of confirmation specified in said notice has now arrived, and a higher bid has not been obtained, and it appearing to

the Board of Supervisors that the amount bid as aforesaid is not disproportionate to the value of the property sold, and that a greater sum cannot be obtained; therefore,

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. That said sale of the said land hereinafter described is hereby ratified, approved and confirmed, and the Mayor and the Clerk of the Board of Supervisors are hereby authorized to execute and deliver to said purchaser, the Enterprise Brewing Company, upon payment of the balance of the purchase price, a good and sufficient conveyance in the name of the City and County of San Francisco, conveying all the right, title and interest of the City and County in and to the land sold as aforesaid, and more particularly described as follows, to-wit:

Commencing at a point which is distant 162.472 feet at right angles northerly from the northerly line of Seventeenth street and 284.922 feet at right angles easterly from the easterly line of Folsom street, said point being on the northwesterly line of the property of the City and County of San Francisco; thence deflecting 16 degrees 26 minutes 01 second to the right from a line drawn at right angles to said northerly line of Seventeenth street and parallel with said easterly line of Folsom street; and running thence northeasterly along said northwesterly line of the property of said City and County 31.345 feet; thence deflecting 55 degrees 38 minutes 23 seconds to the right from the preceding course and running northeasterly 82.731 feet to the southeasterly line of the property of said City and County; thence deflecting 124 degrees 06 minutes 32 seconds to the right and running southwesterly along said southeasterly line 42.147 feet; thence deflecting 62 degrees 35 minutes 28 seconds to the right from the preceding course and running southwesterly 77.316 feet to the point of commencement. Containing 2517 square feet.

Section 2. The City Attorney is hereby directed to prepare the necessary conveyances and supervise the delivery of deed upon payment of purchase price as aforesaid.

Section 3. This ordinance shall take effect immediately.

Ayes—Supervisors Andriano, Colman, Deasy, Gallagher, Havenner, Hayden, Kent, McGovern, Powers, Roncovieri, Schmidt, Stanton, Toner—13.

Absent—Supervisors McSheehy, Marks, Shannon, Suhr, Todd—5.

Providing for Disposal at Public Auction of Certain City Lands.

Also, Bill No. 9055, Ordinance No. 8544 (New Series), as follows:

Providing for the disposal at public auction of certain lands belonging to the City and County of San Francisco, in accordance with provisions of Article II, Chapter II, Section 9 of the Charter.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. That public interest and necessity demand the sale of the following described parcel or piece of land owned and held by the City and County of San Francisco. Said parcel of land is situated in the City and County of San Francisco, State of California, and more particularly described as follows, to-wit:

Commencing at a point on the easterly line of Nineteenth avenue, distant thereon 255 feet southerly from the present southerly line of Wawona street; running thence southerly along said easterly line of Nineteenth avenue 150 feet; thence at a right angle easterly 275.26 feet; thence at a right angle northerly 150 feet; thence at a right angle westerly 275.26 feet to the easterly line of Nineteenth avenue and point of commencement. Being a portion of O. L. Block No. 1258, also known as Lot 2 in Block No. 2540 on Assessor's Map Book.

Section 2. The said piece or parcel of land hereinabove described shall be sold for cash, in United States gold coin, at public auction to

be held in accordance with the provisions of Article II, Chapter II, Section 9 of the Charter.

Section 3. The Clerk of the Board of Supervisors is hereby directed to publish in the official newspaper and in one other daily newspaper for three weeks successively next before the day on which the sale is to be made, a notice of such sale, describing the land to be sold with common certainty.

Section 4. The Mayor, Assessor and the Chairman of the Finance Committee of the Board of Supervisors are hereby directed to appraise said land within three weeks after the final passage of this ordinance as required by Article II, Chapter II, Section 9 of the Charter.

Section 5. Upon receipt and examination of bids or offers for said land as aforesaid, the Mayor shall accept the highest bid made, provided said bid be for at least 90 per cent of the value found by said appraisers, and shall immediately thereafter, at the next meeting of the Supervisors, report the fact of such sale to the Supervisors, with a statement of the sum bid and the name of the highest bidder, with a request that the Board confirm such sale.

Ordering Street Work, Holladay Avenue.

On recommendation of Streets Committee.

Bill No. 9037, Ordinance No. 8545 (New Series), as follows:

Ordering the performance of certain street work to be done in the City and County of San Francisco, approving and adopting specifications therefor.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. The Board of Public Works in written communication filed in the office of the Clerk of the Board of Supervisors September 11, 1929, having recommended the ordering of the following street work, the same is hereby ordered to be done in the City and County of San Francisco in conformity with the provisions of the Street Improvement Ordinance of 1918 of said City and County of San Francisco, said work to be performed under the direction of the Board of Public Works, and to be done in accordance with the specifications prepared therefor by said Board of Public Works, and on file in its office, which said plans and specifications are hereby approved and adopted.

That said Board of Supervisors, pursuant to the provisions of Part II of the said Street Improvement Ordinance of 1918 of said City and County of San Francisco, does hereby determine and declare that the assessment to be imposed for the said contemplated improvements, respectively, may be paid in twenty installments; that the period of time after the time of the payment of the first installment when each of the succeeding installments must be paid is to be six months from the time of the payment of the preceding installment, and that the rate of interest to be charged on all deferred payments shall be seven per centum per annum.

The improvement of Holladay avenue between the existing pavement at the intersection of Holladay avenue and Peralta avenue and the existing pavement 126.31 feet southerly from the southerly line of York street, including the intervening intersections, by the construction of concrete curbs; by the construction of artificial stone sidewalks; by the construction of a concrete pavement on the roadways thereof, and by the construction of a concrete rail fence with warning signal at the intersection of Holladay avenue and Peralta avenue.

That, in the opinion of the said Board of Public Works, the assessment to defray the costs and expenses of said work or improvement

can be more equitably imposed upon the property benefited thereby, and, therefore, the said Board does hereby determine and dclare that the expense of such work or improvement be made chargeable upon a district in accordance with the provisions of Section 5 of the Street Improvement Ordinance of 1918 of said City and County, and does hereby set out the district benefited by said contemplated work or improvement, and to be assessed to pay the costs and expenses thereof, as follows:

Within the exterior boundary of all those certain lots delineated, designated and numbered respectively as Lots 6, 7, 8, 9, 10, 11, 12, 13 and 14 of Block 5534; Lots 1, 2, 3, 4, 5, 6, 7, 8, 17, 18 and 19 of Block 5532; Lots 1, 2, 3, 4, 5, 6, 7, 8, 17, 18 and 19 of Block 5531; Lots 1, 2 and 3 of Block 5512; Lots 64, 65, 66, 67, 68 69, 70, 71 and 72 of Block 5511; Lots 31, 32, 33, 34, 35, 36, 37, 38, 39, 40, 41, 42, 43, 43A, 44 and 45 of Block 5533, all being designated on the maps and books of the Assessor of the City and County of San Francisco and upon the assessment book of the City and County of San Francisco current at the time of the inception of the proceedings for the above mentioned improvement.

The foregoing described lots of land are contained within and constitute the extent of the district benefited by said contemplated work or improvement, and to be assessed to pay the costs and expenses thereof, and reference to the same is hereby made for the description of such district.

Section 2. This ordinance shall take effect immediately.

Ayes—Supervisors Andriano, Colman, Deasy, Gallagher, Havenner, Hayden, Kent, McGovern, Powers, Roncovieri, Schmidt, Stanton, Toner—13.

Absent—Supervisors McSheehy, Marks, Shannon, Suhr, Todd—5.

Billboard Ordinance Amendment.

On recommendation of Streets and Public Welfare Committees.

Bill No. 9057, Ordinance No. ———— (New Series), as follows:

Amending Section 18 of Ordinance No. 4059 (New Series), entitled "Regulating and relating to the construction, erection, maintenance and use of billboards in the City and County of San Francisco, and licensing and regulating the occupation of maintaining billboards and outdoor advertising, providing penalties for the violation of same and repealing all ordinances or parts thereof in conflict therewith."

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. That Section 18 of Ordinance No. 4059 (New Series) is hereby amended to read as follows:

Section 18. (a) It shall be unlawful for any person, firm or corporation, except a public officer or employee in the performance of a public duty, or a private person in giving a legal notice, to paste, post, paint, print, nail, tack or otherwise fasten any card, banner, handbill, sign, poster, advertisement or notice of any kind upon any property without the written consent of the owner, holder, lessee, agent, or trustee thereof.

(b) It shall be unlawful for any person, firm or corporation, except a public officer or employee in performance of a public duty, or a private person in giving a legal notice, to paste, post, paint, print, nail, tack or otherwise fasten any card, banner, handbill, sign, poster, advertisement or notice of any kind upon any property situated on the following streets, boulevards or highways, or portion of such streets, boulevards or highways in the City and County of San Francisco:

Twin Peaks boulevard for its entire length.

Roosevelt way for its entire length.

Telegraph Hill drive for its entire length.

El Camino Del Mar for its entire length.

Marina boulevard for its entire length.

Sunset boulevard for its entire length.

Harding boulevard for its entire length.

Portola drive for its entire length.

Skyline boulevard from Sloat boulevard to City limits.

Great Highway and Esplanade from Fulton street to Sloat boulevard.

Nineteenth avenue extension from Sloat boulevard to Junipero Serra boulevard.

Bay Shore Highway from Third street to Raymond street.

Sloat boulevard from the Great Highway to the Junipero Serra boulevard.

Junipero Serra boulevard from Sloat boulevard to the county line.

The east side of the Market street extension from Mono street to Portola drive.

Alemany boulevard from Mission street viaduct to Junipero Serra boulevard.

Provided, however, that nothing herein contained shall be deemed to restrict or prohibit the use for advertising purposes of, or the changing of advertising copy on, any advertising sign or advertising structure now erected or maintained upon any property situate upon said streets, boulevards or highways above named.

Any advertisement prohibited by this section and the next preceding section may be taken down, moved or destroyed by anyone.

Section 2. This ordinance shall take effect immediately.

Fixing Sidewalk Widths on Sanchez Street.

On recommendation of Streets Committee.

Bill No. 9058, Ordinance No. ———— (New Series), as follows:

Amending Ordinance No. 1061, entitled "Regulating the Width of Sidewalks," approved December 18, 1903, by adding thereto a new section to be numbered ten hundred and seventy.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. Ordinance No. 1061, entitled "Regulating the Width of Sidewalks," approved December 18, 1903, be and is hereby amended in accordance with the communication of the Board of Public Works, filed in this office September 16, 1929, by adding thereto a new section to be numbered ten hundred and seventy, to read as follows:

Section 1070. The width of sidewalks on Sanchez street between Twenty-first street and Hill street shall be as shown on that certain map entitled "Map of Sanchez street between Twenty-first street and Hill street," showing the location of street and curb lines and the width of sidewalks.

Section 2. Any expense caused by the above change of walk widths shall be borne by the property owners.

Section 3. This ordinance shall take effect and be in force from and after its passage.

Adopted.

Extension of Time, Hanrahan Company, Alemany Boulevard.

On recommendation of Streets Committee.

Resolution No. 31481 (New Series), as follows:

Resolved, That Hanrahan Company is hereby granted an extension of ninety (90) days' time from and after September 16, 1929, within which to complete the improvement of Alemany boulevard, Section D-1, Sickles avenue to Orizaba avenue, Contract No. 10.

This extension of time is granted upon the recommendation of the Board of Public Works for the reason that condemnation suits have prevented the contractor from performing the work.

Ayes—Supervisors Andriano, Colman, Deasy, Gallagher, Havenner, Hayden, Kent, McGovern, Powers, Roncovieri, Schmidt, Stanton, Todd, Toner—14.

Absent—Supervisors McSheehy, Marks, Shannon, Suhr—4.

Extension of Time, Municipal Construction Company, Bay Shore Highway.

Also, Resolution No. 31482 (New Series), as follows:

Resolved, That the Municipal Construction Company is hereby granted an extension of thirty (30) days' time from and after September 20, 1929, within which to complete the improvement of Bay Shore Highway, Section C, Paul avenue to Third street.

This, the first extension, is granted upon the recommendation of the Board of Public Works for the reason that delay in performing the work was caused by removal of houses from right of way.

Ayes—Supervisors Andriano, Colman, Deasy, Gallagher, Havenner, Hayden, Kent, McGovern, Powers, Roncovieri, Schmidt, Stanton, Todd, Toner—14.

Absent—Supervisors McSheehy, Marks, Shannon, Suhr—4.

Extension of Time, Federal Construction Company, Bay Shore Boulevard.

Also, Resolution No. 31483 (New Series), as follows:

Resolved, That the Federal Construction Company is hereby granted an extension of thirty (30) days' time from and after September 19, 1929, within which to complete the improvement of Bay Shore boulevard, Section E, from Tunnel avenue to County line.

This extension of time is granted on the recommendation of the Board of Public Works for the reason that delay in completion was caused by installation of public service mains.

Ayes—Supervisors Andriano, Colman, Deasy, Gallagher, Havenner, Hayden, Kent, McGovern, Powers, Roncovieri, Schmidt, Stanton, Todd, Toner—14.

Absent—Supervisors McSheehy, Marks, Shannon, Suhr—4.

Conditional Acceptance of Certain Streets.

On recommendation of Streets Committee.

Bill No. 9059, Ordinance No. ———— (New Series), as follows:

Providing for conditional acceptance of the roadway of Twenty-seventh avenue between Quintara and Rivera streets, being a portion on the westerly one-half thereof from a line 350 feet northerly from Rivera street to a line 500 feet northerly from Rivera street.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. The roadways of the following named streets, including the curbs on both sides thereof, having been constructed to the satisfaction of the Board of Public Works, and of the Board of Supervisors, are hereby conditionally accepted by the City and County of San Francisco (except those portions required by law to be kept in order by the railroad company having tracks thereon), in accordance with the provisions of Section 23, Chapter 2, Article VI of the Charter, said roadways having been paved with asphaltic concrete and concrete and curbs laid thereon, and are in good condition throughout. Sewer and gas mains have been laid therein, no water mains have been laid therein, to-wit: Twenty-seventh avenue between Quintara and Rivera streets, including curbs.

Closing and Abandoning Certain Portions of Donner, Carroll and Bancroft Avenues and Newhall and Mendell Streets.

Resolution No. ———— (New Series), as follows:

Whereas, this Board has, by Resolution No. 27860 (New Series), declared its intention to close and abandon certain portions of Donner, Carroll and Bancroft avenues and Newhall and Mendell streets, in the City and County of San Francisco, and hereinafter more particularly described; and

Whereas, proper notice of said resolution, and of said proposed closing and abandonment of certain portions of said avenues and streets, was duly given by the Board of Public Works of said City and County by publication and posting in the manner provided by the Charter of said City and County; and

Whereas, more than ten days have elapsed after the expiration of time of publication of said notice; and

Whereas, no objection or objections to said closing and abandonment of said portions of said avenues and streets, as hereinafter described, was or were made or delivered to the Clerk of this Board within said period of ten days, or at all; and

Whereas, it is the opinion of this Board that the public interest and convenience will be conserved by the closing and abandonment of said avenues and streets; and

Whereas, in and by Resolution No. 27860 (New Series) this Board did declare that the damages, costs and expenses of closing of said portions of said avenues and streets are nominal and no assessment district is necessary to be formed for the purpose of paying the damages, costs and expenses thereof, the Board of Supervisors hereby declares and determines that the whole damage, cost and expense of closing said portions of said avenues and streets, as hereinafter more particularly described, shall be paid out of the revenues of the City and County of San Francisco.

Resolved, That said closing and abandonment of said portions of said avenues and streets be and the same are ordered and that said portions of said avenues and streets be and the same are hereby closed and abandoned as public streets.

The said portions of said avenues and streets hereinabove referred to are more particularly described as follows, to-wit:

All such portions of Donner, Carroll and Bancroft avenues and Newhall and Mendell streets as are included within the boundaries of Parcels I, III and IV of that certain decree of the Superior Court of the State of California, in and for the City and County of San Francisco, made and entered the 18th day of September, 1929, in an action entitled, "Bank of California, National Association, as executor of the last will and testament of Frank H. Gardiner, deceased," numbered 39632 thereon, and recorded in the office of the Recorder of said City and County on the 19th day of September, 1929, in Volume 1912, Official Records, at page 171.

Further Resolved, That the Clerk of this Board transmit a certified copy of this resolution to the Board of Public Works, and that the Board of Public Works be instructed to proceed thereafter as required by the law and the Charter of the City and County of San Francisco.

Adopted.

New Garage Ordinance.

On recommendation of Fire Committee.

Bill No. 9060, Ordinance No. ———— (New Series), as follows:

Governing the construction, equipment, maintenance and operation of public, commercial and private garages; regulating and providing for the storage and use of gasoline in connection with public, commercial and private garages; duties of the Fire Marshal; penalty for violation; repealing Ordinance No. 746 (New Series) and all ordinances or parts of ordinances in so far as they conflict with this ordinance.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. Whenever used in this ordinance, the following terms and

words are defined as herein specified and shall be deemed and construed to have the meaning ascribed to them in this section:

(a) An "automobile" shall mean any self-propelling vehicle.

(b) "Gasoline" shall mean and include any product of petroleum flashing below the temperature of 110 degrees Fahrenheit. The Fire Marshal of the City and County of San Francisco shall determine such flashing point.

(c) A "commercial garage" is a building wherein four or more automobiles designed, used or maintained for the transportation of persons or property and operated by the owner or owners thereof, are kept or stored, and where no charge is made for the storage and keeping of same.

(d) A "public garage" shall mean any building, structure or part thereof wherein four or more automobiles are kept or stored by the public, or wherein storage facilities for more than four automobiles are advertised by any sign or device affixed or painted to the said building or structure or any part thereof or otherwise, or wherein automobiles stored or kept are rented out to and hired by the public, and where a charge is made for the storage and keeping of same.

Nothing in the above definitions (c) and (d) shall operate against providing automobile storage space in flats or dwellings not exceeding four hundred fifty (450) square feet in area for each flat or dwelling. In apartment house buildings, nothing in definitions (c) and (d) shall operate against providing storage space of three hundred (300) square feet for each apartment within the building, providing that the spaces in which automobiles are stored conform with the State Housing Act of 1923 and amendments thereto, and also provided that all enclosure or exterior walls from the foundation to the surface of the floor constituting the ceiling of the garage shall be of masonry as required for class "C" buildings. Nothing in said definition shall operate against an owner having a greater space than herein defined, provided when it is exceeded in apartment houses the construction shall be class "A" or "B" as defined in the Building Laws of the City and County of San Francisco, and provided when it is exceeded in flats or dwellings the construction shall be as required for apartment houses.

(e) Any other building, structure or part thereof, wherein one or more automobiles are kept or stored, except those establishments which are specifically regulated by any other ordinance shall be deemed to be a "private garage."

Application for Permit.

Section 2. (a) It shall be unlawful for any person, firm or corporation to establish, conduct, maintain or operate a public or commercial garage without first obtaining a permit therefor from the Board of Supervisors of the City and County of San Francisco. Every such permit shall contain the name of the person, firm or corporation to whom the same is issued and the location of the premises upon which such public or commercial garage is to be located.

(b) Every application for a permit to establish, conduct, maintain or operate a public or commercial garage shall, before action is taken thereon by the Board of Supervisors, be referred to the Fire Marshal and the Board of Public Works for investigation and report. No such permit shall be granted unless applicant agrees to comply in all respects with the requirements of this ordinance; provided, further, that in the event any person, firm or corporation engaged in the business of a public or commercial garage in a building which in any manner does not conform to the provisions of this ordinance, shall vacate the premises, or discontinue such business, then, and in that event, it shall be unlawful for any person, firm or corporation to subsequently establish, conduct, maintain, or operate the said premises as a public or commercial garage, unless such premises shall be made to comply with all the requirements of this ordinance.

(c) When application is made to the Board of Supervisors by any

person, firm or corporation to establish, conduct, maintain or operate a public or commercial garage, said applicant shall cause to be posted conspicuously on the premises intended to be occupied by the public or commercial garage a notice to the effect that application has been made to the Board of Supervisors for such permit. Said notice to be conspicuously posted within twenty-four (24) hours after the filing of the application and shall be kept posted for a period of not less than seven (7) days. It shall be the duty of the applicant to see or keep said sign conspicuously posted for the said period of seven (7) days.

(d) A permit to establish, conduct, maintain or operate a public or commercial garage is not transferable without the consent of the Board of Supervisors.

(e) No permit shall be granted to conduct, operate or maintain any public or commercial garage within the boundaries of two hundred (200) feet of any school, church, theatre or hospital; said measurement to be taken from the front entrance of said garage to the front entrance of said school, church, theatre or hospital; nor shall any permit be issued to hereafter construct, erect, maintain or operate a public or commercial garage within fifty (50) feet of the property line of any school, church, theatre or hospital building.

Construction.

Section 3. (a) Every building, structure or part thereof hereafter erected, altered or changed so as to be occupied, conducted, maintained or operated as a public or commercial garage shall be of class "A," "B" or "C" construction (as defined in the Building Laws of the City and County of San Francisco), provided said building or structure is not more than one (1) story in height, and if more than one story in height, it shall be of either class "A" or "B" construction. The roof of such class "C" building or structure shall be of metal supported on steel or timber trusses. The floors of all garages shall be concrete construction or steel frame with concrete construction.

(b) A public or commercial garage shall not be maintained in any building that is occupied in any part for any other purpose than that necessary for the operation of a public or commercial garage, unless said building is of class "A" or "B" construction throughout. The portion occupied as a public or commercial garage shall have no entrance, exit or other opening of any kind whatsoever into other portions of the building not so occupied, unless said opening or openings are located as required by the Board of Public Works. Such openings shall be protected with a full Underwriter's Automatic Fire Door on inclined tracks with fusible links, or an approved Underwriter's Automatic Rolling Steel Shutter, fusible links on both sides of the opening in the wall. Any screen door required in the opening shall be equal to a full kalamein or hollow metal construction. Walls separating such portion occupied as a public or commercial garage and the remainder of the building shall be of brick, stone or reinforced concrete. The floors which constitute the ceilings of such garage shall be of reinforced concrete slabs, not less than four (4) inches thick, supported by concrete fireproofed carrying units of the frame. These slabs shall be not less than six (6) inches thick, where they constitute the floor of the public assembly room and the ceiling of the garage. All such slabs shall be reinforced so as to develop their full strength to resist upward pressures, and the ceilings of all garages under places of public assembly shall be equipped with an automatic sprinkler system as provided in all ordinances of the City and County of San Francisco in reference thereto.

(c) Every space in a building hereafter erected in which automobiles or other motor vehicles are placed or stored shall be provided with ventilation as follows:

When the total space on any floor to be used for such purposes is 4000 square feet or less, such space shall be provided with ventilation outlets in the walls thereof.

The total areas of such ventilating outlets shall be as follows:

For a space of 1000 square feet or less, 200 square inches. For each additional space of 200 square feet over 1000 square feet this area shall be increased 50 square inches until the total area becomes 525 square inches, which shall be the maximum required for a space of not more than 4000 square feet.

The top of the ventilating outlets shall be not more than 18 inches above the floor. Such outlets shall be protected with galvanized wire rods not less than ⅜ inch in diameter so as to provide opening of ½-inch mesh.

Protections of ornamental design may be used provided they are galvanized and have a strength equal to that of the rods. All protections shall be firmly anchored in or secured to their supports. All ventilating outlets shall lead directly to a free and unobstructed circulation of air; but shall not lead into inner courts.

All natural ventilating outlets shall be arranged so that there will be at least one outlet in each of two opposite walls of said garage and not less than one-half of the total area of outlets required shall be provided in each of such walls. The free circulation of air between ventilating outlets shall be maintained.

When such space has a floor area of over 4000 square feet a mechanical exhaust ventilation system shall be provided. This system shall consist of power driven exhaust fan or fans of the positive centrifugal type and shall have sufficient capacity to exhaust a quantity of air equal to not less than six times the cubic contents of such space each hour. This mechanical exhaust shall be drawn from a point not more than 18 inches above the floor line and shall be evenly distributed over the entire area in which automobiles are stored. The fan discharge shall be taken to a point above the roof of the building or to the outer air at a point not less than 20 feet from any window in the building or any adjoining building.

(d) An automobile repair shop, tire vulcanizing shop, battery shop and automobile painting shop may be maintained in a public or commercial garage provided they are separated from the automobile storage section of the public or commercial garage by partitions of concrete, brick or terra cotta tile, which shall extend from the floor to the ceiling, or floor to the roof above; provided, however, that no battery shop or automobile painting shop shall be maintained in any public or commercial garage located under a place of public assembly or basement of any building occupied by a public or commercial garage. All openings in said partitions shall be located as directed by the Board of Public Works and the protection to such openings shall consist of an approved Underwriter's Automatic Fire Door on inclined tracks with fusible links or an approved Underwriter's Automatic Rolling Steel Shutter with fusible links, in addition to the temporary protection for opening or closing, which must be constructed of plates and angles, and if glazed, wire glass only shall be used. All such shops shall be conducted, maintained and operated as required by all ordinances governing such establishments.

(e) All private garages with a floor area in excess of four hundred (400) square feet shall be constructed as provided in this ordinance for public or commercial garages, if built independent of any building that is used as living quarters.

Storage of Gasoline.

Section 4. Whenever the word "approved" shall hereafter appear in this ordinance, it shall mean approved by the Fire Marshal.

(a) Permission must be received from the Fire Marshal before storing or keeping gasoline in or for any public or commercial garage, but in no event shall the quantity exceed the maximum prescribed in this section.

(b) Not more than one approved five (5) gallon can of gasoline and approved portable filling tanks containing not more than fifty (50)

gallons of gasoline each, may be stored or kept inside of any public or commercial garage, except such gasoline which is contained in the reservoirs of automobiles stored therein. Not more than one (1) approved portable filling tank shall be allowed on any one floor of a public or commercial garage.

(c) Additional gasoline may be stored or kept for a public or commercial garage in approved tanks, outside the walls of the building and buried underground. Not more than four (4) tanks containing not more than five hundred fifty (550) gallons of gasoline each, making twenty-two hundred (2200) gallons in the aggregate, shall be allowed to be stored or kept for any one public or commercial garage. All such tanks shall be constructed of galvanized steel at least number twelve (12) gauge in thickness or iron not less than three-sixteenths (3/16) of an inch in thickness. All tanks shall be coated on the outside with tar or other suitable rust-resisting compound.

The Fire Marshal may grant permission to store or keep gasoline in excess of the above limitations, if in his judgment the additional gasoline is deemed necessary, but such additional gasoline shall be stored or kept only upon conditions and under such regulations as may be required by said Fire Marshal.

(d) A permit shall be required from the Fire Marshal to store or keep gasoline in excess of five (5) gallons in or for any private garage. The Fire Marshal shall determine the amount of gasoline, if any, that may be stored, but in no event shall the quantity exceed the maximum allowed for a public or commercial garage. Said gasoline shall be stored or kept as required for a public or commercial garage.

Tanks, Pipes and Pumps.

Section 5. All underground gasoline storage tanks, pipes and appurtenances used in connection with a public, commercial or private garage shall be installed as follows, unless otherwise required by the Fire Marshal:

(a) All underground tanks shall be placed outside the building, under the sidewalk, close to the curb line.

(b) The top of each such tank shall be at least four feet below the sidewalk and the space between the top of the tank and sidewalk shall be filled with earth.

(c) No such tank shall be connected with another so that gasoline can flow or be pumped from one underground tank to another.

(d) All such tanks shall set on a firm foundation and, where water is encountered, tanks shall be enclosed in an approved watertight reinforced concrete vault.

(e) Where two or more tanks are installed, there shall be an approved brick or concrete dividing wall between each tank not less than twelve (12) inches in thickness or three (3) feet of earth.

(f) Each tank shall have a separate filling pipe extending up to the sidewalk or grade, capped with a screw cap, which must be screwed up tight at all times except when filling, and shall be covered with a metal plate flush with the sidewalk or grade.

(g) Each such tank shall have a separate one (1) inch vent pipe extending out of the top of the tank to a height of not less than twelve (12) feet and capped with a double return bend equipped with a non-corrodible wire screen of thirty (30) mesh. The lower end of vent pipe shall not extend through the top into the tank for a distance of more than one (1) inch. Vent pipe shall be on the outside of the building and terminate not less than three (3) feet, measured horizontally and vertically, from any window or other building opening.

(h) Each such tank shall have at least one suction pipe. Two or more tanks may be connected with one pump, provided the suction pipe siamese at the pump with valves to close each suction pipe.

(i) All pipes shall lead out of the extreme top of each tank, and shall be at least twelve (12) inches underground or enclosed in concrete. Said pipes shall have a fall toward the tank.

(j) All pipes and fittings shall be standard, full weight galvanized iron, or equivalent, and shall be put together with litharge and glycerine.

(k) Tanks and pipes shall not be covered until an inspection has been made by the Fire Marshal and permission so to do has been granted by said officer. The Fire Marshal shall be notified when the work is ready for inspection.

(l) Gasoline shall be taken from such tanks only by means of an approved pump, which shall be installed in an approved location, not below the first floor. No gravity, siphon or pressure system shall be used for taking gasoline from any tank.

(m) The Fire Marshal shall have the right at any time to take, or demand to be taken, a test for leaks on any tank, pipes or appurtenances, and, if found to be defective, shall demand that they be repaired or replaced.

Safety Regulations.

Section 6. The following safety regulations shall govern the operation and maintenance of public, commercial and private garages.

(a) Each underground tank shall be filled with gasoline only through pipe or hose connected to a tank truck, leading through continuous metal fittings or connections, properly grounded to and into the filling pipe of such underground tank.

(b) The reservoir of an automobile shall be filled with gasoline only through an approved hose connected to a pump on a portable filling tank or underground tank.

(c) Wherever possible, portable filling tanks shall always be kept near the entrance of garage when not in use.

(d) No gasoline shall be allowed to be kept or conveyed in open receptacles inside a garage.

(e) No smoking shall be allowed inside of any garage and notices to that effect shall be conspicuously posted as required by the Fire Marshal.

(f) All inflammable waste and rubbish shall be kept at all times in metal receptacles fitted with a tight cover until removed from the premises.

(g) Sawdust shall not be kept and sawdust or other flammable material shall not be used for the purpose of absorbing oil, grease or gasoline. Oil and grease shall not be allowed to accumulate on the floor of any garage. Gasoline shall not be used for cleaning the engine of any automobile.

(h) All lights on an automobile shall be extinguished before filling reservoir with gasoline and the engine of said automobile shall not be in motion.

(i) No gasoline, grease, oil or flammable liquids of any kind shall be allowed to flow or be placed into the drainage system.

(j) No tank truck, empty or otherwise, used for the transportation of flammable liquids shall be admitted inside any garage, unless the garage is used exclusively for the keeping of such vehicles.

(k) The heating of any garage shall be accomplished only by an approved steam or hot water system.

(l) Gasoline shall not be kept or stored below the first floor of any garage, except that which is contained in the reservoirs of automobiles stored therein.

(m) No system of artificial lighting other than incandescent electric lamps shall be installed. All portable lights shall be equipped with keyless sockets and lamp guards. All electric switches, sockets and plugs shall be at least four feet above the floor. All electric wiring shall be installed as required by the Department of Electricity.

(n) All electric motors or devices capable of emitting an exposed spark shall be located at least four feet above the floor.

(o) All lockers shall be constructed entirely of incombustible material and no gasoline, oils or other flammable liquid shall be kept therein.

(p) At least one (1) approved fire extinguisher, containing not less than two and one-half (2½) gallons of chemical, if of the soda and acid or foam type, or not less than one quart if of the carbon tetrachloride type, shall be provided for every one thousand (1,000) square feet of floor area or fraction thereof, which shall be installed and located as required by the Fire Marshal. Not more than one-half of the total number of such fire extinguishers may be of the carbon tetrachloride type. All extinguishers of the carbon tetrachloride type must be kept filled with the proper fluid at all times. All extinguishers of the soda and acid or foam type must be properly recharged not less than once each year and date of such recharging shown on tag attached thereto. Near each such fire extinguisher there shall be maintained an approved bucket of clean dry sand. In addition to the buckets of sand, every public and commercial garage shall maintain on each floor an approved barrel of clean dry sand. All of the above containers of sand shall have painted thereon in an approved manner the words: "Sand—For Fire Use."

(q) No stove, forge, torch, furnace, heating apparatus, flame, fire or other apparatus, device or equipment which the Fire Marshal shall deem to be hazardous shall be maintained or kept unless approved by the Fire Marshal.

(r) All automobiles shall be spaced in an approved manner so as to allow members of the Fire Department or other persons to easily reach any automobile or any part of the premises in case of fire.

(s) No portion of any garage shall be used for the storage or keeping of goods, merchandise or any flammable material, except the necessary automobile parts, accessories and supplies.

(t) All waste oil (crankcase drainings) shall be kept in an approved tank, buried underground as required by the Fire Marshal. No such oil shall be kept in cans or drums above ground.

Duties of the Fire Marshal.

Section 7. (a) It shall be the duty of the Fire Marshal of the City and County of San Francisco to see that the provisions of this ordinance are complied with, except the supervision of building construction and alteration, and for that purpose shall have access at all times to any and all public, commercial and private garages.

(b) In the event that any person, firm or corporation to whom a permit has been granted by the Board of Supervisors to establish, conduct, maintain or operate a public or commercial garage shall violate, cause or permit to be violated any of the provisions of this ordinance (which are for the public safety), it shall be the duty of the Fire Marshal to notify said person, firm or corporation in writing to appear before the Board of Supervisors of the City and County of San Francisco within five (5) days after the service of said notice, to then and there show cause why the permit which has been granted to establish, conduct, maintain or operate a public or commercial garage shall not be revoked.

(c) If the said person, firm or corporation on whom said notice was served by the Fire Marshal to appear before the Board of Supervisors fails or refuses to appear before the said Board of Supervisors it shall be the duty of the said Board of Supervisors to notify in writing said person, firm or corporation to whom a permit has been issued, that said permit, through failure or neglect to appear before the Board of Supervisors is revoked. Said person, firm or corporation on whom notice was served by the Fire Marshal, and who failed, refused or neglected to appear before said Board of Supervisors, is hereafter liable to the penalty imposed by this ordinance if said person, firm or corporation shall continue to conduct, maintain or operate such public or commercial garage after being notified in writing that the permit issued by the Board of Supervisors has been revoked.

(d) The Fire Marshal shall have the right to revoke any permit that has been issued for the storage of gasoline for violation of any of the provisions of this ordinance.

Penalty.

Section 8. When any person, firm or corporation violates or refuses to comply with any of the provisions of this ordinance (which are for the public safety), said person, firm or corporation shall be deemed guilty of a misdemeanor, and upon conviction shall be punished by a fine not exceeding five hundred ($500) dollars, or by imprisonment in the County Jail for not more than six months, or by both such fine and imprisonment. Each such person, firm or corporation shall be deemed guilty of a separate offense for each day such violation shall continue, and shall be subject to the penalty imposed by this ordinance for each and every such separate offense.

Section 9. Ordinance No. 746 (New Series) and all ordinances or parts of ordinances in so far as they conflict with this ordinance are hereby repealed.

Section 10. This ordinance shall take effect immediately.

SPECIAL ORDER—11 A. M.

Adopted.

The following matter, laid over from last meeting, was taken up and *adopted* by the following vote:

Closing and Abandoning Certain Portions of Donner, Carroll and Bancroft Avenues and Newhall and Mendell Streets.

Resolution No. 31518 (New Series), as follows:

Whereas, this Board has, by Resolution No. 27860 (New Series), declared its intention to close and abandon certain portions of Donner, Carroll and Bancroft avenues and Newhall and Mendell streets, in the City and County of San Francisco, and hereinafter more particularly described; and

Whereas, proper notice of said resolution, and of said proposed closing and abandonment of certain portions of said avenues and streets, was duly given by the Board of Public Works of said City and County by publication and posting in the manner provided by the Charter of said City and County; and

Whereas, more than ten days have elapsed after the expiration of time of publication of said notice; and

Whereas, no objection or objections to said closing and abandonment of said portions of said avenues and streets, as hereinafter described, was or were made or delivered to the Clerk of this Board within said period of ten days, or at all; and

Whereas, it is the opinion of this Board that the public interest and convenience will be conserved by the closing and abandonment of said avenues and streets; and

Whereas, in and by Resolution No. 27860 (New Series) this Board did declare that the damages, costs and expenses of closing of said portions of said avenues and streets are nominal and no assessment district is necessary to be formed for the purpose of paying the damages, costs and expenses thereof, the Board of Supervisors hereby declares and determines that the whole damage, cost and expense of closing said portions of said avenues and streets, as hereinafter more particularly described, shall be paid out of the revenues of the City and County of San Francisco.

Resolved, That said closing and abandonment of said portions of said avenues and streets be and the same are ordered and that said portions of said avenues and streets be and the same are hereby closed and abandoned as public streets.

The said portions of said avenues and streets hereinabove referred to are more particularly described as follows, to-wit:

All such portions of Donner, Carroll and Bancroft avenues and Newhall and Mendell streets as are included within the boundaries of Parcels I, III and IV of that certain decree of the Superior Court of the State of California, in and for the City and County of San Francisco, made and entered the 18th day of September, 1929, in an action entitled, "Bank of California, National Association, as executor of the last will and testament of Frank H. Gardiner, deceased," numbered 39632 thereon, and recorded in the office of the Recorder of said City and County on the 19th day of September, 1929, in Volume 1912, Official Records, at page 171.

Further Resolved, That the Clerk of this Board transmit a certified copy of this resolution to the Board of Public Works, and that the Board of Public Works be instructed to proceed thereafter as required by the law and the Charter of the City and County of San Francisco.

Ayes—Supervisors Andriano, Deasy, Gallagher, Havenner, Hayden, Kent, McGovern, McSheehy, Marks, Powers, Roncovieri, Shannon, Toner—13.

Absent—Supervisors Colman, Schmidt, Stanton, Suhr, Todd—5.

New Garage Ordinance.

Also, Bill No. 9060, Ordinance No. 8564 (New Series), as follows:

Governing the construction, equipment, maintenance and operation of public, commercial and private garages; regulating and providing

for the storage and use of gasoline in connection with public, commercial and private garages; duties of the Fire Marshal; penalty for violation; repealing Ordinance No. 746 (New Series) and all ordinances or parts of ordinances in so far as they conflict with this ordinance.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. Whenever used in this ordinance, the following terms and words are defined as herein specified and shall be deemed and construed to have the meaning ascribed to them in this section:

(a) An "automobile" shall mean any self-propelling vehicle.

(b) "Gasoline" shall mean and include any product of petroleum flashing below the temperature of 110 degrees Fahrenheit. The Fire Marshal of the City and County of San Francisco shall determine such flashing point.

(c) A "commercial garage" is a building wherein four or more automobiles designed, used or maintained for the transportation of persons or property and operated by the owner or owners thereof, are kept or stored, and where no charge is made for the storage and keeping of same.

(d) A "public garage" shall mean any building, structure or part thereof wherein four or more automobiles are kept or stored by the public, or wherein storage facilities for more than four automobiles are advertised by any sign or device affixed or painted to the said building or structure or any part thereof or otherwise, or wherein automobiles stored or kept are rented out to and hired by the public, and where a charge is made for the storage and keeping of same.

Nothing in the above definitions (c) and (d) shall operate against providing automobile storage space in flats or dwellings not exceeding four hundred fifty (450) square feet in area for each flat or dwelling. In apartment house buildings, nothing in definitions (c) and (d) shall operate against providing storage space of three hundred (300) square feet for each apartment within the building, providing that the spaces in which automobiles are stored conform with the State Housing Act of 1923 and amendments thereto, and also provided that all enclosure or exterior walls from the foundation to the surface of the floor constituting the ceiling of the garage shall be of masonry as required for class "C" buildings. Nothing in said definition shall operate against an owner having a greater space than herein defined, provided when it is exceeded in apartment houses the construction shall be class "A" or "B" as defined in the Building Laws of the City and County of San Francisco, and provided when it is exceeded in flats or dwellings the construction shall be as required for apartment houses.

(e) Any other building, structure or part thereof, wherein one or more automobiles are kept or stored, except those establishments which are specifically regulated by any other ordinance shall be deemed to be a "private garage."

Application for Permit.

Section 2. (a) It shall be unlawful for any person, firm or corporation to establish, conduct, maintain or operate a public or commercial garage without first obtaining a permit therefor from the Board of Supervisors of the City and County of San Francisco. Every such permit shall contain the name of the person, firm or corporation to whom the same is issued and the location of the premises upon which such public or commercial garage is to be located.

(b) Every application for a permit to establish, conduct, maintain or operate a public or commercial garage shall, before action is taken thereon by the Board of Supervisors, be referred to the Fire Marshal and the Board of Public Works for investigation and report. No such permit shall be granted unless applicant agrees to comply in all respects with the requirements of this ordinance; provided, further, that in the event any person, firm or corporation engaged in the business

of a public or commercial garage in a building which in any manner does not conform to the provisions of this ordinance, shall vacate the premises, or discontinue such business, then, and in that event, it shall be unlawful for any person, firm or corporation to subsequently establish, conduct, maintain, or operate the said premises as a public or commercial garage, unless such premises shall be made to comply with all the requirements of this ordinance.

(c) When application is made to the Board of Supervisors by any person, firm or corporation to establish, conduct, maintain or operate a public or commercial garage, said applicant shall cause to be posted conspicuously on the premises intended to be occupied by the public or commercial garage a notice to the effect that application has been made to the Board of Supervisors for such permit. Said notice to be conspicuously posted within twenty-four (24) hours after the filing of the application and shall be kept posted for a period of not less than seven (7) days. It shall be the duty of the applicant to see or keep said sign conspicuously posted for the said period of seven (7) days.

(d) A permit to establish, conduct, maintain or operate a public or commercial garage is not transferable without the consent of the Board of Supervisors.

(e) No permit shall be granted to conduct, operate or maintain any public or commercial garage within the boundaries of two hundred (200) feet of any school, church, theatre or hospital; said measurement to be taken from the front entrance of said garage to the front entrance of said school, church, theatre or hospital; nor shall any permit be issued to hereafter construct, erect, maintain or operate a public or commercial garage within fifty (50) feet of the property line of any school, church, theatre or hospital building.

Construction.

Section 3. (a) Every building, structure or part thereof hereafter erected, altered or changed so as to be occupied, conducted, maintained or operated as a public or commercial garage shall be of class "A," "B" or "C" construction (as defined in the Building Laws of the City and County of San Francisco), provided said building or structure is not more than one (1) story in height, and if more than one story in height, it shall be of either class "A" or "B" construction. The roof of such class "C" building or structure shall be of metal supported on steel or timber trusses. The floors of all garages shall be concrete construction or steel frame with concrete construction.

(b) A public or commercial garage shall not be maintained in any building that is occupied in any part for any other purpose than that necessary for the operation of a public or commercial garage, unless said building is of class "A" or "B" construction throughout. The portion occupied as a public or commercial garage shall have no entrance, exit or other opening of any kind whatsoever into other portions of the building not so occupied, unless said opening or openings are located as required by the Board of Public Works. Such openings shall be protected with a full Underwriter's Automatic Fire Door on inclined tracks with fusible links, or an approved Underwriter's Automatic Rolling Steel Shutter, fusible links on both sides of the opening in the wall. Any screen door required in the opening shall be equal to a full kalamein or hollow metal construction. Walls separating such portion occupied as a public or commercial garage and the remainder of the building shall be of brick, stone or reinforced concrete. The floors which constitute the ceilings of such garage shall be of reinforced concrete slabs, not less than four (4) inches thick, supported by concrete fireproofed carrying units of the frame. These slabs shall be not less than six (6) inches thick, where they constitute the floor of the public assembly room and the ceiling of the garage. All such slabs shall be reinforced so as to develop their full strength to resist upward pressures, and the ceilings of all garages under places of public assembly shall be equipped with an automatic sprinkler system as

provided in all ordinances of the City and County of San Francisco in reference thereto.

(c) Every space in a building hereafter erected in which automobiles or other motor vehicles are placed or stored shall be provided with ventilation as follows:

When the total space on any floor to be used for such purposes is 4000 square feet or less, such space shall be provided with ventilation outlets in the walls thereof.

The total areas of such ventilating outlets shall be as follows:

For a space of 1000 square feet or less, 200 square inches. For each additional space of 200 square feet over 1000 square feet this area shall be increased 50 square inches until the total area becomes 525 square inches, which shall be the maximum required for a space of not more than 4000 square feet.

The top of the ventilating outlets shall be not more than 18 inches above the floor. Such outlets shall be protected with galvanized wire rods not less than ⅜ inch in diameter so as to provide opening of ½-inch mesh.

Protections of ornamental design may be used provided they are galvanized and have a strength equal to that of the rods. All protections shall be firmly anchored in or secured to their supports. All ventilating outlets shall lead directly to a free and unobstructed circulation of air; but shall not lead into inner courts.

All natural ventilating outlets shall be arranged so that there will be at least one outlet in each of two opposite walls of said garage and not less than one-half of the total area of outlets required shall be provided in each of such walls. The free circulation of air between ventilating outlets shall be maintained.

When such space has a floor area of over 4000 square feet a mechanical exhaust ventilation system shall be provided. This system shall consist of power driven exhaust fan or fans of the positive centrifugal type and shall have sufficient capacity to exhaust a quantity of air equal to not less than six times the cubic contents of such space each hour. This mechanical exhaust shall be drawn from a point not more than 18 inches above the floor line and shall be evenly distributed over the entire area in which automobiles are stored. The fan discharge shall be taken to a point above the roof of the building or to the outer air at a point not less than 20 feet from any window in the building or any adjoining building.

(d) An automobile repair shop, tire vulcanizing shop, battery shop and automobile painting shop may be maintained in a public or commercial garage provided they are separated from the automobile storage section of the public or commercial garage by partitions of concrete, brick or terra cotta tile, which shall extend from the floor to the ceiling, or floor to the roof above; provided, however, that no battery shop or automobile painting shop shall be maintained in any public or commercial garage located under a place of public assembly or basement of any building occupied by a public or commercial garage. All openings in said partitions shall be located as directed by the Board of Public Works and the protection to such openings shall consist of an approved Underwriter's Automatic Fire Door on inclined tracks with fusible links or an approved Underwriter's Automatic Rolling Steel Shutter with fusible links, in addition to the temporary protection for opening or closing, which must be constructed of plates and angles, and if glazed, wire glass only shall be used. All such shops shall be conducted, maintained and operated as required by all ordinances governing such establishments.

(e) All private garages with a floor area in excess of four hundred (400) square feet shall be constructed as provided in this ordinance for public or commercial garages, if built independent of any building that is used as living quarters.

Storage of Gasoline.

Section 4. Whenever the word "approved" shall hereafter appear in this ordinance, it shall mean approved by the Fire Marshal.

(a) Permission must be received from the Fire Marshal before storing or keeping gasoline in or for any public or commercial garage, but in no event shall the quantity exceed the maximum prescribed in this section.

(b) Not more than one approved five (5) gallon can of gasoline and approved portable filling tanks containing not more than fifty (50) gallons of gasoline each, may be stored or kept inside of any public or commercial garage, except such gasoline which is contained in the reservoirs of automobiles stored therein. Not more than one (1) approved portable filling tank shall be allowed on any one floor of a public or commercial garage.

(c) Additional gasoline may be stored or kept for a public or commercial garage in approved tanks, outside the walls of the building and buried underground. Not more than four (4) tanks containing not more than five hundred fifty (550) gallons of gasoline each, making twenty-two hundred (2200) gallons in the aggregate, shall be allowed to be stored or kept for any one public or commercial garage. All such tanks shall be constructed of galvanized steel at least number twelve (12) gauge in thickness or iron not less than three-sixteenths (3/16) of an inch in thickness. All tanks shall be coated on the outside with tar or other suitable rust-resisting compound.

The Fire Marshal may grant permission to store or keep gasoline in excess of the above limitations, if in his judgment the additional gasoline is deemed necessary, but such additional gasoline shall be stored or kept only upon conditions and under such regulations as may be required by said Fire Marshal.

(d) A permit shall be required from the Fire Marshal to store or keep gasoline in excess of five (5) gallons in or for any private garage. The Fire Marshal shall determine the amount of gasoline, if any, that may be stored, but in no event shall the quantity exceed the maximum allowed for a public or commercial garage. Said gasoline shall be stored or kept as required for a public or commercial garage.

Tanks, Pipes and Pumps.

Section 5. All underground gasoline storage tanks, pipes and appurtenances used in connection with a public, commercial or private garage shall be installed as follows, unless otherwise required by the Fire Marshal:

(a) All underground tanks shall be placed outside the building, under the sidewalk, close to the curb line.

(b) The top of each such tank shall be at least four feet below the sidewalk and the space between the top of the tank and sidewalk shall be filled with earth.

(c) No such tank shall be connected with another so that gasoline can flow or be pumped from one underground tank to another.

(d) All such tanks shall set on a firm foundation and, where water is encountered, tanks shall be enclosed in an approved watertight reinforced concrete vault.

(e) Where two or more tanks are installed, there shall be an approved brick or concrete dividing wall between each tank not less than twelve (12) inches in thickness or three (3) feet of earth.

(f) Each tank shall have a separate filling pipe extending up to the sidewalk or grade, capped with a screw cap, which must be screwed up tight at all times except when filling, and shall be covered with a metal plate flush with the sidewalk or grade.

(g) Each such tank shall have a separate one (1) inch vent pipe extending out of the top of the tank to a height of not less than twelve (12) feet and capped with a double return bend equipped with a non-corrodible wire screen of thirty (30) mesh. The lower end of

vent pipe shall not extend through the top into the tank for a distance of more than one (1) inch. Vent pipe shall be on the outside of the building and terminate not less than three (3) feet, measured horizontally and vertically, from any window or other building opening.

(h) Each such tank shall have at least one suction pipe. Two or more tanks may be connected with one pump, provided the suction pipe siamese at the pump with valves to close each suction pipe.

(i) All pipes shall lead out of the extreme top of each tank, and shall be at least twelve (12) inches underground or enclosed in concrete. Said pipes shall have a fall toward the tank.

(j) All pipes and fittings shall be standard, full weight galvanized iron, or equivalent, and shall be put together with litharge and glycerine.

(k) Tanks and pipes shall not be covered until an inspection has been made by the Fire Marshal and permission so to do has been granted by said officer. The Fire Marshal shall be notified when the work is ready for inspection.

(l) Gasoline shall be taken from such tanks only by means of an approved pump, which shall be installed in an approved location, not below the first floor. No gravity, siphon or pressure system shall be used for taking gasoline from any tank.

(m) The Fire Marshal shall have the right at any time to take, or demand to be taken, a test for leaks on any tank, pipes or appurtenances, and, if found to be defective, shall demand that they be repaired or replaced.

Safety Regulations.

Section 6. The following safety regulations shall govern the operation and maintenance of public, commercial and private garages.

(a) Each underground tank shall be filled with gasoline only through pipe or hose connected to a tank truck, leading through continuous metal fittings or connections, properly grounded to and into the filling pipe of such underground tank.

(b) The reservoir of an automobile shall be filled with gasoline only through an approved hose connected to a pump on a portable filling tank or underground tank.

(c) Wherever possible, portable filling tanks shall always be kept near the entrance of garage when not in use.

(d) No gasoline shall be allowed to be kept or conveyed in open receptacles inside a garage.

(e) No smoking shall be allowed inside of any garage and notices to that effect shall be conspicuously posted as required by the Fire Marshal.

(f) All inflammable waste and rubbish shall be kept at all times in metal receptacles fitted with a tight cover until removed from the premises.

(g) Sawdust shall not be kept and sawdust or other flammable material shall not be used for the purpose of absorbing oil, grease or gasoline. Oil and grease shall not be allowed to accumulate on the floor of any garage. Gasoline shall not be used for cleaning the engine of any automobile.

(h) All lights on an automobile shall be extinguished before filling reservoir with gasoline and the engine of said automobile shall not be in motion.

(i) No gasoline, grease, oil or flammable liquids of any kind shall be allowed to flow or be placed into the drainage system.

(j) No tank truck, empty or otherwise, used for the transportation of flammable liquids shall be admitted inside any garage, unless the garage is used exclusively for the keeping of such vehicles.

(k) The heating of any garage shall be accomplished only by an approved steam or hot water system.

(l) Gasoline shall not be kept or stored below the first floor of any garage, except that which is contained in the reservoirs of automobiles stored therein.

(m) No system of artificial lighting other than incandescent electric lamps shall be installed. All portable lights shall be equipped with keyless sockets and lamp guards. All electric switches, sockets and plugs shall be at least four feet above the floor. All electric wiring shall be installed as required by the Department of Electricity.

(n) All electric motors or devices capable of emitting an exposed spark shall be located at least four feet above the floor.

(o) All lockers shall be constructed entirely of incombustible material and no gasoline, oils or other flammable liquid shall be kept therein.

(p) At least one (1) approved fire extinguisher, containing not less than two and one-half (2½) gallons of chemical, if of the soda and acid or foam type, or not less than one quart if of the carbon tetrachloride type, shall be provided for every one thousand (1,000) square feet of floor area or fraction thereof, which shall be installed and located as required by the Fire Marshal. Not more than one-half of the total number of such fire extinguishers may be of the carbon tetrachloride type. All extinguishers of the carbon tetrachloride type must be kept filled with the proper fluid at all times. All extinguishers of the soda and acid or foam type must be properly recharged not less than once each year and date of such recharging shown on tag attached thereto. Near each such fire extinguisher there shall be maintained an approved bucket of clean dry sand. In addition to the buckets of sand, every public and commercial garage shall maintain on each floor an approved barrel of clean dry sand. All of the above containers of sand shall have painted thereon in an approved manner the words: "Sand—For Fire Use."

(q) No stove, forge, torch, furnace, heating apparatus, flame, fire or other apparatus, device or equipment which the Fire Marshal shall deem to be hazardous shall be maintained or kept unless approved by the Fire Marshal.

(r) All automobiles shall be spaced in an approved manner so as to allow members of the Fire Department or other persons to easily reach any automobile or any part of the premises in case of fire.

(s) No portion of any garage shall be used for the storage or keeping of goods, merchandise or any flammable material, except the necessary automobile parts, accessories and supplies.

(t) All waste oil (crankcase drainings) shall be kept in an approved tank, buried underground as required by the Fire Marshal. No such oil shall be kept in cans or drums above ground.

Duties of the Fire Marshal.

Section 7. (a) It shall be the duty of the Fire Marshal of the City and County of San Francisco to see that the provisions of this ordinance are complied with, except the supervision of building construction and alteration, and for that purpose shall have access at all times to any and all public, commercial and private garages.

(b) In the event that any person, firm or corporation to whom a permit has been granted by the Board of Supervisors to establish, conduct, maintain or operate a public or commercial garage shall violate, cause or permit to be violated any of the provisions of this ordinance (which are for the public safety), it shall be the duty of the Fire Marshal to notify said person, firm or corporation in writing to appear before the Board of Supervisors of the City and County of San Francisco within five (5) days after the service of said notice, to then and there show cause why the permit which has been granted to establish, conduct, maintain or operate a public or commercial garage shall not be revoked.

(c) If the said person, firm or corporation on whom said notice was served by the Fire Marshal to appear before the Board of Supervisors fails or refuses to appear before the said Board of Supervisors it shall be the duty of the said Board of Supervisors to notify in writing said person, firm or corporation to whom a permit has been issued, that said permit, through failure or neglect to appear before the Board of

Supervisors is revoked. Said person, firm or corporation on whom notice was served by the Fire Marshal, and who failed, refused or neglected to appear before said Board of Supervisors, is hereafter liable to the penalty imposed by this ordinance if said person, firm or corporation shall continue to conduct, maintain or operate such public or commercial garage after being notified in writing that the permit issued by the Board of Supervisors has been revoked.

(d) The Fire Marshal shall have the right to revoke any permit that has been issued for the storage of gasoline for violation of any of the provisions of this ordinance.

Penalty.

Section 8. When any person, firm or corporation violates or refuses to comply with any of the provisions of this ordinance (which are for the public safety), said person, firm or corporation shall be deemed guilty of a misdemeanor, and upon conviction shall be punished by a fine not exceeding five hundred ($500) dollars, or by imprisonment in the County Jail for not more than six months, or by both such fine and imprisonment. Each such person, firm or corporation shall be deemed guilty of a separate offense for each day such violation shall continue, and shall be subject to the penalty imposed by this ordinance for each and every such separate offense.

Section 9. Ordinance No. 746 (New Series) and all ordinances or parts of ordinances in so far as they conflict with this ordinance are hereby repealed.

Section 10. This ordinance shall take effect immediately.

Bill No. 9062, Ordinance No. ———— (New Series), as follows:

Amending Section 1 of Ordinance No. 648 (New Series), entitled "Prohibiting the advertisement or carrying on of the business of fortune-telling or business similar thereto."

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. Section 1 of Ordinance No. 648 (New Series), the title of which is recited above, is hereby amended to read as follows:

Section 1. It shall be unlawful for any person or persons to advertise, by sign, circular, hand-bill, or in any newspaper, periodical or magazine, or other publication or publications, or by any other means, to tell fortunes, to practice phrenology, to find or restore lost or stolen property, to locate oil wells, gold or silver or other ore or metal or natural product; to restore lost love or friendship or affection; to unite or procure lovers, husbands, wives, lost relatives or friends, for or without pay, by means of occult or psychic powers, faculties or forces, clairvoyance, psychology, psychometry, spirits mediumship, seership, prophecy, astrology, palmistry, necromancy, or other crafty science, cards, talismans, charms, potions, magnetism or magnetized articles or substances, Oriental mysteries or magic of any kind or nature, or to engage in or carry on any business the advertisement of

which is prohibited by this ordinance; provided, that nothing in this section shall apply to any ordained or duly accredited minister of any form of religious belief, or to the faith, practice or teaching of any religious body; provided, that fees, gratuities, emoluments or profits therefor shall be paid solely to or for the benefit of said religious body.

Section 2. This ordinance shall take effect immediately.

Prohibiting Passenger Motor Vehicles Without Full Liability Insurance.

Bill No. ————, Ordinance No. ———— (New Series), as follows:

Prohibiting the driving and operation of motor vehicles for the carrying of passengers for hire, unless there shall be in full force a policy of liability insurance, or a bond, and providing a penalty for any violation thereof.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. It shall be unlawful for any person, firm or corporation to drive or operate, or permit to be driven or operated, any motor vehicle along or upon any public street or highway in the City and County of San Francisco, State of California, for the carriage of passengers for hire, unless such person, firm or corporation shall have given, and there shall be in full force and effect, and on file with, and approved by, the Board of Police Commissioners of said City and County of San Francisco, at all times during which such motor vehicle is being so driven or operated, or permitted to be driven or operated, for each such vehicle, a policy or liability insurance in such form as the Board of Police Commissioners may deem proper, executed by a responsible and solvent corporation authorized to conduct an insurance business under the laws of the State of California and conditioned to indemnify such person, firm or corporation against any judgments which may be rendered against such person, firm or corporation for damages on account of injuries to property or person, including both passengers and the public, occasioned by the operation of any such motor vehicle, in the following sums:

(a) For the injury or death of any one person in any one accident, $5,000.00;

(b) For the injury or death of two or more persons in any one accident, $10,000.00; and in the event any such vehicle shall have a seating capacity of more than seven persons, said policy shall be in the amount of $20,000.00;

(c) For the injury or destruction of property in any one accident, $1,000.00.

No such policy shall be rejected by the Board of Police Commissioners unless said commission shall, in writing, assign its reason for such rejection, and no liability insurance corporation shall be rejected as an insurer which is authorized by the State of California to write such policies, provided such authorization has not been revoked.

Section 2. In lieu of the aforesaid policy of liability insurance, such person, firm or corporation may file with, and have approved by, said Board of Police Commissioners a bond in such form as the Board of Police Commissioners may deem proper, executed by a responsible and solvent corporation authorized to conduct a bonding insurance business under the laws of the State of California, or by two personal securities whose qualifications shall be as hereinafter prescribed, which bond shall be conditioned for the payment of all final judgments which may be rendered against any such person, firm or corporation for damages on account of injuries to property or person, including both passengers and the public, occasioned by the operation of any such motor vehicle within the limits prescribed by paragraphs a, b and c of Section (1)

hereof, and which bond shall be in an amount graduated according to the number of motor vehicles owned or offered for hire according to the following scale:

(a) Where such person, firm or corporation owns or offers for hire only one motor vehicle, said bond shall be in the sum of $10,000.00;

(b) Where such person, firm or corporation owns or offers for hire more than one but less than six motor vehicles, said bond shall be in the sum of $15,000.00;

(c) Where such person, firm or corporation owns or offers for hire more than five but less than eleven motor vehicles, said bond shall be in the sum of $20,000.00;

(d) Where such person, firm or corporation owns or offers for hire more than ten but less than twenty-six motor vehicles, said bond shall be in the sum of $30,000.00;

(e) Where such person, firm or corporation owns or offers for hire more than twenty-five but less than fifty-one motor vehicles, said bond shall be in the sum of $40,000.00;

(f) Where such person, firm or corporation owns or offers for hire fifty or more motor vehicles, said bond shall be in the sum of $50,000.00.

No such bond shall be rejected by the Board of Police Commissioners unless said Commissioners shall, in writing, assign its reason for such rejection, and no bonding insurance corporation shall be rejected as an insurer which is authorized by the State of California to write such bonds, provided such authorization has not been revoked.

In the event the bond hereinabove provided for is executed by two or more personal sureties, there shall be attached to such bond the statement in writing of each such personal surety, duly sworn to and acknowledged before a notary public, setting forth that he or she owns in fee simple certain described real estate in the City and County of San Francisco, and its location and legal description, together with its assessed value on the roll of the Assessor of the City and County of San Francisco, which assessed value over and above any and all encumbrances, exemptions and claims of every kind and description shall be at least two times the penalty of said bond, and such bond, for the full amount thereof, shall by its terms be a lien for the benefit of the beneficiary in said bond on such real estate so scheduled, and shall be recorded in the office of the Recorder of the City and County of San Francisco, and said bond shall further provide that suit may be brought in any court of competent jurisdiction upon said bond by any person, firm or corporation suffering any loss or damage as hereinabove set forth. If at any time, in the judgment of the Board of Police Commissioners, said bond is not sufficient, for any cause, said Commissioners may require the owner of such motor vehicle who filed the same to replace said bond with another good and sufficient bond or insurance policy in accordance with the provisions of this ordinance.

Section 3. In the event that such person, firm or corporation files either a policy of insurance or a bond of a corporation authorized to conduct a bonding insurance business under the laws of the State of California, or a personal bond, the said policy or bond shall contain a provision that the same cannot be cancelled by the corporation issuing it, or by the personal sureties thereon, or either of them, without giving thirty (30) days' notice in writing of such cancellation to the Secretary of the Board of Police Commissioners. Before a policy or bond of any insurance corporation shall be accepted by the Board of Police Commissioners there shall be filed with said policy or bond a receipt of the corporation issuing the same, showing that the premium thereon for at least a period of three (3) months of the term thereof has been fully paid. If at any time said policy of insurance or bond be cancelled by the issuing corporation, or by the personal sureties, or either of them, or the authority of said issuing corporation to do business in the State of California be revoked, it shall be unlawful for any person, firm or corporation to operate such motor vehicle until a bond or insurance policy meeting the requirements of

this ordinance shall have been filed with the Board of Police Commissioners.

In the event of the return unsatisfied of any execution issued on any final judgment, or on any judgment from which an appeal may be taken without bond, rendered against any such person, firm or corporation in any suit for damages on account of injury to person or property occasioned by the operation of any such motor vehicle, such person, firm or corporation shall within ten (10) days after the return of such execution unsatisfied (provided said judgment is still unpaid), increase the amount of his policy of insurance or of his bond by the amount of such judgment, and failing so to do shall forthwith cease the operation of motor vehicles in San Francisco until such additional bond or insurance policy is deposited or said judgment is paid.

Section 4. All policies or bonds shall contain a provision for a continuing liability thereunder up to the full amount of the penalty thereof, notwithstanding any recovery thereon.

Section 5. The provisions of this ordinance shall not be applicable to any "jitney bus" as the same is defined by Ordinance No. 3212 (New Series) of the City and County of San Francisco, State of California, approved April 29, 1915, nor to any sightseeing or interurban bus as the same is defined by Ordinance No. 5118 (New Series) of the City and County of San Francisco, State of California, approved April 6, 1920.

Section 6. In the event that any part or provision of this ordinance is unlawful or invalid for any reason whatsoever, said unlawful or invalid provision shall in nowise affect the remaining provisions of this ordinance.

Section 7. Any person, firm or corporation violating any of the provisions of this ordinance shall be guilty of a misdemeanor, and, upon conviction thereof, shall be punished by a fine not to exceed five hundred ($500.00) dollars, or by imprisonment in the county jail for a period not to exceed six months, or by both such fine and imprisonment.

Section 8. This ordinance shall take effect immediately.

and file a good and sufficient bond in the sum of $2,500, as fixed by the Board of Public Works and approved by his Honor the Mayor, in accordance with Ordinance No. 1204; provided, also, that said blasts shall be exploded only between the hours of 7 a. m. and 6 p. m., and that the work of blasting shall be performed to the satisfaction of the Board of Public Works; and that if any of the conditions of this resolution be violated by said Eaton and Smith, then the privileges and all the rights accruing thereunder shall immediately become null and void.

Establishing Grades in Streets in Glen Park.

Also, Bill No. 9063, Ordinance No. ———— (New Series), as follows:

Establishing grades in a portion of Glen Park, as per map entitled: "Grade Map of a portion of Glen Park."

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. The grades on streets as shown on map entitled: "Grade map of a portion of Glen Park showing the proposed establishment of grades on Diamond street between Moffitt and Berkeley streets; on Arbor street between Diamond and Orchard streets; on Sussex street between Conrad and Arbor streets; on Swiss avenue between Sussex and Arbor streets; on Conrad street between Sussex and Diamond streets; on Hiliritas avenue between Diamond and Arbor streets; on Moreland street at the intersection with Diamond street; on Mizpah street at the intersection with Sussex street, and on Elk street at the intersection with Sussex street," are hereby established at points and elevations above city base as shown on said map, approved by Resolution No. 107866 (Second Series) of the Board of Public Works, adopted September 25, 1929, and filed in the office of the Board of Supervisors September 26, 1929.

Section 2. This ordinance shall take effect immediately.

Granting Extension of Time to Frank J. McHugh for Completion of Improvement of Seventeenth Avenue.

On recommendation of Streets Committee.

Resolution No. 31505 (New Series), as follows:

Resolved, That Frank J. McHugh is hereby granted an extension of thirty (30) days' time from and after October 17, 1929, within which to complete the improvement of Seventeenth avenue between Kirkham and Lawton streets.

This extension is granted on recommendation of the Board of Public Works pending the acceptance and issuance of assessment.

Endorsing Relocation of San Juan Grade.

Also, Resolution No. 31506 (New Series), as follows:

Whereas, the San Juan Grade, by reason of short curves and heavy truck traffic, has become a hazard on the coast highway; and

Whereas, the traffic count made by the State Highway Commission in January, 1929, showed a decrease in travel over the San Juan Grade because of the hazardous route, although traffic generally has increased throughout the State; and

Whereas, the State Highway Engineer has proposed a route through Prunedale and the Rocks, which will cut the elevation in half and thus make a route which will develop easy and fast service along the coast highway; be it therefore

Resolved, That the Board of Supervisors of the City and County of San Francisco does hereby endorse, approve and commend the Prunedale-Rocks route proposed by the State Highway Engineer, and does further reiterate the desire of the City and County of San Francisco to cooperate in every possible way with the State Highway Commission in the development of the highways of California; and be it further

Resolved, That a copy of this resolution be sent to the State Highway Commission, to the Redwood Empire Association, and to the Monterey County Board of Supervisors.

Endorsing the Cloverdale-Hopland Highway Location.

Also, Resolution No. 31507 (New Series), as follows:

Whereas, the Nine Counties Highways Committee of the Redwood Empire Association, at Eureka in April, 1928, and at Santa Rosa in January, 1929, was of the opinion that the east bank of the Russian River offered the most practical location for the realignment of the Cloverdale-Hopland sector of the Redwood Highway; and

Whereas, the Executive Board of the Redwood Empire Association has respectfully urged the State Department of Public Works and the California Highway Commission to select the east bank of the Russian River for new location of the Cloverdale-Hopland sector of the Redwood Highway; be it therefore

Resolved, That the Board of Supervisors of the City and County of San Francisco hereby approves and commends the action of the Executive Board of the Redwood Empire Association and expresses a sincere spirit of cooperation to the development of the highways in California; and be it further

Resolved, That a copy of this resolution be sent to the State Department of Public Works, to the Redwood Empire Association, and to the Mendocino County Board of Supervisors.

Intention to Change Grades.

Also, Resolution No. 31508 (New Series), as follows:

Resolved, That it is the intention of the Board of Supervisors to change and establish grades on the following named streets, at the points hereinafter specified and at the elevations above city base as hereinafter stated, in accordance with Resolution No. 107835 (Second Series) of the Board of Public Works, adopted September 23, 1929, and written recommendation of said Board filed September 24, 1929, to-wit:

Sanchez Street.

Twenty-first street northerly line, 355.00 feet. (The same being the present official grade.)

15 feet northerly from Twenty-first street southerly line, 358.83 feet. (The same being the present official grade.)

Westerly curb line of, 47.91 feet northerly from the end of the arc, 61.55 feet southerly from Twenty-first street, 360.30 feet.

Easterly curb line of, at points of reverse curve at Twenty-first street, 360.30 feet.

Westerly curb line of, 16.76 feet southerly from the end of the arc, 61.55 feet northerly from Hill street, 353.29 feet.

Easterly curb line of, 20.32 feet southerly from the end of the arc, 61.55 feet northerly from Hill street, 353.29 feet.

Westerly curb line of, 47.90 feet southerly from the end of the arc, 61.55 feet northerly from Hill street, 347.63 feet.

Easterly curb line of, at the point of reverse curve at Hill street, 347.63 feet.

15 feet southerly from Hill street northerly line, 346.05 feet. (The same being the present official grade.)

Hill street southerly line, 343.00 feet. (The same being the present official grade.)

On Sanchez street between the southerly curb line of Twenty-first street and the northerly curb line of Hill street be changed and established to conform to true gradients between the grade elevations above given therefor.

The Board of Supervisors hereby declares that no assessment district is necessary, as no damage will result from said change of grades, inasmuch as the streets are ungraded and there are no existing street improvements.

The Board of Public Works is hereby directed to cause to be conspicuously posted along the street or streets upon which such change or modification of grade or grades is contemplated, notice of the passage of this resolution of intention.

Appointment of Committee for Reception to Delegates Attending the Redwood Empire Association Convention.

On recommendation of Public Welfare, Publicity and Airport Committee.

Resolution No. 31509 (New Series), as follows:

Whereas, the Redwood Empire Association will hold its Ninth Annual Convention in the City of San Francisco October 16th to 19th, inclusive; and

Whereas, two caravans have been organized to bring to this convention delegates and visitors from the North Bay counties, many of whom are the leaders in the civic and business life of their communities; and

Whereas, the Redwood Empire Association has worked most efficiently and effectively in calling attention to the scenic wonders and advantages and the upbuilding of the entire Redwood Empire area, of which San Francisco is the southern terminus; therefore be it

Resolved, That the following members of the Board of Supervisors be selected as a committee to officially greet the caravan and to make the necessary arrangements for its reception and entertainment while sojourning in our city: Supervisors Kent, Gallagher, McGovern, Havenner, Hayden, Powers, Roncovieri, Schmidt, Suhr and Todd.

Death of Rev. Father Edward J. Doran.

Supervisor Gallagher presented:

Resolution No. 31514 (New Series), as follows:

Whereas, Rev. Edward J. Doran, priest of the Catholic Church, died in San Francisco last week; and

Whereas, this ambassador of Christ was a well-read man, an able administrator, a virile champion of the church and the family; and

Whereas, through his earnest, courageous and brilliant efforts there grew up under his wise priestly guidance an extensive parish in the Richmond District, fully equipped with the facilities to care for the education of the army of children in that district, thus perpetuating the kingdom of Christ on earth; be it therefore

Resolved, That the Board of Supervisors of the City and County of San Francisco does hereby express sorrow at the loss of an excellent citizen of this fair city, an exemplar of virtue; and be it further

Resolved, That a copy of this resolution be spread on the minutes of this meeting.

Adopted unanimously by rising vote.

Board of Public Works to Prepare Plans for Bascule Bridge, Third Street and Channel.

Supervisor Gallagher presented:

Resolution No. 31515 (New Series), as follows:

Resolved, That the Board of Public Works be directed to prepare plans and specifications and estimates for the construction of a single-leaf bascule-type bridge over the channel at Third street; and be it further

Resolved, That the plans, specifications and estimates submitted include the additional cost required for the construction of the bridge to be used by the Belt Line Railroad of the State Board of Harbor Commission.

Adopted by the following vote:

Examinations for Corporals in Police Department.

Supervisor Gallagher presented:

Resolution No. ———— (New Series), as follows:

Whereas, a condition exists in the Police Department of the City and County of San Francisco which seems to have created a serious

and unjust handicap on the men in the rank of patrolman in that department; and

Whereas, a majority of the men of said rank of patrolman are honorably discharged war veterans; and

Whereas, the men of the said rank of patrolman have not had an opportunity to engage in a competitive Civil Service examination for promotion in said Police Department since August 9, 1923, due to the fact that when the Civil Service Commissioners of the City and County of San Francisco announced their readiness to hold an examination from the rank of patrolman to the rank of corporal, during the early part of the year 1927, they, the said Civil Service Commissioners, were requested by the Board of Police Commissioners not to hold the said examination, as they, the Police Commissioners, then felt that the rank of corporal was sufficiently manned for some time to come; and

Whereas, records show that additional appointments were made by the Board of Police Commissioners to the rank of corporal on the following dates: December 31, 1925, 21 additional corporals; September 1, 1926, 18 additional corporals; December 27, 1926, 27 additional corporals; and records further show that the date following the appointment of the last 27 corporals, as herein shown, the said Police Department had a total strength of 136 men in the said rank of corporal; and

Whereas, the budgets prepared for the fiscal years by this Board of Supervisors, as hereinafter shown, did make provisions for salaries for numerical strength in the said rank of corporal in said Police Department: Fiscal year 1927-1928, 129 corporals; fiscal year 1928-1929, 119 corporals; fiscal year 1929-1930, 119 corporals; and

Whereas, the strength of the said rank of corporal of police at the present time is 103 men, there is created, under budget provisions, 16 vacancies in the said rank; and

Whereas, the number of men in the said rank of corporal in the Police Department has been reduced by 33 men since December 28, 1926; and

Whereas, the strength of the rank of patrolman on December 28, 1926, was 842 men, as against a strength of 950 patrolmen authorized by the budget of the present fiscal year; and

Whereas, a proposed Charter amendment was submitted to the electorate of this City and County at the general election held November, 1928, which proposed Charter amendment intended the abolition of the rank of corporal in the said Police Department—the said proposed Charter amendment was, however, decidedly defeated by an overwhelming majority, thereby conclusively showing the wishes of the people of this municipality to retain the said rank of corporal in their Police Department; and

Whereas, any condition which stifles ambition and obstructs legitimate aspirations of members of the Police Department in the rank of patrolman who desire to seek advancement and promotion based upon civil service competitive examination is detrimental to police efficiency and to the morale of said Police Department; be it therefore
